EFFECT: Makes the following changes to authorization for WSDOT to offset economic rent due, at its discretion, for the lease of surplus property for community benefit purposes:
(1) Authorizes WSDOT to lease surplus property to special purpose districts with economic rent offsets for community benefit purposes;
(2) Modifies the category of housing-related purposes that qualify as a community purpose to include homelessness assistance; and
(3) Adds the category of public transportation uses as a qualifying community purpose for economic rent offsets.
