2024 Regular Session

By House Postsecondary Education & Workforce (originally sponsored by Representatives Orwall, Rule, Leavitt, Slatter, Bateman, Reed, Jacobsen, Callan, Macri, Donaghy, Doglio, Goodman, Reeves, Riccelli, Shavers, and Hackney)

READ FIRST TIME 01/16/24.

1 AN ACT Relating to adopting the social work licensure compact;
2 adding a new chapter to Title 18 RCW; creating a new section; and
3 providing a contingent effective date.

4 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF WASHINGTON:

5 NEW SECTION. **Sec. 1.** (1) It is the intent of the legislature to
6 allow clinical social workers in compact member states the
7 opportunity to provide behavioral health services in the state of
8 Washington, while broadening and simplifying the opportunities for
9 Washington-licensed clinical social workers to practice in other
10 states belonging to the compact. It is further the intent of the
11 legislature to maintain standards already adopted in Washington by
12 making it explicitly clear that this legislation in no way conflicts
13 with either chapter 192, Laws of 2023 or chapter 193, Laws of 2023.

14 (2) The legislature acknowledges that the association of social
15 work boards licensing test has been shown to have severe disparities
16 in outcomes based on the race, age, and language of test takers.
17 Because of these disparities, the state of Washington aims to
18 collaborate with other states and interested parties to find
19 alternatives to this test.

1 NEW SECTION. **Sec. 2.** The purpose of this compact is to
2 facilitate interstate practice of regulated social workers by
3 improving public access to competent social work services. The
4 compact preserves the regulatory authority of states to protect
5 public health and safety through the current system of state
6 licensure.

7 This compact is designed to achieve the following objectives:

8 (1) Increase public access to social work services;

9 (2) Reduce overly burdensome and duplicative requirements
10 associated with holding multiple licenses;

11 (3) Enhance the member states' ability to protect the public's
12 health and safety;

13 (4) Encourage the cooperation of member states in regulating
14 multistate practice;

15 (5) Promote mobility and address workforce shortages by
16 eliminating the necessity for licenses in multiple states by
17 providing for the mutual recognition of other member state licenses;

18 (6) Support military families;

19 (7) Facilitate the exchange of licensure and disciplinary
20 information among member states;

21 (8) Authorize all member states to hold a regulated social worker
22 accountable for abiding by a member state's laws, regulations, and
23 applicable professional standards in the member state in which the
24 client is located at the time care is rendered; and

25 (9) Allow for the use of telehealth to facilitate increased
26 access to regulated social work services.

16 (a) Investigative information that a licensing authority, after a

20 infraction as may be defined by the commission; or

21 (b) Investigative information that indicates that the regulated
22 social worker represents an immediate threat to public health and

33 licensee's home state.

34 (22) "Rule(s)" or "rule(s) of the commission" means a regulation

24 and (2) of this section shall designate the categories of social work
25 licensure that are eligible for issuance of a multistate license for
26 applicants in such member state. To the extent that any member state
27 does not meet the requirements for participation in the compact at
28 any particular category of social work licensure, such member state
29 may choose, but is not obligated to, issue a multistate license to
30 applicants that otherwise meet the requirements of section 5 of this
31 act for issuance of a multistate license in such category or
32 categories of licensure.

33 (4) The home state may charge a fee for granting the multistate
34 license.

35 NEW SECTION. **Sec. 5.** (1) To be eligible for a multistate

11 subsection (1) of this section to be eligible to renew a multistate
12 license.

13 (6) The regulated social worker's services in a remote state are
14 subject to that member state's regulatory authority. A remote state
15 may, in accordance with due process and that member state's laws,
16 remove a regulated social worker's multistate authorization to
17 practice in the remote state for a specific period of time, impose
18 fines, and take any other necessary actions to protect the health and
19 safety of its citizens.

20 (7) If a multistate license is encumbered, the regulated social
21 worker's multistate authorization to practice shall be deactivated in
22 all remote states until the multistate license is no longer
23 encumbered.

