By Senator Keiser

1 Strike everything after the enacting clause and insert the
2 following:

3 **"Sec. 1.** RCW 71.32.010 and 2003 c 283 s 1 are each amended to
4 read as follows:

5 (1) The legislature declares that an individual with capacity has
6 the ability to control decisions relating to his or her own
7 (~~mental~~) behavioral health care. The legislature finds that:

8 (a) Some (~~mental illnesses~~) behavioral health disorders cause
9 individuals to fluctuate between capacity and incapacity;

10 (b) During periods when an individual's capacity is unclear, the
11 individual may be unable to access needed treatment because the
12 individual may be unable to give informed consent;

13 (c) Early treatment may prevent an individual from becoming so
14 ill that involuntary treatment is necessary; and

15 (d) (~~Mentally ill individuals~~) Individuals with behavioral
16 health disorders need some method of expressing their instructions
17 and preferences for treatment and providing advance consent to or
18 refusal of treatment.

19 (2) The legislature recognizes that a mental health advance
20 directive can be an essential tool for an individual to express his
21 or her choices at a time when the effects of (~~mental illness~~) a
22 behavioral health disorder have not deprived him or her of the power
23 to express his or her instructions or preferences.

24 (~~(2)~~) (3) The legislature further finds that:

25 (a) A mental health advance directive must provide the individual
26 with a full range of choices;

27 (b) (~~Mentally ill individuals~~) Individuals with behavioral
28 health disorders have varying perspectives on whether they want to be
29 able to revoke a directive during periods of incapacity;

30 (c) For a mental health advance directive to be an effective
31 tool, individuals must be able to choose how they want their
32 directives treated during periods of incapacity; and

1 (d) There must be clear standards so that treatment providers can
2 readily discern an individual's treatment choices.

3 Consequently, the legislature affirms that, pursuant to other
4 provisions of law, a validly executed mental health advance directive
5 is to be respected by agents, guardians, and other surrogate decision
6 makers, health care providers, professional persons, and health care
7 facilities.

37 capacity, whichever occurs first.

38 (ii) When an incapacitated principal has been admitted to and
39 remains in inpatient treatment for more than (~~seventy-two~~) 120

1 hours pursuant to the provisions of his or her directive, the
2 principal's capacity must be reevaluated when there has been a change
3 in his or her condition that indicates that he or she appears to have
4 regained capacity.

5 (iii) When a principal who is being treated on an inpatient basis
6 and has been determined to be incapacitated requests, or his or her
7 agent requests, a redetermination of the principal's capacity the
8 redetermination must be made within (~~(seventy-two)~~) 120 hours.

9 (b) When a principal who has been determined to be incapacitated
10 is being treated on an outpatient basis and there is a request for a
11 redetermination of his or her capacity, the redetermination must be
12 made within five days of the first request following a determination.

13 (3) (a) When a principal who has appointed an agent for (~~(mental)~~)
14 behavioral health treatment decisions requests a determination or
15 redetermination of capacity, the agent must make reasonable efforts
16 to obtain the determination or redetermination.

17 (b) When a principal who does not have an agent for (~~(mental)~~)
18 behavioral health treatment decisions is being treated in an
19 inpatient facility and requests a determination or redetermination of
20 capacity, the mental health professional or health care provider must
21 complete the determination or, if the principal is seeking a
22 determination from a court, must make reasonable efforts to notify
23 the person authorized to make decisions for the principal under RCW
24 7.70.065 of the principal's request.

25 (c) When a principal who does not have an agent for (~~(mental)~~)
26 behavioral health treatment decisions is being treated on an
27 outpatient basis, the person requesting a capacity determination must
28 arrange for the determination.

29 (4) If no determination has been made within the time frames
30 established in subsection (1) or (2) of this section, the principal
31 shall be considered to have capacity.

32 (5) When an incapacitated principal is being treated pursuant to
33 his or her directive, a request for a redetermination of capacity
34 does not prevent treatment.

