5 bus being replaced has been rendered unusable.

6 (3) The office of the superintendent of public instruction may  
7 adopt any rules necessary for the implementation of chapter 348, Laws  
8 of 2007 and this act.

9 **Sec. 2.** RCW 46.63.180 and 2013 c 306 s 716 are each amended to  
10 read as follows:

11 (1) School districts may install and operate automated school bus  
12 safety cameras on school buses to be used for the detection of  
13 violations of RCW 46.61.370(1) if the use of the cameras is approved  
14 by a vote of the school district board of directors. School districts  
15 are not required to take school buses out of service if the buses are  
16 not equipped with automated school bus safety cameras or functional  
17 automated safety cameras. Further, school districts shall be held  
18 harmless from and not liable for any criminal or civil liability  
19 arising under the provisions of this section.

20 (a) Automated school bus safety cameras may only take pictures of  
21 the vehicle and vehicle license plate and only while an infraction is  
22 occurring. The picture must not reveal the face of the driver or of  
23 passengers in the vehicle.

24 (b) A notice of infraction must be mailed to the registered owner  
25 of the vehicle within (~~fourteen~~) 14 days of the violation, or to  
26 the renter of a vehicle within (~~fourteen~~) 14 days of establishing  
27 the renter's name and address under subsection (2)(a)(i) of this  
28 section. The law enforcement officer issuing the notice of infraction  
29 shall include a certificate or facsimile of the notice, based upon  
30 inspection of photographs, microphotographs, or electronic images  
31 produced by an automated school bus safety camera, stating the facts  
32 supporting the notice of infraction. This certificate or facsimile is  
33 prima facie evidence of the facts contained in it and is admissible  
34 in a proceeding charging a violation under this chapter. The  
35 photographs, microphotographs, or electronic images evidencing the  
36 violation must be available for inspection and admission into  
37 evidence in a proceeding to adjudicate the liability for the  
38 infraction. A person receiving a notice of infraction based on

1 evidence detected by an automated school bus safety camera may  
2 respond to the notice by mail.

3 (c) The registered owner of a vehicle is responsible for an  
4 infraction under RCW 46.63.030(1)(e) unless the registered owner  
5 overcomes the presumption in RCW 46.63.075, or, in the case of a  
6 rental car business, satisfies the conditions under subsection (2) of  
7 this section. If appropriate under the circumstances, a renter  
8 identified under subsection (2)(a)(i) of this section is responsible  
9 for an infraction.

10 (d) Notwithstanding any other provision of law, all photographs,  
11 microphotographs, or electronic images prepared under this section  
12 are for the exclusive use of law enforcement in the discharge of  
13 duties under this section and are not open to the public and may not  
14 be used in a court in a pending action or proceeding unless the  
15 action or proceeding relates to a violation under this section. No  
16 photograph, microphotograph, or electronic image may be used for any  
17 purpose other than enforcement of violations under this section nor  
18 retained longer than necessary to enforce this section.

19 (e) (~~(1f)~~) When a school district installs and operates an  
20 automated school bus safety camera under this section, the  
21 compensation paid to the manufacturer or vendor of the equipment used  
22 must be based only upon the value of the equipment and services  
23 provided or rendered in support of the system, and may not be based  
24 upon a portion of the fine or civil penalty imposed or the revenue  
25 generated by the equipment. Further, any repair, replacement, or  
26 administrative work costs related to installing or repairing  
27 automated school bus safety cameras must be solely paid for by the  
28 manufacturer or vendor of the cameras. (~~Before entering~~) When a  
29 school district enters into a contract with the manufacturer or  
30 vendor of the equipment used under this subsection (1)(e), the school  
31 district must follow the competitive bid process as outlined in RCW  
32 28A.335.190(1).

33 (f) Except as provided otherwise in this subsection (1)(f) and  
34 subsections (4) and (5) of this section, any revenue collected from  
35 infractions detected through the use of automated school bus safety  
36 cameras, less the administration and operating costs of the cameras,  
37 must be remitted to school districts for school zone safety projects  
38 as determined by the school district using the automated school bus  
39 safety cameras. The administration and operating costs of the cameras  
40 includes infraction enforcement and processing costs that are

1 incurred by local law enforcement or local courts. During the  
2 2013-2015 fiscal biennium, the infraction revenue may also be used  
3 for school bus safety projects by those school districts eligible to  
4 apply for funding from the school zone safety account appropriation  
5 in section 201, chapter 306, Laws of 2013.

6 (2) (a) If the registered owner of the vehicle is a rental car  
7 business, the law enforcement agency shall, before a notice of  
8 infraction is issued under this section, provide a written notice to  
9 the rental car business that a notice of infraction may be issued to  
10 the rental car business if the rental car business does not, within  
11 (~~eighteen~~) 18 days of receiving the written notice, provide to the  
12 issuing agency by return mail:

13 (i) A statement under oath stating the name and known mailing  
14 address of the individual driving or renting the vehicle when the  
15 infraction occurred;

16 (ii) A statement under oath that the business is unable to  
17 determine who was driving or renting the vehicle at the time the  
18 infraction occurred because the vehicle was stolen at the time of the  
19 infraction. A statement provided under this subsection (2) (a) (ii)  
20 must be accompanied by a copy of a filed police report regarding the  
21 vehicle theft; or

22 (iii) In lieu of identifying the vehicle operator, the rental car  
23 business may pay the applicable penalty.

24 (b) Timely mailing of a statement under this subsection to the  
25 issuing law enforcement agency relieves a rental car business of any  
26 liability under this chapter for the notice of infraction.

27 (3) For purposes of this section, "automated school bus safety  
28 camera" means a device that is affixed to a school bus that is  
29 synchronized to automatically record one or more sequenced  
30 photographs, microphotographs, or electronic images of the rear of a  
31 vehicle at the time the vehicle is detected for an infraction  
32 identified in RCW 46.61.370(1).

33 (4) Any school district that is under a safety camera system  
34 contract before the effective date of this section must continue to  
35 receive funds from use of the safety camera systems that the school  
36 district has installed and may transfer the district's share of the  
37 funds to the district's transportation vehicle fund established under  
38 RCW 28A.160.130 in addition to using the funds for school zone safety  
39 projects.

1       (5) For any school district that installs automated school bus  
2 safety cameras on or after the effective date of this section, any  
3 revenue collected from infractions detected through the use of  
4 automated school bus safety cameras, less the administration and  
5 operating costs of the cameras, must be distributed as follows: (a)  
6 One-third to the school bus safety account created in section 3 of  
7 this act; (b) one-third to the law enforcement agency issuing the  
8 infraction; and (c) one-third to the court processing the infraction.

9       NEW SECTION. Sec. 3. A new section is added to chapter 46.68  
10 RCW to read as follows:

13 account. Moneys in the account may be spent only after appropriation.  
14 Between the effective date of this section and July 31, 2028: The  
15 first \$10,000,000 in expenditures from the account for each year must  
16 be transferred to the general fund to pay for the cost of school bus  
17 safety systems; and any remaining expenditures must be used for the  
18 school bus replacement incentives under RCW 28A.160.205. Beginning  
19 August 1, 2028, expenditures from the account may only be used for
