12 department must round the result to the next lower multiple of one
13 dollar.

14 (7) (a) "Employer" means: (i) Any individual or type of
15 organization, including any partnership, association, trust, estate,
16 joint stock company, insurance company, limited liability company, or

31 an individual's entire service performed within or without or both
32 within and without this state, if:

24 performed outside of all the places of business of the enterprises
25 for which such service is performed, or the individual is
26 responsible, both under the contract and in fact, for the costs of
27 the principal place of business from which the service is performed;
28 and

29 (III) Such individual is customarily engaged in an independently
30 established trade, occupation, profession, or business, of the same

2 reasonable period after the effective date of the contract, such
3 individual has established an account with the department of revenue,
4 and other state agencies as required by the particular case, for the
5 business the individual is conducting for the payment of all state
6 taxes normally paid by employers and businesses and has registered
7 for and received a unified business identifier number from the state
8 of Washington; and

9 (VI) On the effective date of the contract of service, such
10 individual is maintaining a separate set of books or records that
11 reflect all items of income and expenses of the business which the
12 individual is conducting; or

13 (iv) Services that require registration under chapter 18.27 RCW
14 or licensing under chapter 19.28 RCW rendered by an individual when:

15 (A) The individual has been and will continue to be free from
16 control or direction over the performance of the service, both under
17 the contract of service and in fact;

18 (B) The service is either outside the usual course of business
19 for which the service is performed, or the service is performed
20 outside of all the places of business of the enterprise for which the

31 (D) On the effective date of the contract of service, the
32 individual is responsible for filing at the next applicable filing
33 period, both under the contract of service and in fact, a schedule of

10 individual has a valid contractor registration pursuant to chapter
11 18.27 RCW or an electrical contractor license pursuant to chapter
12 19.28 RCW.

13 (9) "Employment benefits" means all benefits provided or made
14 available to employees by an employer, including group life
15 insurance, health insurance, disability insurance, sick leave, annual
16 leave, educational benefits, and pensions.

17 (10) "Family leave" means any leave taken by an employee from
18 work:

19 (a) To participate in providing care, including physical or
20 psychological care, for a family member of the employee made
21 necessary by a serious health condition of the family member;

22 (b) To bond with the employee's child during the first twelve
23 months after the child's birth, or the first twelve months after the
24 placement of a child under the age of eighteen with the employee; or

25 (c) Because of any qualifying exigency as permitted under the
26 federal family and medical leave act, 29 U.S.C. Sec. 2612(a)(1)(E)
27 and 29 C.F.R. Sec. 825.126(b)(1) through (9), as they existed on
28 October 19, 2017, for family members as defined in subsection
29 (~~(10)~~) (11) of this section.

30 (11) "Family member" means a child, grandchild, grandparent,
31 parent, sibling, or spouse of an employee, and also includes any
32 individual who regularly resides in the employee's home or where the
33 relationship creates an expectation that the employee care for the
34 person, and that individual depends on the employee for care.

35 (12) "Grandchild" means a child of the employee's child.

36 (13) "Grandparent" means a parent of the employee's parent.

37 (14) "Health care provider" means: (a) A person licensed as a
38 physician under chapter 18.71 RCW or an osteopathic physician and
39 surgeon under chapter 18.57 RCW; (b) a person licensed as an advanced
40 registered nurse practitioner under chapter 18.79 RCW; or (c) any

1 other person determined by the commissioner to be capable of
2 providing health care services.

3 (15) "Medical leave" means any leave taken by an employee from
4 work made necessary by the employee's own serious health condition.

5 (16) "Paid time off" includes vacation leave, personal leave,
6 medical leave, sick leave, compensatory leave, or any other paid
7 leave offered by an employer under the employer's established policy.

8 (17) "Parent" means the biological, adoptive, de facto, or foster
9 parent, stepparent, or legal guardian of an employee or the
10 employee's spouse, or an individual who stood in loco parentis to an
11 employee when the employee was a child.

12 (18) "Period of incapacity" means an inability to work, attend
13 school, or perform other regular daily activities because of a
14 serious health condition, treatment of that condition or recovery
15 from it, or subsequent treatment in connection with such inpatient
16 care.

17 (19) "Premium" or "premiums" means the payments required by RCW
18 50A.10.030 and paid to the department for deposit in the family and
19 medical leave insurance account under RCW 50A.05.070.

20 (20) "Qualifying period" means the first four of the last five
21 completed calendar quarters or, if eligibility is not established,
22 the last four completed calendar quarters immediately preceding the
23 application for leave.

24 (21)(a) "Remuneration" means all compensation paid for personal
25 services including commissions and bonuses and the cash value of all
26 compensation paid in any medium other than cash.

