EFFECT: Provides that if a processor fails to adhere to the regulated entity's instructions or processes consumer health data in a manner that is outside the scope of the processor's contract with the regulated entity, the processor is considered a regulated entity with regard to such data *specifically*, rather than a regulated entity *generally*. Provides that, in that case, the processor is subject to the requirements of the bill with regard to such data *specifically*, rather than subject to the requirements of the bill *generally*.
