2 "(i) The tax authorized in this section may only be imposed by a
3 county, city, or town in which at least 1.5 percent of the dwelling
4 units within its jurisdiction are being used for short-term rental, as
5 determined by the office of financial management and the department of
6 revenue prior to the adoption of the ordinance or resolution imposing
7 the tax.

8 (ii) When determining the percentage of dwelling units being used
9 for short-term rental within the jurisdiction, the office of financial
10 management and the department of revenue shall use the average

12 The office of financial management and department of revenue are not
13 required to make the determination provided for in this section unless
14 the county, city, or town has imposed the tax authorized in this
15 section, or the county, city, or town has requested such a

17 (iii) Once the tax authorized in this section has been imposed,