35 **Sec. 13.** RCW 71.32.140 and 2016 sp.s. c 29 s 424 and 2016 c 155
36 s 14 are each reenacted and amended to read as follows:

37 (1) A principal who:

38 (a) Chose not to be able to revoke his or her directive during
39 any period of incapacity;

1 (b) Consented to voluntary admission to inpatient (~~(mental)~~)
2 behavioral health treatment, or authorized an agent to consent on the
3 principal's behalf; and

4 (c) At the time of admission to inpatient treatment, refuses to
5 be admitted,

6 may only be admitted into inpatient (~~(mental)~~) behavioral health
7 treatment under subsection (2) of this section.

8 (2) A principal may only be admitted to inpatient (~~(mental)~~)
9 behavioral health treatment under his or her directive if, prior to
10 admission, a member of the treating facility's professional staff who
11 is a physician, physician assistant, or psychiatric advanced
12 registered nurse practitioner:

13 (a) Evaluates the principal's mental condition, including a
14 review of reasonably available psychiatric and psychological history,
15 diagnosis, and treatment needs, and determines, in conjunction with
16 another health care provider (~~(or)~~), mental health professional, or
17 substance use disorder professional, that the principal is
18 incapacitated;

19 (b) Obtains the informed consent of the agent, if any, designated
20 in the directive;

21 (c) Makes a written determination that the principal needs an
22 inpatient evaluation or is in need of inpatient treatment and that
23 the evaluation or treatment cannot be accomplished in a less
24 restrictive setting; and

25 (d) Documents in the principal's medical record a summary of the
26 physician's, physician assistant's, or psychiatric advanced
27 registered nurse practitioner's findings and recommendations for
28 treatment or evaluation.

29 (3) In the event the admitting physician is not a psychiatrist,
30 the admitting physician assistant is not supervised by a
31 psychiatrist, or the advanced registered nurse practitioner is not a
32 psychiatric advanced registered nurse practitioner, the principal
33 shall receive a complete (~~(psychological)~~) behavioral health
34 assessment by a mental health professional or substance use disorder
35 professional within (~~(twenty-four)~~) 24 hours of admission to
36 determine the continued need for inpatient evaluation or treatment.

37 (4) (a) If it is determined that the principal has capacity, then
38 the principal may only be admitted to, or remain in, inpatient
39 treatment if he or she consents at the time, is admitted for family-

1 initiated treatment under chapter 71.34 RCW, or is detained under the
2 involuntary treatment provisions of chapter 71.05 or 71.34 RCW.

3 (b) If a principal who is determined by two health care providers
4 or one mental health professional or substance use disorder
5 professional and one health care provider to be incapacitated
6 continues to refuse inpatient treatment, the principal may
7 immediately seek injunctive relief for release from the facility.

8 (5) If, at the end of the period of time that the principal or
9 the principal's agent, if any, has consented to voluntary inpatient
10 treatment, but no more than (~~fourteen~~) 14 days after admission, the
11 principal has not regained capacity or has regained capacity but
12 refuses to consent to remain for additional treatment, the principal
13 must be released during reasonable daylight hours, unless detained
14 under chapter 71.05 or 71.34 RCW.

15 (6) (a) Except as provided in (b) of this subsection, any
16 principal who is voluntarily admitted to inpatient (~~mental~~)
17 behavioral health treatment under this chapter shall have all the
18 rights provided to individuals who are voluntarily admitted to
19 inpatient treatment under chapter 71.05, 71.34, or 72.23 RCW.

20 (b) Notwithstanding RCW 71.05.050 regarding consent to inpatient
21 treatment for a specified length of time, the choices an
22 incapacitated principal expressed in his or her directive shall
23 control, provided, however, that a principal who takes action
24 demonstrating a desire to be discharged, in addition to making
25 statements requesting to be discharged, shall be discharged, and no
26 principal shall be restrained in any way in order to prevent his or
27 her discharge. Nothing in this subsection shall be construed to
28 prevent detention and evaluation for civil commitment under chapter
29 71.05 RCW.

30 (7) Consent to inpatient admission in a directive is effective
31 only while the professional person, health care provider, and health
32 care facility are in substantial compliance with the material
33 provisions of the directive related to inpatient treatment.

34 **Sec. 14.** RCW 71.32.170 and 2003 c 283 s 17 are each amended to
35 read as follows:

36 (1) For the purposes of this section, "provider" means a private
37 or public agency, government entity, health care provider,
38 professional person, health care facility, or person acting under the

1 direction of a health care provider or professional person, health
2 care facility, or long-term care facility.

