- Changes the title for advanced registered nurse practitioners to advanced practice registered nurses.

SENATE COMMITTEE ON HEALTH & LONG TERM CARE

Staff: Julie Tran (786-7283)

Background: An advanced registered nurse practitioner (ARNP) assumes primary responsibility and accountability for the care of patients and is authorized to perform all activities registered nurses perform, perform specialized and advanced levels of nursing, and prescribe legend drugs and certain controlled substances. An ARNP's scope of practice is defined by the Washington State Board of Nursing and includes:

- examining and diagnosing patients;
- admitting, managing, and discharging patients to and from health care facilities;
- ordering, collecting, performing, and interpreting diagnostic tests;
- managing health care by identifying, developing, implementing, and evaluating a plan of care and treatment for patients;
- prescribing therapies and medical equipment;
- prescribing medications when granted prescriptive authority;

This analysis was prepared by non-partisan legislative staff for the use of legislative members in their deliberations. This analysis is not part of the legislation nor does it constitute a statement of legislative intent.

- referring patients to other health care practitioners, services, or facilities; and
- performing procedures or providing care services within the scope of practice according to the designation and certification of the ARNP.

Summary of Bill: The title for "advanced registered nurse practitioner" is changed to "advanced practice registered nurse."

Appropriation: None.

Fiscal Note: Available.

Creates Committee/Commission/Task Force that includes Legislative members: No.

Effective Date: The bill takes effect on June 30, 2027.
