**By** Representatives Barkis, Robertson, Wylie, Fitzgibbon, Peterson, Walsh, Chambers, Kloba, Gregerson, Graham, Waters, Reed, Walen, Christian, Riccelli, Macri, Bateman, and Doglio

Read first time 01/12/23. Referred to Committee on Housing.

1 AN ACT Relating to increasing housing options through lot  
2 splitting; adding a new section to chapter 36.70A RCW; and creating a  
3 new section.

4 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF WASHINGTON:

5 NEW SECTION. **Sec. 1.** The legislature finds that allowing an  
6 existing residential lot to be split into two lots can offer many  
7 advantages to both the existing homeowner and to prospective  
8 homebuyers. Lot splitting can provide current owners the opportunity  
9 to maintain homeownership in changing life circumstances, while also  
10 providing new homebuyers with a more affordable ownership  
11 opportunity. Additionally, lot splitting will provide additional  
12 opportunities for sales to affordable housing providers or  
13 homeownership facilitators that may be exempt from state real estate  
14 excise tax under chapter 82.45 RCW. Therefore, it is the intent of  
15 the legislature to ease restrictions on, and expand opportunities  
16 for, lot splitting in cities planning under chapter 36.70A RCW, the  
17 growth management act.

18 NEW SECTION. **Sec. 2.** A new section is added to chapter 36.70A  
19 RCW to read as follows:

1 (1) (a) Cities planning under this chapter must adopt or amend by  
2 ordinance, and incorporate into their development regulations, zoning  
3 regulations, and other official controls the requirements of  
4 subsection (2) of this section by July 1, 2024, to apply within the  
5 city's urban growth area.

6 (b) Beginning July 1, 2024, the requirements of subsection (2) of  
7 this section apply and take effect in any city that has not adopted  
8 or amended ordinances, regulations, or other official controls as  
9 required under this section and supersede, preempt, and invalidate  
10 any conflicting local development regulations.

11 (2) Through ordinances, development regulations, zoning  
12 regulations, and other official controls as required under subsection  
13 (1) of this section, cities may not:

14 (a) Prohibit, within a residential zone that allows for the  
15 development of detached single-family residences, the splitting of a  
16 single residential lot into two residential lots if the following  
17 conditions are met:

18 (i) The resulting lots are at least 1,500 square feet;

19 (ii) The resulting lots are at least 40 percent of the size of  
20 the original lot;

21 (iii) The original lot was not created through the splitting of a  
22 single residential lot authorized by this section;

23 (iv) The lot split would not require demolition or alteration of  
24 any housing that is rent restricted, rent subsidized, or that has  
25 been occupied by a tenant paying market-rate rent within the  
26 preceding 12 months; and

27 (v) Any construction on the resulting lots is subject to all  
28 existing state and local laws regarding stormwater runoff, critical  
29 areas, shorelines, and conservation areas;

30 (b) Impose regulations on a residential lot that is the result of  
31 a lot split that:

32 (i) Require more than one off-street parking space per lot;

33 (ii) Require more than 20 feet of frontage width per lot;

34 (iii) Require easement widths of more than four feet for access  
35 to rear lots;

36 (iv) Impose permitting requirements, design standards, or impacts  
37 fees on construction on a lot resulting from a lot split that are  
38 greater than those imposed on new residential construction generally  
39 within the same zone; or

1           (v) Impose requirements for dedications of rights-of-way or for  
2 the construction of off-site improvements.