3 (2) A provider is not subject to civil liability or sanctions for
4 unprofessional conduct under the uniform disciplinary act, chapter
5 18.130 RCW, when in good faith and without negligence:

6 (a) The provider provides treatment to a principal in the absence
7 of actual knowledge of the existence of a directive, or provides
8 treatment pursuant to a directive in the absence of actual knowledge
9 of the revocation of the directive;

10 (b) A health care provider or mental health professional
11 determines that the principal is or is not incapacitated for the
12 purpose of deciding whether to proceed according to a directive, and
13 acts upon that determination;

14 (c) The provider administers or does not administer (~~mental~~)
15 behavioral health treatment according to the principal's directive in
16 good faith reliance upon the validity of the directive and the
17 directive is subsequently found to be invalid;

18 (d) The provider does not provide treatment according to the
19 directive for one of the reasons authorized under RCW 71.32.150; or

20 (e) The provider provides treatment according to the principal's
21 directive.

22 **Sec. 15.** RCW 71.32.180 and 2016 c 209 s 411 are each amended to
23 read as follows:

24 (1) Where an incapacitated principal has executed more than one
25 valid directive and has not revoked any of the directives:

26 (a) The directive most recently created shall be treated as the
27 principal's (~~mental~~) behavioral health treatment preferences and
28 instructions as to any inconsistent or conflicting provisions, unless
29 provided otherwise in either document.

30 (b) Where a directive executed under this chapter is inconsistent
31 with a directive executed under any other chapter, the most recently
32 created directive controls as to the inconsistent provisions.

33 (2) Where an incapacitated principal has appointed more than one
34 agent under chapter 11.125 RCW with authority to make (~~mental~~)
35 behavioral health treatment decisions, RCW 11.125.400 controls.

36 (3) The treatment provider shall inquire of a principal whether
37 the principal is subject to any court orders that would affect the
38 implementation of his or her directive.

1 **Sec. 16.** RCW 71.32.210 and 2003 c 283 s 21 are each amended to
2 read as follows:

3 The fact that a person has executed a directive does not
4 constitute an indication of (~~mental~~) behavioral health disorder or
5 that the person is not capable of providing informed consent.

6 **Sec. 17.** RCW 71.32.220 and 2003 c 283 s 22 are each amended to
7 read as follows:

8 A person shall not be required to execute or to refrain from
9 executing a directive, nor shall the existence of a directive be used
10 as a criterion for insurance, as a condition for receiving (~~mental~~)
11 behavioral or physical health services, or as a condition of
12 admission to or discharge from a health care facility or long-term
13 care facility.

14 **Sec. 18.** RCW 71.32.250 and 2016 c 155 s 15 are each amended to
15 read as follows:

16 (1) If a principal who is a resident of a long-term care facility
17 is admitted to inpatient (~~mental~~) behavioral health treatment
18 pursuant to his or her directive, the principal shall be allowed to
19 be readmitted to the same long-term care facility as if his or her
20 inpatient admission had been for a physical condition on the same
21 basis that the principal would be readmitted under state or federal
22 statute or rule when:

23 (a) The treating facility's professional staff determine that
24 inpatient (~~mental~~) behavioral health treatment is no longer
25 medically necessary for the resident. The determination shall be made
26 in writing by a psychiatrist, physician assistant working with a
27 supervising psychiatrist, or a psychiatric advanced registered nurse
28 practitioner, or (i) one physician and a mental health professional
29 or substance use disorder professional; (ii) one physician assistant
30 and a mental health professional or substance use disorder
31 professional; or (iii) one psychiatric advanced registered nurse
32 practitioner and a mental health professional or substance use
33 disorder professional; or

34 (b) The person's consent to admission in his or her directive has
35 expired.

36 (2)(a) If the long-term care facility does not have a bed
37 available at the time of discharge, the treating facility may
38 discharge the resident, in consultation with the resident and agent

1 if any, and in accordance with a medically appropriate discharge
2 plan, to another long-term care facility.

3 (b) This section shall apply to inpatient (~~mental~~) behavioral
4 health treatment admission of long-term care facility residents,
5 regardless of whether the admission is directly from a facility,
6 hospital emergency room, or other location.

