

ESHB 2131 - S AMD **862**

By Senator Lovelett

ADOPTED 03/01/2024

1 On page 11, beginning on line 10, after "interest." strike all
2 material through "classes." on line 12

EFFECT: Removes the requirement that the utilities and transportation commission must avoid commercial and residential rate classes subsidizing industrial rate classes when approving a merger of a gas and thermal energy rate base for a natural gas company or combination utility.
