NOT ADOPTED 02/10/2022

1 On page 10, line 4, after "as" strike "an unfinished component
2 part of a firearm" and insert "an unfinished firearm frame or
3 receiver"

EFFECT: Amends the term "partially complete" as it modifies the term "frame or receiver," by removing the definition's inclusion of articles that have reached a stage of manufacture where the article is clearly identifiable as an unfinished component part of a firearm and revising the term to cover articles that have reached a stage of manufacture where the article is clearly identifiable as an unfinished firearm frame or receiver.
