10 an enrollee of any gender, if the treatment or services will improve  
11 the overall mental health of the enrollee"

EFFECT: Prohibits health carriers, health plans offered to public employees, the Health Care Authority, and Medicaid programs from:

- applying categorical or blanket exclusions to cosmetic procedures if the procedure will improve the enrollee's overall mental health; and
- excluding medically necessary or prescribed cosmetic services surgeries, treatment, or other care such as mastectomies and breast implants, for enrollees of any gender, if the services will improve the enrollee's overall mental health.
