1 On page 11, line 25, after "assistance" insert ", technology  
2 updates, ongoing maintenance requirements, and adjustments to the  
3 technology funding formula,"

4 On page 11, line 27, after "platform" insert "in all school  
5 districts. In the implementation plan, the office of the  
6 superintendent of public instruction may include a cost alternative  
7 for educational service districts to host the universal platform for  
8 school districts of the second class when such a district does not  
9 have sufficient technology resources to implement and maintain the  
10 universal platform"

EFFECT: (1) Requires that technology updates, ongoing maintenance requirements, and adjustments to the technology funding formula be included in OSPI's universal platform implementation plan.

(2) Allows OSPI to include in its implementation plan a cost alternative for ESDs to host the universal platform for second class school districts when such a district does not have sufficient technology resources to implement and maintain the universal platform.
