There have been 12 recipients of the award to date.

**Staff Summary of Public Testimony:** PRO: In Washington there are people that do incredible things, and every once in a while they go above and beyond while putting their own life at risk to save the life of somebody else. The Medal of Valor is one of three top awards in the state presented to citizens. This bill makes it easier for people to receive this award by allowing the award presentation to occur during private ceremonies, instead of only during a Joint Legislative Session. This is not a Secretary of State request bill.

**Persons Testifying:** PRO: Representative Sam Low, Prime Sponsor; Brian Hatfield, Office of Secretary of State.
