**By** Senate Ways & Means (originally sponsored by Senators Schoesler, Braun, Dozier, Rivers, Short, Wagoner, and Wellman)

READ FIRST TIME 02/07/22.

1 AN ACT Relating to supporting youth development; amending RCW  
2 15.76.110, 15.76.115, 15.76.140, and 15.76.150; adding a new section  
3 to chapter 15.76 RCW; and creating a new section.

4 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF WASHINGTON:

5 NEW SECTION. **Sec. 1.** As of July 2019, almost 22 percent of the  
6 population of Washington state was under 18 years of age. The  
7 legislature finds that it is critical to invest in both the formal  
8 and informal education of the youth of the state. While there are  
9 existing youth development programs in the state, it is in the best  
10 interest of the state to sponsor youth agriculture education and  
11 development programs by voluntary grassroots advocacy organizations  
12 and career and technical student organizations focusing on  
13 agricultural education. In addition to science, technology,  
14 engineering, mathematics, and robotics, this youth development  
15 program must focus on animal husbandry and agricultural education.

16 NEW SECTION. **Sec. 2.** A new section is added to chapter 15.76  
17 RCW to read as follows:

18 (1) Voluntary, grassroots organizations representing the social  
19 and economic interest of farm and ranch families at the local, state,  
20 and national levels may sponsor youth development programs to promote

1 participation in agricultural fairs, youth shows, and exhibitions and  
2 education in science, technology, engineering, mathematics, and  
3 robotics as well as animal husbandry and agricultural education. The  
4 youth development program must incorporate civics, civil society, and  
5 participation in government into its programming.

6 (2) It is in the public interest to support youth participation  
7 in youth development programs as described in subsection (1) of this  
8 section, programs authorized in RCW 36.50.010, and membership in the  
9 Washington FFA association, which is the agricultural education  
10 career and technical student organization recognized by the office of  
11 the superintendent of public instruction. The legislature will  
12 appropriate funds to fulfill the enrollment fees owed to the programs  
13 by participants as a state allocation as defined in RCW 15.76.110.

14 (3) In order to receive appropriated funds, after the annual  
15 enrollment period, the program must submit a roster of enrolled youth  
16 to the department in order to receive a reimbursement of all  
17 enrollment fees. Any other fees submitted for reimbursement must be  
18 done before the end of the fiscal year.

19 **Sec. 3.** RCW 15.76.110 and 2018 c 280 s 2 are each amended to  
20 read as follows:

21 (1) "Agricultural fair" means a fair or exhibition which is  
22 intended to promote agriculture and support rural economic  
23 development by including a balanced variety of exhibits of livestock  
24 and agricultural products, as well as related arts and manufactures;  
25 including products of the farm home and educational contests,

6 treasury.

8 the purposes of this fund and from RCW 67.16.105 shall be deposited

23 fairs in the manner provided in this chapter, except as provided in  
24 subsection (4) of this section. Only the director of agriculture or  
25 the director's designee may authorize expenditures from the fund. The

27 no appropriation is required for expenditures.

28 (4) The director or the director's designee may authorize  
29 expenditures from the fund, subject to the availability of

37 fairs immediately preceding application for such allocations, and  
38 have its application therefor approved by the director.

1 (2) The director may waive the requirement in subsection (1) of  
2 this section if:

12 specific purpose.

19 the state fair fund, including its interest income under RCW  
20 43.79A.040, to applicant agricultural fairs, distributed according to

36 (3) The division and payment of funds authorized in this section  
37 shall occur at such times as the director may prescribe.