24 (8) If a multistate authorization to practice is encumbered in a
25 remote state, the regulated social worker's multistate authorization
26 to practice may be deactivated in that state until the multistate
27 authorization to practice is no longer encumbered.

28 NEW SECTION. **Sec. 6.** (1) Upon receipt of an application for a
29 multistate license, the home state licensing authority shall
30 determine the applicant's eligibility for a multistate license in
31 accordance with section 5 of this act.

32 (2) If such applicant is eligible pursuant to section 5 of this
33 act, the home state licensing authority shall issue a multistate
34 license that authorizes the applicant or regulated social worker to
35 practice in all member states under a multistate authorization to
36 practice.

37 (3) Upon issuance of a multistate license, the home state
38 licensing authority shall designate whether the regulated social

1 worker holds a multistate license in the bachelor's, master's, or
2 clinical category of social work.

3 (4) A multistate license issued by a home state to a resident in
4 that state shall be recognized by all compact member states as
5 authorizing social work practice under a multistate authorization to
6 practice corresponding to each category of licensure regulated in
7 each member state.

8 NEW SECTION. **Sec. 7.** (1) Nothing in this compact, nor any rule
9 of the commission, shall be construed to limit, restrict, or in any
10 way reduce the ability of a member state to enact and enforce laws,
11 regulations, or other rules related to the practice of social work in
12 that state, where those laws, regulations, or other rules are not
13 inconsistent with the provisions of this compact.

14 (2) Nothing in this compact shall affect the requirements
15 established by a member state for the issuance of a single state
16 license.

17 (3) Nothing in this compact, nor any rule of the commission,
18 shall be construed to limit, restrict, or in any way reduce the
19 ability of a member state to take adverse action against a licensee's
20 single state license to practice social work in that state.

21 (4) Nothing in this compact, nor any rule of the commission,
22 shall be construed to limit, restrict, or in any way reduce the
23 ability of a remote state to take adverse action against a licensee's
24 multistate authorization to practice in that state.

25 (5) Nothing in this compact, nor any rule of the commission,
26 shall be construed to limit, restrict, or in any way reduce the
27 ability of a licensee's home state to take adverse action against a
28 licensee's multistate license based upon information provided by a
29 remote state.

30 NEW SECTION. **Sec. 8.** (1) A licensee can hold a multistate
31 license, issued by their home state, in only one member state at any
32 given time.

33 (2) If a licensee changes their home state by moving between two
34 member states:

35 (a) The licensee shall immediately apply for the reissuance of
36 their multistate license in their new home state. The licensee shall
37 pay all applicable fees and notify the prior home state in accordance
38 with the rules of the commission.

1 (b) Upon receipt of an application to reissue a multistate
2 license, the new home state shall verify that the multistate license
3 is active, unencumbered, and eligible for reissuance under the terms
4 of the compact and the rules of the commission. The multistate
5 license issued by the prior home state will be deactivated and all
6 member states notified in accordance with the applicable rules
7 adopted by the commission.

8 (c) Prior to the reissuance of the multistate license, the new
9 home state shall conduct procedures for considering the criminal
10 history records of the licensee. Such procedures shall include the
11 submission of fingerprints or other biometric-based information by
12 applicants for the purpose of obtaining an applicant's criminal
13 history record information from the federal bureau of investigation
14 and the agency responsible for retaining that state's criminal
15 records.

16 (d) If required for initial licensure, the new home state may
17 require completion of jurisprudence requirements in the new home
18 state.

19 (e) Notwithstanding any other provision of this compact, if a
20 licensee does not meet the requirements set forth in this compact for
21 the reissuance of a multistate license by the new home state, then
22 the licensee shall be subject to the new home state requirements for
23 the issuance of a single state license in that state.

24 (3) If a licensee changes their primary state of residence by
25 moving from a member state to a nonmember state, or from a nonmember
26 state to a member state, then the licensee shall be subject to the
27 state requirements for the issuance of a single state license in the
28 new home state.