27 (b) Previously accrued compensation, other than severance pay or
28 payments received pursuant to plant closure agreements, when assigned
29 to a specific period of time by virtue of a collective bargaining
30 agreement, individual employment contract, customary trade practice,
31 or request of the individual compensated, is considered remuneration
32 for the period to which it is assigned. Assignment clearly occurs
33 when the compensation serves to make the individual eligible for all
34 regular fringe benefits for the period to which the compensation is
35 assigned.

36 (c) Remuneration also includes settlements or other proceeds
37 received by an individual as a result of a negotiated settlement for
38 termination of an individual written employment contract prior to its
39 expiration date. The proceeds are deemed assigned in the same

1 intervals and in the same amount for each interval as compensation
2 was allocated under the contract.

3 (d) Remuneration does not include:

4 (i) The payment of tips;

5 (ii) Supplemental benefit payments made by an employer to an
6 employee in addition to any paid family or medical leave benefits
7 received by the employee; or

8 (iii) Payments to members of the armed forces of the United
9 States, including the organized militia of the state of Washington,
10 for the performance of duty for periods not exceeding seventy-two
11 hours at a time.

12 (22)(a) "Serious health condition" means an illness, injury,
13 impairment, or physical or mental condition that involves:

14 (i) Inpatient care in a hospital, hospice, or residential medical
15 care facility, including any period of incapacity; or

16 (ii) Continuing treatment by a health care provider. A serious
17 health condition involving continuing treatment by a health care
18 provider includes any one or more of the following:

19 (A) A period of incapacity of more than three consecutive, full
20 calendar days, and any subsequent treatment or period of incapacity
21 relating to the same condition, that also involves:

22 (I) Treatment two or more times, within thirty days of the first
23 day of incapacity, unless extenuating circumstances exist, by a
24 health care provider, by a nurse or physician's assistant under
25 direct supervision of a health care provider, or by a provider of
26 health care services, such as a physical therapist, under orders of,
27 or on referral by, a health care provider; or

28 (II) Treatment by a health care provider on at least one occasion
29 which results in a regimen of continuing treatment under the
30 supervision of the health care provider;

31 (B) Any period of incapacity due to pregnancy, or for prenatal
32 care;

33 (C) Any period of incapacity or treatment for such incapacity due
34 to a chronic serious health condition. A chronic serious health
35 condition is one which:

36 (I) Requires periodic visits, defined as at least twice a year,
37 for treatment by a health care provider, or by a nurse under direct
38 supervision of a health care provider;

39 (II) Continues over an extended period of time, including
40 recurring episodes of a single underlying condition; and

1 (III) May cause episodic rather than a continuing period of
2 incapacity, including asthma, diabetes, and epilepsy;

3 (D) A period of incapacity which is permanent or long term due to
4 a condition for which treatment may not be effective. The employee or
5 family member must be under the continuing supervision of, but need
6 not be receiving active treatment by, a health care provider,
7 including Alzheimer's, a severe stroke, or the terminal stages of a
8 disease; or

9 (E) Any period of absence to receive multiple treatments,
10 including any period of recovery from the treatments, by a health
11 care provider or by a provider of health care services under orders
12 of, or on referral by, a health care provider, either for: (I)
13 Restorative surgery after an accident or other injury; or (II) a
14 condition that would likely result in a period of incapacity of more
15 than three consecutive, full calendar days in the absence of medical
16 intervention or treatment, such as cancer, severe arthritis, or
17 kidney disease.

18 (b) The requirement in (a)(i) and (ii) of this subsection for
19 treatment by a health care provider means an in-person visit to a
20 health care provider. The first, or only, in-person treatment visit
21 must take place within seven days of the first day of incapacity.

22 (c) Whether additional treatment visits or a regimen of
23 continuing treatment is necessary within the thirty-day period shall
24 be determined by the health care provider.

25 (d) The term extenuating circumstances in (a)(ii)(A)(I) of this
26 subsection means circumstances beyond the employee's control that
27 prevent the follow-up visit from occurring as planned by the health
28 care provider. Whether a given set of circumstances are extenuating
29 depends on the facts. For example, extenuating circumstances exist if
30 a health care provider determines that a second in-person visit is
31 needed within the thirty-day period, but the health care provider
32 does not have any available appointments during that time period.

