1 On page 9, after line 2, insert the following:

2 "(3) If an independent repair provider attempts to repair a
3 customer's digital electronic product that is under the original
4 manufacturer's warranty period and such attempted repair renders the
5 product inoperable, the independent repair provider shall provide the
6 customer with an identical replacement of the product, or, if an
7 identical replacement is not available, an upgraded version of the
8 product."

EFFECT: Requires an independent repair provider that attempts to repair a customer's digital electronic product that is under the original manufacturer's warranty period to provide the customer with a replacement if such attempted repair renders the product inoperable.