29 (4) Nothing in this compact shall interfere with a licensee's
30 ability to hold a single state license in multiple states; however,
31 for the purposes of this compact, a licensee shall have only one home
32 state, and only one multistate license.

33 (5) Nothing in this compact shall interfere with the requirements
34 established by a member state for the issuance of a single state
35 license.

36 NEW SECTION. **Sec. 9.** An active military member or their spouse
37 shall designate a home state where the individual has a multistate
38 license. The individual may retain their home state designation
39 during the period the service member is on active duty.

1 NEW SECTION.

2 **Sec. 10.**

3 (1) In addition to the other powers
4 conferred by state law, a remote state shall have the authority, in
5 accordance with existing state due process law, to:

6 (a) Take adverse action against a regulated social worker's
7 multistate authorization to practice only within that member state,
8 and issue subpoenas for both hearings and investigations that require
9 the attendance and testimony of witnesses as well as the production
10 of evidence. Subpoenas issued by a licensing authority in a member
11 state for the attendance and testimony of witnesses or the production
12 of evidence from another member state shall be enforced in the latter
13 state by any court of competent jurisdiction, according to the
14 practice and procedure of that court applicable to subpoenas issued
15 in proceedings pending before it. The issuing licensing authority
16 shall pay any witness fees, travel expenses, mileage, and other fees
17 required by the service statutes of the state in which the witnesses
18 or evidence are located.

19 (b) Only the home state shall have the power to take adverse
20 action against a regulated social worker's multistate license.

21 (2) For purposes of taking adverse action, the home state shall
22 give the same priority and effect to reported conduct received from a
23 member state as it would if the conduct had occurred within the home
24 state. In so doing, the home state shall apply its own state laws to
25 determine appropriate action.

26 (3) The home state shall complete any pending investigations of a
27 regulated social worker who changes their home state during the
28 course of the investigations. The home state shall also have the
29 authority to take appropriate action(s) and shall promptly report the
30 conclusions of the investigations to the administrator of the data
31 system. The administrator of the data system shall promptly notify
32 the new home state of any adverse actions.

33 (4) A member state, if otherwise permitted by state law, may
34 recover from the affected regulated social worker the costs of
35 investigations and dispositions of cases resulting from any adverse
36 action taken against that regulated social worker.

37 (5) A member state may take adverse action based on the factual
38 findings of another member state, provided that the member state
39 follows its own procedures for taking the adverse action.

40 (6) Joint investigations:

 (a) In addition to the authority granted to a member state by its
 respective social work practice act or other applicable state law,

1 any member state may participate with other member states in joint
2 investigations of licensees.

3 (b) Member states shall share any investigative, litigation, or
4 compliance materials in furtherance of any joint or individual
5 investigation initiated under the compact.

6 (7) If adverse action is taken by the home state against the
7 multistate license of a regulated social worker, the regulated social
8 worker's multistate authorization to practice in all other member
9 states shall be deactivated until all encumbrances have been removed
10 from the multistate license. All home state disciplinary orders that
11 impose adverse action against the license of a regulated social
12 worker shall include a statement that the regulated social worker's
13 multistate authorization to practice is deactivated in all member
14 states until all conditions of the decision, order, or agreement are
15 satisfied.

16 (8) If a member state takes adverse action, it shall promptly
17 notify the administrator of the data system. The administrator of the
18 data system shall promptly notify the home state and all other member
19 states of any adverse actions by remote states.

20 (9) Nothing in this compact shall override a member state's
21 decision that participation in an alternative program may be used in
22 lieu of adverse action.

23 (10) Nothing in this compact shall authorize a member state to
24 demand the issuance of subpoenas for attendance and testimony of
25 witnesses or the production of evidence from another member state for
26 lawful actions within that member state.

27 (11) Nothing in this compact shall authorize a member state to
28 impose discipline against a regulated social worker who holds a
29 multistate authorization to practice for lawful actions within
30 another member state.

