1        On page 7, beginning on line 4, after "(a)" strike all material  
2 through "counselors" on line 7 and insert "Increase accessibility to  
3 mental health and counseling services, especially for rural and  
4 underserved populations"

EFFECT: Prioritizes mental health pilot program applications for programs that would increase accessibility for rural and underserved populations. Removes improvements to diversity, equity, and inclusion in counseling services as a priority to be considered by the board.
