

SHB 2144 - H AMD **984**

By Representative Abbarno

NOT CONSIDERED 03/07/2024

1 On page 13, line 22, after "annually" strike "must" and insert
2 "may"

3
4 On page 20, after line 8, insert the following:

5 "(6)(a) In addition to the annual report a distributor
6 responsibility organization is required to submit to the department
7 pursuant to this section, a distributor responsibility organization
8 must submit an annual public safety impact report to the committees of
9 the legislature with jurisdiction over public safety beginning on July
10 1st of the year following the year a distributor responsibility
11 organization begins operating a deposit return system in the state,
12 and every July 1st thereafter.

13 (b) The public safety impact report must contain a summary of
14 public safety concerns and complaints related to the deposit return
15 system received by the distributor responsibility organization,
16 dealers, and local health and law enforcement officials. The public
17 safety impact report must be organized by county, and by cities and
18 towns within each county. The public safety impact report must
19 include a description of how public safety concerns and complaints
20 related to the deposit return system are being addressed by the
21 distributor responsibility organization."

22
23 On page 21, after line 32, insert the following:

24 "(4) A distributor responsibility organization must maintain a
25 website that receives complaints and concerns from dealers, other
26 business owners, and other concerned individuals, related to drug use,
27

1 drug trafficking, retail theft, and other public health and safety
2 concerns in the vicinity of drop-off locations."

3

EFFECT:

- Provides that dealers larger than 5,000 square feet and with qualifying beverage container sales greater than 100,000 units per year, may, rather than must, install a self-serve kiosk.
- Requires a distributor responsibility organization to submit to the Legislature an annual public safety impact report that contains (1) a summary of public safety concerns and complaints related to the deposit return system received by the distributor responsibility organization, dealers, and local health and law enforcement officials, and (2) a description of how public safety concerns and complaints related to the deposit return system are being addressed by the distributor responsibility organization.
- Requires a distributor responsibility organization to maintain a website that receives complaints from the citizens and concerns related to drug use, drug trafficking, retail theft, and other public health safety concerns in the vicinity of drop-off locations.
