1 On page 18, after line 38 of the striking amendment, insert the  
2 following:

3 "(f) In efforts to equitably address resilience and reduce the  
4 adverse impacts in human communities under this section, the  
5 department, counties, and cities may not directly or indirectly  
6 curtail the use of existing technologies and fuels that are locally  
7 available for a preference to use carbon reduction technologies that  
8 benefit foreign governments or companies that have laws and standards  
9 that do not meet Washington's labor, equity, and inclusion standards."

10

EFFECT: Prohibits the Department of Commerce, counties, and cities from curtailing the use of locally available existing technologies and fuels for a preference to use carbon reduction technologies that benefit foreign governments or companies that have laws and standards that do not meet Washington's labor, equity, and inclusion standards.
