Summary of Bill: DSHS is to provide transitional food assistance for five months to a household that ceases to receive TANF and is not in full-family sanction status.

Appropriation: None.

Fiscal Note: Available.

Creates Committee/Commission/Task Force that includes Legislative members: No.

Effective Date: Ninety days after adjournment of session in which bill is passed.

Staff Summary of Public Testimony: PRO: TFA is a safety net to help families transition off of public assistance. It's so easy to make \$0.01 too much and then just get cut off benefits which leaves families in a worse position. This bill makes sure we are feeding hungry kids. With the pandemic, families are struggling even more to meet their basic needs and families with kids are the most unstable. Federal law has changed and allows for transitional food provided the family is not in full-family sanction status however an amendment is needed to provide an effective date.

Persons Testifying: PRO: Senator Liz Lovelett, Prime Sponsor; Claire Lane, Anti-Hunger & Nutrition Coalition; Babs Roberts, Department of Social and Health Services, Economic Services Administration.

Persons Signed In To Testify But Not Testifying: No one.