33 (e) Treatment for purposes of (a) of this subsection includes,
34 but is not limited to, examinations to determine if a serious health
35 condition exists and evaluations of the condition. Treatment does not
36 include routine physical examinations, eye examinations, or dental
37 examinations. Under (a)(ii)(A)(II) of this subsection, a regimen of
38 continuing treatment includes, but is not limited to, a course of
39 prescription medication, such as an antibiotic, or therapy requiring
40 special equipment to resolve or alleviate the health condition, such

1 as oxygen. A regimen of continuing treatment that includes taking
2 over-the-counter medications, such as aspirin, antihistamines, or
3 salves, or bed rest, drinking fluids, exercise, and other similar
4 activities that can be initiated without a visit to a health care
5 provider, is not, by itself, sufficient to constitute a regimen of
6 continuing treatment for purposes of this title.

7 (f) Conditions for which cosmetic treatments are administered,
8 such as most treatments for acne or plastic surgery, are not serious
9 health conditions unless inpatient hospital care is required or
10 unless complications develop. Ordinarily, unless complications arise,
11 the common cold, the flu, ear aches, upset stomach, minor ulcers,
12 headaches other than migraines, routine dental or orthodontia
13 problems, and periodontal disease are examples of conditions that are
14 not serious health conditions and do not qualify for leave under this
15 title. Restorative dental or plastic surgery after an injury or
16 removal of cancerous growths are serious health conditions provided
17 all the other conditions of this section are met. Mental illness
18 resulting from stress or allergies may be serious health conditions,
19 but only if all the conditions of this section are met.

20 (g)(i) Substance abuse may be a serious health condition if the
21 conditions of this section are met. However, leave may only be taken
22 for treatment for substance abuse by a health care provider or by a
23 licensed substance abuse treatment provider. Absence because of the
24 employee's use of the substance, rather than for treatment, does not
25 qualify for leave under this title.

26 (ii) Treatment for substance abuse does not prevent an employer
27 from taking employment action against an employee. The employer may
28 not take action against the employee because the employee has
29 exercised his or her right to take medical leave for treatment.
30 However, if the employer has an established policy, applied in a
31 nondiscriminatory manner that has been communicated to all employees,
32 that provides under certain circumstances an employee may be
33 terminated for substance abuse, pursuant to that policy the employee
34 may be terminated whether or not the employee is presently taking
35 medical leave. An employee may also take family leave to care for a
36 covered family member who is receiving treatment for substance abuse.
37 The employer may not take action against an employee who is providing
38 care for a covered family member receiving treatment for substance
39 abuse.

1 (h) Absences attributable to incapacity under (a)(ii)(B) or (C)
2 of this subsection qualify for leave under this title even though the
3 employee or the family member does not receive treatment from a
4 health care provider during the absence, and even if the absence does
5 not last more than three consecutive, full calendar days. For
6 example, an employee with asthma may be unable to report for work due
7 to the onset of an asthma attack or because the employee's health
8 care provider has advised the employee to stay home when the pollen
9 count exceeds a certain level. An employee who is pregnant may be
10 unable to report to work because of severe morning sickness.

11 (23) "Service is localized in this state" has the same meaning as
12 described in RCW 50.04.120.

13 (24) "Spouse" means a husband or wife, as the case may be, or
14 state registered domestic partner.

15 (25) "State average weekly wage" means the most recent average
16 weekly wage calculated under RCW 50.04.355 and available on January
17 1st of each year.

18 (26) "Supplemental benefit payments" means payments made by an
19 employer to an employee as salary continuation or as paid time off.
20 Such payments must be in addition to any paid family or medical leave
21 benefits the employee is receiving.

22 (27) "Typical workweek hours" means:

23 (a) For an hourly employee, the average number of hours worked
24 per week by an employee within the qualifying period; and

25 (b) Forty hours for a salaried employee, regardless of the number
26 of hours the salaried employee typically works.

27 (28) "Wage" or "wages" means:

28 (a) For the purpose of premium assessment, the remuneration paid
29 by an employer to an employee. The maximum wages subject to a premium
30 assessment are those wages as set by the commissioner under RCW
31 50A.10.030;

32 (b) For the purpose of payment of benefits, the remuneration paid
33 by one or more employers to an employee for employment during the
34 employee's qualifying period. At the request of an employee, wages
35 may be calculated on the basis of remuneration payable. The
36 department shall notify each employee that wages are calculated on
37 the basis of remuneration paid, but at the employee's request a
38 redetermination may be performed and based on remuneration payable;
39 and

1 (c) For the purpose of a self-employed person electing coverage
2 under RCW 50A.10.010, the meaning is defined by rule.

3 **Sec. 2.** RCW 50A.30.010 and 2020 c 125 s 9 are each amended to
4 read as follows:

5 (1) An employer may apply to the commissioner for approval of a
6 voluntary plan for the payment of either family leave benefits or
7 medical leave benefits, or both. The application must be submitted on
8 a form and in the manner as prescribed by the commissioner in rule.
9 The fee for the department's review of each application for approval
10 of a voluntary plan is two hundred fifty dollars.

