By Senator Short

WITHDRAWN 02/26/2021

1       On page 5, line 21, after "subsection" insert "and the public  
2 utility district may not pursue the proposed project in the unserved  
3 area"

4       On page 5, line 23, after "area" insert "and a project may  
5 proceed if the parties reach a mutually agreeable resolution through  
6 mediation"

7       On page 9, line 13, after "subsection" insert "and the port  
8 district may not pursue the proposed project in the unserved area"

9       On page 9, line 15, after "area" insert "and a project may  
10 proceed if the parties reach a mutually agreeable resolution through  
11 mediation"

EFFECT: Clarifies that a public utility district or port district may not pursue a proposed project in an unserved area if an existing service provider has submitted the required letter and broadband service plan. Clarifies the mediation process.
