ADOPTED 03/01/2021

1 On page 7, beginning on line 14, after "bidders." strike "The
2 office of the attorney general is the sole authority to select and
3 award the contract to the institution of higher education."

EFFECT: Clarifies that selection of an institution of higher education to establish and maintain the statewide use of force data collection program is a joint process between the advisory group and Attorney General's Office.