7 (c) This section does not restrict the right of the resident to
8 an earlier release from the inpatient treatment facility. This
9 section does not restrict the right of a long-term care facility to
10 initiate transfer or discharge of a resident who is readmitted
11 pursuant to this section, provided that the facility has complied
12 with the laws governing the transfer or discharge of a resident.

13 (3) The joint legislative audit and review committee shall
14 conduct an evaluation of the operation and impact of this section.
15 The committee shall report its findings to the appropriate committees
16 of the legislature by December 1, 2004.

17 **Sec. 19.** RCW 71.32.260 and 2016 c 209 s 413 and 2016 c 155 s 16
18 are each reenacted and amended to read as follows:

19 The directive shall be in substantially the following form:

20 ~~((Mental Health Advance Directive~~

21 **NOTICE TO PERSONS**

22 **CREATING A MENTAL HEALTH ADVANCE DIRECTIVE**

23 This is an important legal document. It creates an advance directive for mental health treatment. Before signing this
24 document you should know these important facts:

25 (1) This document is called an advance directive and allows you to make decisions in advance about your mental health
26 treatment, including medications, short-term admission to inpatient treatment and electroconvulsive therapy.

27 **~~YOU DO NOT HAVE TO FILL OUT OR SIGN THIS FORM.~~**

28 **~~IF YOU DO NOT SIGN THIS FORM, IT WILL NOT TAKE EFFECT.~~**

29 If you choose to complete and sign this document, you may still decide to leave some items blank.

30 (2) You have the right to appoint a person as your agent to make treatment decisions for you. You must notify your agent
31 that you have appointed him or her as an agent. The person you appoint has a duty to act consistently with your wishes
32 made known by you. If your agent does not know what your wishes are, he or she has a duty to act in your best interest.
33 Your agent has the right to withdraw from the appointment at any time.

1 (3) The instructions you include with this advance directive and the authority you give your agent to act will only become
2 effective under the conditions you select in this document. You may choose to limit this directive and your agent's authority
3 to times when you are incapacitated or to times when you are exhibiting symptoms or behavior that you specify. You may
4 also make this directive effective immediately. No matter when you choose to make this directive effective, your treatment
5 providers must still seek your informed consent at all times that you have capacity to give informed consent.

6 (4) You have the right to revoke this document in writing at any time you have capacity.

7 **YOU MAY NOT REVOKE THIS DIRECTIVE WHEN YOU HAVE BEEN FOUND TO BE**
8 **INCAPACITATED UNLESS YOU HAVE SPECIFICALLY STATED IN THIS DIRECTIVE THAT**
9 **YOU WANT IT TO BE REVOCABLE WHEN YOU ARE INCAPACITATED.**

10 (5) This directive will stay in effect until you revoke it unless you specify an expiration date. If you specify an expiration
11 date and you are incapacitated at the time it expires, it will remain in effect until you have capacity to make treatment
12 decisions again unless you chose to be able to revoke it while you are incapacitated and you revoke the directive.

13 (6) You cannot use your advance directive to consent to civil commitment. The procedures that apply to your advance
14 directive are different than those provided for in the Involuntary Treatment Act. Involuntary treatment is a different
15 process.

16 (7) If there is anything in this directive that you do not understand, you should ask a lawyer to explain it to you.

17 (8) You should be aware that there are some circumstances where your provider may not have to follow your directive.

18 (9) You should discuss any treatment decisions in your directive with your provider.

19 (10) You may ask the court to rule on the validity of your directive.

20
21 **PART I.**

22 **STATEMENT OF INTENT TO CREATE A**
23 **MENTAL HEALTH ADVANCE DIRECTIVE**

24 I, being a person with capacity, willfully and voluntarily execute this mental health advance directive so that
25 my choices regarding my mental health care will be carried out in circumstances when I am unable to express my
26 instructions and preferences regarding my mental health care. If a guardian is appointed by a court to make mental health
27 decisions for me, I intend this document to take precedence over all other means of ascertaining my intent.

28 The fact that I may have left blanks in this directive does not affect its validity in any way. I intend that all completed
29 sections be followed. If I have not expressed a choice, my agent should make the decision that he or she determines is in
30 my best interest. I intend this directive to take precedence over any other directives I have previously executed, to the
31 extent that they are inconsistent with this document, or unless I expressly state otherwise in either document.

