7 (2) By December 1, 2024, the department shall apply for federal
8 approval to establish a new medicaid waiver tailored to meet the
9 needs of dependent children and youth with developmental
10 disabilities. The services provided in this waiver shall supplement,
11 and not supplant, the child welfare services and supports a child or
12 youth is entitled to or receives under Title IV-E of the social
13 security act from the department of children, youth, and families,
14 and may not duplicate services or supports available through other
15 funding sources.

16 (3) The department shall be the lead administrative agency for
17 the waiver for dependent children and youth and shall collaborate
18 with the department of children, youth, and families and other
19 relevant stakeholders to identify the services and supports currently
20 provided to dependent children and youth and identify services and
21 supports that will supplement supports already provided. The
22 department of children, youth, and families shall provide to the
23 department all information and data that is necessary for the
24 department to determine eligibility for services, to provide
25 appropriate and timely services and supports to qualifying children
26 and youth, and to implement and maintain compliance with federal
27 funding requirements.

28 (4) Children and youth eligible to receive services under the
29 waiver for dependent children and youth are those meeting the
30 criteria identified in RCW 71A.12.370(1) who are age 20 or younger.

31 **Sec. 6.** RCW 71A.12.370 and 2021 c 56 s 4 are each amended to
32 read as follows:

33 (~~When there is funded capacity for services~~) (1) Services
34 provided through a medicaid waiver administered by the department,
35 (~~and~~) to the extent consistent with federal law and federal funding
36 requirements, (~~priority for that waiver~~) shall be provided to
37 eligible individuals who (~~exited~~) meet the following criteria on or
38 after the effective date of this section:

39 (a) (i) Are subject to a dependency;

1 (ii) Are receiving extended foster care services as defined in
2 RCW 74.13.020; or

3 (iii) Exited a dependency ((~~proceeding under chapter 13.34 RCW~~
4 within the last two years)) or discontinued extended foster care
5 services as defined in RCW 74.13.020; and

6 (b) Will begin receiving waiver services prior to the
7 individual's 25th birthday.

8 (2) Persons meeting the criteria in subsection (1) of this
9 section who are receiving services under the waiver for dependent
10 children and youth established in section 5 of this act or the
11 children's intensive behavioral support services waiver under RCW
12 71A.24.010 must be immediately transferred to a different waiver
13 without a break in services when, based on their age, they no longer
14 qualify for the waiver under which they have been receiving services.

15 (3) For purposes of this section, a "dependency" includes both a
16 dependency under chapter 13.34 RCW and circumstances in which an
17 Indian child is in the custody of a federally recognized Indian tribe
18 as defined in RCW 43.376.010 or the tribe's placing agency.

19 NEW SECTION. Sec. 7. If specific funding for the purposes of
20 this act, referencing this act by bill or chapter number, is not
21 provided by June 30, 2023, in the omnibus appropriations act, this
22 act is null and void."

23 Correct the title.

EFFECT: Retains the provisions of the underlying bill with the following changes:

Reinstates the original bill's amendments to the Children's Intensive In-home Behavioral Support Services (CIIBS) waiver to: Provide that CIIBS services may supplement the child welfare services a child may be receiving from the Department of Children, Youth, and Families (DCYF); remove the prohibition against access to CIIBS services while the child's family is subject to an unresolved Child Protective Services referral; and allow CIIBS services to be provided to children in out-of-home placements, without requiring that placement is temporary with a plan to return home.

Requires the Department of Social and Health Services to apply for federal approval for the new waiver for dependent children and youth by December 1, 2024, and to consult with relevant stakeholders (in addition to DCYF) in identifying services that are currently provided to dependent children and youth and those needed to supplement existing services.

Expands the scope of the new waiver for dependent children and youth to include all categories of persons entitled to waiver services under the bill who are age 20 or younger, including those

who have exited dependency or left extended foster care (rather than only those currently in dependency or extended foster care).

Requires transition to a different waiver without a break in services when a person who is entitled to waiver services ages out of a youth-focused waiver.

Removes the delayed effective date of January 1, 2025.
