**Background:** The capital expenses of state government, and its agencies and programs, are funded on a biennial basis by an omnibus capital budget adopted by the Legislature in odd numbered years. State capital expenses are paid from state general obligation bonds and from various dedicated funds and accounts. The primary two-year budget is passed in odd-numbered years, and a supplemental budget making adjustments to the two-year budget is passed during even-numbered years. The current capital budget covers the period from July 1, 2023, through June 30, 2025.

**Summary:** The 2023-2025 biennial capital budget appropriations, including appropriations for general government agencies, human services programs, natural resources agencies, and educational institutions, are modified.