32 I understand that I may revoke this directive in whole or in part if I am a person with capacity. I understand that I cannot
33 revoke this directive if a court, two health care providers, or one mental health professional and one health care provider
34 find that I am an incapacitated person, unless, when I executed this directive, I chose to be able to revoke this directive
35 while incapacitated.

1 I understand that, except as otherwise provided in law, revocation must be in writing. I understand that nothing in this
2 directive, or in my refusal of treatment to which I consent in this directive, authorizes any health care provider, professional
3 person, health care facility, or agent appointed in this directive to use or threaten to use abuse, neglect, financial
4 exploitation, or abandonment to carry out my directive.

5 I understand that there are some circumstances where my provider may not have to follow my directive.

6
7 **PART II.**

8 **WHEN THIS DIRECTIVE IS EFFECTIVE**

9 *YOU MUST COMPLETE THIS PART FOR YOUR DIRECTIVE TO BE VALID.*

10 I intend that this directive become effective (*YOU MUST CHOOSE ONLY ONE*):

11 Immediately upon my signing of this directive.

12 If I become incapacitated.

13 When the following circumstances, symptoms, or behaviors occur:

14
15 **PART III.**

16 **DURATION OF THIS DIRECTIVE**

17 *YOU MUST COMPLETE THIS PART FOR YOUR DIRECTIVE TO BE VALID.*

18 I want this directive to (*YOU MUST CHOOSE ONLY ONE*):

19 Remain valid and in effect for an indefinite period of time.

20 Automatically expire years from the date it was created.

21
22 **PART IV.**

23 **WHEN I MAY REVOKE THIS DIRECTIVE**

24 *YOU MUST COMPLETE THIS PART FOR THIS DIRECTIVE TO BE VALID.*

25 I intend that I be able to revoke this directive (*YOU MUST CHOOSE ONLY ONE*):

26 Only when I have capacity.

27 I understand that choosing this option means I may only revoke this directive if I have capacity. I further understand that if
28 I choose this option and become incapacitated while this directive is in effect, I may receive treatment that I specify in this
29 directive, even if I object at the time.

30 Even if I am incapacitated.

31 I understand that choosing this option means that I may revoke this directive even if I am incapacitated. I further
32 understand that if I choose this option and revoke this directive while I am incapacitated I may not receive treatment that I
33 specify in this directive, even if I want the treatment.

18 risks, and alternatives to the proposed treatment, including
19 nontreatment, and reach an informed decision as a result of cognitive
20 impairment; and the health care provider documents the basis for the
21 determination in the medical record. An adult person is presumed not
22 to have the capacity to make a health care decision if the person is
23 subject to a guardianship that includes health care decision making
24 under RCW 11.130.265.

25 (a) Persons authorized to provide informed consent to health care

37 directive under chapter 71.34 RCW;

38 (iv) The patient's spouse or state registered domestic partner;

6 familiar with the patient;

7 (~~(viii)~~) (ix) Adult nieces and nephews of the patient who are
8 familiar with the patient;

9 (~~(ix)~~) (x) Adult aunts and uncles of the patient who are

20 (V) Provides a declaration under (a)(~~(x)~~) (xi) (B) of this
21 subsection.

23 this subsection shall provide a declaration, which is effective for
24 up to six months from the date of the declaration, signed and dated
25 under penalty of perjury pursuant to chapter 5.50 RCW, that recites

12 competent person in the first or succeeding class and finds no such
13 person available, authorization may be given by any person in the
14 next class in the order of descending priority. However, no person
15 under this section may provide informed consent to health care:

16 (i) If a person of higher priority under this section has refused
17 to give such authorization; or

18 (ii) If there are two or more individuals in the same class and
19 the decision is not unanimous among all available members of that
20 class.

21 (c) Before any person authorized to provide informed consent on
22 behalf of a patient who ~~((has been placed under a guardianship under

27 proposed health care. If such a determination cannot be made, the
28 decision to consent to the proposed health care may be made only
29 after determining that the proposed health care is in the patient's
30 best interests. This subsection (1)(c) does not apply to informed
31 consent provided on behalf of a patient who has not reached the age
32 of consent required to make a particular health care decision.

