By Representative Chambers

NOT CONSIDERED 03/07/2024

1 On page 8, after line 29, insert the following:
2 "(3) On January 1, April 1, July 1, and October 1 of each year in
3 which a distributor responsibility organization implements a deposit
4 return system, the distributor responsibility organization must
5 transfer funds to the state treasurer, for deposit in the waste
6 reduction, recycling, and litter control account created in RCW 70A.
7 200.140, in an amount equal to the unclaimed refunds during the
8 previous quarter of deposit return system implementation. The amount
9 of unclaimed refunds must be calculated by subtracting the value of
10 deposits remitted for the return of qualifying beverage containers
11 during the preceding quarter of program implementation from the value
12 of deposits charged for all qualifying beverage containers during the
13 preceding quarter of program implementation."
14

EFFECT: Requires the distributor responsibility organization to make quarterly transfers of the value of unclaimed refunds to the state treasurer for deposit in the Waste Reduction, Recycling, and Litter Control Account. Specifies how the value of unclaimed refunds transferred is to be calculated.
