2SSB 5662 - S AMD 1109
     By Senator Gildon

WITHDRAWN 02/14/2022

 1   On page 2, beginning on line 2, after "compassion." strike all
 2 material through "stability." on line 5 and insert "The legislature
 3 recognizes the need to ensure taxpayer dollars are used for maximum
 4 effect and, therefore, intends to closely monitor actions taken to
 5 engage with persons experiencing homelessness to remediate primary
 6 drivers of homelessness."

 7   On page 4, line 14, after "system." insert "The team must create
 8 and maintain a report for each encampment engaged. The report must
 9 include, at a minimum, the date and time of the engagement, the
10 location of the encampment, and a summary of the engagement,
11 including the number of encamped persons at that location, the number
12 of encamped persons contacted, any services offered to such encamped
13 persons, and any other data deemed relevant by the office. The report
14 must not reveal the personally identifiable information of encamped
15 persons."

     EFFECT: (1) Adds language reflecting the legislature's intent to
closely monitor any actions taken to engage with persons experiencing
homelessness.
     (2) Adds encampment engaging reporting requirements for the data
analysis team.
