1 On page 6, line 27, after "(iii)" insert "School districts with at
2 least 500 annual average full-time equivalent students must assign one
3 nurse to each school. If the allocations provided under (b)(i) of this
4 subsection are not sufficient to fund one nurse per school, then the
5 omnibus appropriations act shall provide additional funding sufficient
6 to meet this requirement.

7 (iv)"

9 On page 15, line 27, after "(iii)" insert "School districts with
10 at least 500 annual average full-time equivalent students must assign
11 one nurse to each school. If the allocations provided under (b)(i) of
12 this subsection are not sufficient to fund one nurse per school, then
13 the omnibus appropriations act shall provide additional funding
14 sufficient to meet this requirement.

15 (iv)"

EFFECT: Requires school districts with at least 500 students to assign a nurse to each school. Specifies that if allocations provided through the prototypical school funding model for nurses, social workers, psychologists, counselors, classified staff providing student and staff safety, and parent involvement coordinators are not sufficient to fund one nurse per school, then the omnibus appropriations act must provide additional funding sufficient to meet this requirement.
