

**SHB 1770 - H AMD 1005**

By Representative Robertson

**NOT ADOPTED 02/13/2022**

1        On page 2, line 17, after "measures." insert "The 80 percent  
2 reduction requirement does not apply to heating and air conditioning  
3 systems."

4

5

EFFECT:    Exempts heating and air conditioning systems from the Washington State Energy Code requirement that new buildings have at least an 80 percent reduction in annual net energy consumption.
