- 1        On page 2, line 6, after "or of" strike "any other person" and  
2        insert "the person's family"

EFFECT: Clarifies the crime of cyber harassment when it involves threats to damage property; removes language related to threats to damage "the property of the person threatened or of any other person" and replaces it with threats to damage "the property of the person threatened or of the person's family."
