(2) Requires the private, four-year not-for-profit institutions of higher education that enter into student data-sharing agreements to, as part of the agreement, pledge to comply with state and

federal nondiscrimination laws applicable to hiring and admissions practices, and permits the OSPI to suspend or terminate the agreement if the OSPI determines that the institution, after the establishment of the data-sharing agreement, has not complied with the nondiscrimination laws.

(3) Makes changes to reflect the potential inclusion of private four-year not-for-profit institutions of higher education in data-sharing agreements, including establishing a definition of "institutions of higher education" and adding that definition to a reformatted list of definitions established in the underlying striking amendment.
