1 On page 2, at the beginning of line 11, strike "80 percent" and
2 insert "an amount up to 80 percent. The amount must be determined by
3 an interlocal agreement between the county and city operating the
4 municipal 911 emergency communications system so that both the
5 county and municipal 911 emergency communications system remain
6 sufficiently funded"

7

EFFECT: Changes the calculation of the amount of tax revenues required to be distributed to a municipal 911 emergency communications system. Requires the amount of revenue to be determined in an interlocal agreement between a county and city operating the 911 emergency communication system so both the county and municipal 911 emergency communication system remain sufficiently funded.
