1 AN ACT Relating to reducing homelessness for youth and young
2 adults discharging from a publicly funded system of care; adding a
3 new section to chapter 43.216 RCW; adding new sections to chapter
4 43.330 RCW; creating new sections; providing an effective date; and
5 providing an expiration date.

6 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF WASHINGTON:

7 NEW SECTION. **Sec. 1.** (1) The legislature finds that young
8 people discharging from publicly funded systems of care are at
9 increased risk of homelessness. Youth and young adults experiencing
10 homelessness face traumatic events at a higher rate than their peers
11 who have stable housing. Homelessness has long-term impacts on brain
12 development and well-being and creates barriers to education and
13 employment.

14 (2) RCW 43.330.720 establishes a goal that any unaccompanied
15 youth discharged from a publicly funded system of care in our state
16 will be discharged into safe and stable housing. The office of
17 homeless youth prevention and protection programs and the department
18 of children, youth, and families published the improving stability
19 for youth exiting systems of care report in 2020 outlining steps to
20 achieve this goal. These steps provide a multipronged approach to

1 ensure youth exit publicly funded systems of care into safe and
2 stable housing, including:

3 (a) System-level support while youth are in the custody of
4 publicly funded systems of care to ensure effective transition from
5 care;

6 (b) Community-level connections and services to provide support
7 when youth transition back to the community; and

8 (c) Resources to secure and maintain stable housing.

9 (3) The legislature intends to implement community services,
10 system response, and flexible resources to support the goal
11 established under RCW 43.330.720 that youth discharged from publicly
12 funded systems of care are discharged into safe and stable housing
13 with the appropriate supports in place to provide a strong footing.

14 NEW SECTION. **Sec. 2.** A new section is added to chapter 43.216
15 RCW to read as follows:

16 (1) The department, in coordination with the office of homeless
17 youth prevention and protection programs, the department of social
18 and health services, and the health care authority, shall develop and
19 implement a rapid response team that is prepared to respond
20 appropriately to support youth and young adults exiting a publicly
21 funded system of care. As part of the development and implementation
22 of the rapid response team, the department shall develop and
23 implement a system for:

24 (a) Identifying youth and young adults that should be served by
25 the rapid response team;

26 (b) Initiating use of the rapid response team in a timely manner
27 that will allow for the best possible transition planning; and

28 (c) Locating services and connecting youth and young adults with
29 those services to establish stability.

30 (2) The rapid response team developed under this section may
31 provide assistance and support to youth and young adults who are at
32 risk of becoming homeless and who are exiting a publicly funded
33 system of care with the goal of securing appropriate housing and
34 other supports for the youth or young adult. If there is no housing
35 identified for a youth or young adult upon exit, the rapid response
36 team shall meet before a youth or young adult transitions out of a
37 publicly funded system of care to allow the youth or young adult to
38 better prepare for the exit. The assistance and support provided
39 under this subsection should occur as soon as possible, particularly

1 if a youth or young adult presents risk factors that place the youth
2 at higher risk of possible homelessness.

3 (3) Any of the following individuals may refer a youth or young
4 adult to the rapid response team:

- 5 (a) A youth or young adult themselves;
- 6 (b) A family member of a youth or young adult;
- 7 (c) An advocate for a youth or young adult;
- 8 (d) An educator;
- 9 (e) A law enforcement officer;
- 10 (f) An employee of the department or the office of homeless youth
11 prevention and protection programs;
- 12 (g) A service provider contracting with or licensed by the
13 department;
- 14 (h) A behavioral health service provider serving a youth or young
15 adult; or
- 16 (i) A service provider contracting with the office of homeless
17 youth prevention and protection programs.

18 (4) For the purposes of this section:

19 (a) "Publicly funded system of care" has the same meaning as
20 provided in RCW 43.330.720;

21 (b) "Rapid response team" means a team of representatives from
22 relevant state agencies that meet to respond to complex cases
23 involving a youth or young adult located anywhere in the state
24 exiting a publicly funded system of care to support those youth or
25 young adults with the goal of securing appropriate housing and other
26 supports for the youth or young adult. Services and supports under
27 this section must incorporate youth or young adult voice and choice.
28 The services under this section must be responsive to the individual
29 needs of each youth or young adult and may include, but are not
30 limited to:

- 31 (i) Behavioral health services;
- 32 (ii) Civil legal aid;
- 33 (iii) Peer support;
- 34 (iv) Family reconciliation or engagement services;
- 35 (v) Employment support;
- 36 (vi) Education support;
- 37 (vii) Case management;
- 38 (viii) Housing and financial support; or
- 39 (ix) Other navigation support to secure safe and stable housing;

40 and

1 (c) "Youth" and "young adult" have the same meaning as provided
2 in RCW 43.330.702.

3 (5) By November 1, 2023, and annually thereafter, the department,
4 in coordination with the office of homeless youth prevention and
5 protection programs shall provide a report to the legislature and the
6 governor including data and recommendations related to the rapid
7 response team created in this section. The report required under this
8 subsection must be submitted in compliance with RCW 43.01.036. The
9 report required under this subsection must include the following:

10 (a) The number of people referred to the rapid response team and
11 the types of people making referrals to the rapid response team;

12 (b) The demographic data of the people served by the rapid
13 response team;

14 (c) The types of services identified as needed for the people
15 served by the rapid response team;

16 (d) The availability of the services identified as needed for the
17 people served by the rapid response team; and

18 (e) The barriers identified to adequately address the needs of
19 people referred to the rapid response team and recommendations to
20 address those barriers.

7 25.

8 (3) The office of homeless youth prevention and protection
9 programs shall make training available to publicly funded systems of
