1        On page 3, line 1, after "(b)" insert "City representation in the  
2 interlocal agreement process must include a representative from both  
3 the mayor's office and city council president's office. In a city  
4 that operates under a council-manager form of government under  
5 chapter 35.18 RCW, city representation must include the city manager  
6 or the city manager's designee and the mayor.

7        (c)"

8        Correct any internal references accordingly.

EFFECT: Requires a city over 50,000 in a county with a population more than 500,000, but less than 1,500,000, to include a representative from both the mayor's office and city council president's office in the interlocal agreement process to determine the distribution of revenue from the local sales and use tax for emergency communication systems and facilities. For a city that operates under a council-manager form of government, the city representative in the interlocal agreement process must include the city manager or the city manager's designee and the mayor.