11 (2) The benefits payable as indemnification for loss of wages
12 under any voluntary plan must be separately stated and designated
13 separately and distinctly in the plan from other benefits, if any.

14 (3) Neither an employee nor his or her employer are liable for
15 any premiums for benefits covered by an approved voluntary plan.

16 (4) An employee may only receive payment of benefits for family
17 leave, medical leave, or both from one approved plan at a time. An
18 employee who qualifies for benefits and is simultaneously covered by
19 more than one plan under this title will receive benefits under the
20 plan for which the employee has worked the most hours during the
21 employee's qualifying period. The commissioner must adopt rules to
22 allow benefits or prevent duplication of benefits to employees
23 simultaneously covered by one or more approved voluntary plans and
24 the state program.

25 (5) The commissioner must approve any voluntary plan as to which
26 the commissioner finds that there is at least one employee in
27 employment and all of the following exist:

28 (a) The benefits afforded to the employees must be at least
29 equivalent to the benefits the employees are entitled to as part of
30 the state's family and medical leave program, including but not
31 limited to the duration of leave. The employer must offer at least
32 one-half of the length of leave as provided in RCW 50A.15.020(3) with
33 pay and provide a monetary payment in an amount equal to or higher
34 than the total amount of monetary benefits the employee would be
35 entitled to receive as part of the state-run program. The employer
36 may offer the same duration of leave and monetary benefits as offered
37 under the state program.

1 (b) The sick leave an employee is entitled to under RCW 49.46.210
2 is in addition to the employer's provided benefits and is in addition
3 to any family or medical leave benefits.

4 (c) The plan is available to all of the eligible employees of the
5 employer employed in this state, including future employees.

6 (d) The employer has agreed to make all required payroll
7 deductions, including that:

8 (i) In the case of plan termination or withdrawal, the employer
9 must remit to the department all required moneys under RCW 50A.30.045
10 and 50A.30.065(3); and

11 (ii) If the employer has an approved voluntary plan for either
12 medical leave or family leave but not both, the employer is still
13 obligated to remit to the department premiums owed to the state plan
14 for the portions not covered by the employer's approved voluntary
15 plan.

16 (e) The plan will be in effect for a period of not less than one
17 year and, thereafter, continuously unless the commissioner finds that
18 the employer has given notice of withdrawal from the plan in a manner
19 specified by the commissioner in rule. The plan may be withdrawn by
20 the employer on the date of any law increasing the benefit amounts or
21 the date of any change in the rate of employee premiums, if notice of
22 the withdrawal from the plan is transmitted to the commissioner not
23 less than thirty days prior to the date of that law or change. If the
24 plan is not withdrawn, it must be amended to conform to provide the
25 increased benefit amount or change in the rate of the employee's
26 premium on the date of the increase or change.

27 (f) The amount of payroll deductions from the wages of an
28 employee in effect for any voluntary plan may not exceed the maximum
29 payroll deduction for that employee as authorized under RCW
30 50A.10.030. The deductions may not be increased on other than an
31 anniversary of the effective date of the plan, except to the extent
32 that any increase in the deductions from the wages of an employee do
33 not exceed the maximum rate authorized under the state program.

34 (g) The voluntary plan provides that an employee of an employer
35 with a voluntary plan for either family leave or medical leave, or
36 both, is eligible for the plan benefits if the employee meets the
37 requirements of RCW 50A.15.010 and has worked at least three hundred
38 forty hours for the employer during the twelve months immediately
39 preceding the date leave will commence.

1 (h) The voluntary plan provides that an employee of an employer
2 with a voluntary plan for either family leave or medical leave, or
3 both, who takes leave under the voluntary plan is entitled to the
4 employment protection provisions contained in RCW 50A.35.010 if the
5 employee has worked for the employer for at least (~~nine months and~~
6 ~~nine hundred sixty-five hours during the twelve months immediately~~
7 ~~preceding the date leave will commence~~) 90 days.

8 (i) The voluntary plan provides that the employer maintains the
9 employee's existing health benefits (~~as provided under RCW~~
10 ~~50A.35.020~~) if the employee has worked for the employer for at least
11 90 days.

12 (6) (a) The department must conduct a review of the expenses
13 incurred in association with the administration of the voluntary
14 plans during the first three years after implementation and report
15 its findings to the legislature.

16 (b) The review must include an analysis of the adequacy of the
17 fee in subsection (1) of this section to cover the department's
18 administrative expenses related to reviewing and approving or denying
19 the applications and administering appeals related to voluntary
20 plans. The review must include an estimate of the next year's
21 projected administrative costs related to the voluntary plans. The
22 legislature shall adjust the fee in subsection (1) of this section as