33 (d) No rights under Washington's death with dignity act, chapter
34 70.245 RCW, may be exercised through a person authorized to provide

2 from a person authorized to consent on behalf of such a patient.

11 subsection (2)(b) must provide to the person rendering care a
12 declaration signed and dated under penalty of perjury pursuant to
13 chapter 5.50 RCW stating that the person is a school nurse, school
14 counselor, or homeless student liaison and that the minor patient
15 meets the elements under (b)(i) of this subsection. The declaration
16 must also include written notice of the exemption from liability
17 under (b)(ii) of this subsection.

18 (c) A health care provider may, but is not required to, rely on
19 the representations or declaration of a person claiming to be a
20 relative responsible for the care of the minor patient, under (a)(v)
21 of this subsection, or a person claiming to be authorized to consent
22 to the health care of the minor patient under (b) of this subsection,
23 if the health care provider does not have actual notice of the
24 falsity of any of the statements made by the person claiming to be a
25 relative responsible for the health care of the minor patient, or
26 person claiming to be authorized to consent to the health care of the
27 minor patient.

28 (d) A health care facility or a health care provider may, in its
29 discretion, require documentation of a person's claimed status as
30 being a relative responsible for the health care of the minor
31 patient, or a person claiming to be authorized to consent to the
32 health care of the minor patient under (b) of this subsection.
33 However, there is no obligation to require such documentation.

34 (e) The health care provider or health care facility where
35 services are rendered shall be immune from suit in any action, civil
36 or criminal, or from professional or other disciplinary action when
37 such reliance is based on a declaration signed under penalty of
38 perjury pursuant to chapter 5.50 RCW stating that the adult person is
39 a relative responsible for the health care of the minor patient under
40 (a)(v) of this subsection, or a person claiming to be authorized to

1 consent to the health care of the minor patient under (b) of this
2 subsection.

3 (3) For the purposes of this section, "health care," "health care
4 provider," and "health care facility" shall be defined as established
5 in RCW 70.02.010.

6 (4) A person who knowingly provides a false declaration under
7 this section shall be subject to criminal penalties under chapter
8 9A.72 RCW.

23 (g) Consultation about the formation of a mental health advance
24 directive under chapter 71.32 RCW; and

29 following additional services:

30 (a) Medication management;

31 (b) Psychotherapy;

32 (c) Nursing;

33 (d) Substance abuse counseling;

34 (e) Residential treatment; and

35 (f) Support for housing, benefits, education, and employment.

36 (3) If the minor was provided with involuntary medication during
37 the involuntary commitment period, the less restrictive alternative
38 treatment order may authorize the less restrictive alternative
39 treatment provider or its designee to administer involuntary

1 antipsychotic medication to the person if the provider has attempted
2 and failed to obtain the informed consent of the person and there is
3 a concurring medical opinion approving the medication by a
4 psychiatrist, physician assistant working with a supervising
5 psychiatrist, psychiatric advanced registered nurse practitioner, or
6 physician or physician assistant in consultation with an independent
7 mental health professional with prescribing authority.

8 (4) Less restrictive alternative treatment must be administered
9 by a provider that is certified or licensed to provide or coordinate
10 the full scope of services required under the less restrictive
11 alternative order and that has agreed to assume this responsibility.

12 (5) The care coordinator assigned to a minor ordered to less
13 restrictive alternative treatment must submit an individualized plan

17 upon any subsequent modification in which a type of service is
18 removed from or added to the treatment plan.

19 (6) For the purpose of this section, "care coordinator" means a
20 clinical practitioner who coordinates the activities of less
21 restrictive alternative treatment. The care coordinator coordinates
22 activities with the designated crisis responders that are necessary
23 for enforcement and continuation of less restrictive alternative

25 activities with other agencies and establishing and maintaining a
26 therapeutic relationship with the individual on a continuing basis.

EFFECT: Clarifies that mental health advance directives do not
undermine the right of a parent to seek a behavioral health
evaluation and treatment for a nonconsenting adolescent using family-
initiated treatment laws. Adds an agent designated to make decisions
on behalf of the principal by a mental health advance directive to
the priority list of persons who are authorized to provide informed
consent for health care on behalf on another.