31 NEW SECTION. **Sec. 11.** (1) The compact member states hereby
32 create and establish a joint government agency whose membership
33 consists of all member states that have enacted the compact known as
34 the social work licensure compact commission. The commission is an
35 instrumentality of the compact states acting jointly and not an
36 instrumentality of any one state. The commission shall come into
37 existence on or after the effective date of the compact as set forth
38 in section 15 of this act.

39 (2) Membership, voting, and meetings.

1 (a) Each member state shall have and be limited to one delegate
2 selected by that member state's state licensing authority.

3 (b) The delegate shall be either:

4 (i) A current member of the state licensing authority at the time
5 of appointment, who is a regulated social worker or public member of
6 the state licensing authority; or

7 (ii) An administrator of the state licensing authority or their
8 designee.

9 (c) The commission shall by rule or bylaw establish a term of
10 office for delegates and may by rule or bylaw establish term limits.

11 (d) The commission may recommend removal or suspension of any
12 delegate from office.

13 (e) A member state's state licensing authority shall fill any
14 vacancy of its delegate occurring on the commission within 60 days of
15 the vacancy.

16 (f) Each delegate shall be entitled to one vote on all matters
17 before the commission requiring a vote by commission delegates.

18 (g) A delegate shall vote in person or by such other means as
19 provided in the bylaws. The bylaws may provide for delegates to meet
20 by telecommunication, videoconference, or other means of
21 communication.

22 (h) The commission shall meet at least once during each calendar
23 year. Additional meetings may be held as set forth in the bylaws. The
24 commission may meet by telecommunication, video conference, or other
25 similar electronic means.

26 (3) The commission shall have the following powers:

1 (iii) The executive committee may hold a special meeting in
2 accordance with subsection (6) (a) (ii) of this section.

3 (5) The commission shall adopt and provide to the member states
4 an annual report.

5 (6) Meetings of the commission.

6 (a) All meetings shall be open to the public, except that the
7 commission may meet in a closed, nonpublic meeting as provided in (b)
8 of this subsection.

9 (i) Public notice for all meetings of the full commission of
10 meetings shall be given in the same manner as required under the
11 rule-making provisions in section 13 of this act, except that the
12 commission may hold a special meeting as provided in (a) (ii) of this
13 subsection.

14 (ii) The commission may hold a special meeting when it must meet
15 to conduct emergency business by giving 48 hours' notice to all
16 commissioners, on the commission's website, and other means as
17 provided in the commission's rules. The commission's legal counsel
18 shall certify that the commission's need to meet qualifies as an
19 emergency.

20 (b) The commission or the executive committee or other committees
21 of the commission may convene in a closed, nonpublic meeting for the

23 commission to receive legal advice or to discuss:

29 commission or by a member state's licensing authority;

30 (iv) Current, threatened, or reasonably anticipated litigation;

31 (v) Negotiation of contracts for the purchase, lease, or sale of

34 person;

35 (vii) Trade secrets or commercial or financial information that
36 is privileged or confidential;

37 (viii) Information of a personal nature where disclosure would
38 constitute a clearly unwarranted invasion of personal privacy;

39 (ix) Investigative records compiled for law enforcement purposes;

1 (x) Information related to any investigative reports prepared by
2 or on behalf of or for use of the commission or other committee
3 charged with responsibility of investigation or determination of

5 (xi) Matters specifically exempted from disclosure by federal or
6 member state law; or

7 (xii) Other matters as promulgated by the commission by rule.

8 (c) If a meeting, or portion of a meeting, is closed, the
9 presiding officer shall state that the meeting will be closed and
10 reference each relevant exempting provision, and such reference shall
11 be recorded in the minutes.

12 (d) The commission shall keep minutes that fully and clearly
13 describe all matters discussed in a meeting and shall provide a full
14 and accurate summary of actions taken, and the reasons therefore,
15 including a description of the views expressed. All documents
16 considered in connection with an action shall be identified in such
17 minutes. All minutes and documents of a closed meeting shall remain
18 under seal, subject to release only by a majority vote of the
19 commission or order of a court of competent jurisdiction.

20 (7) Financing of the commission.

21 (a) The commission shall pay, or provide for the payment of, the
22 reasonable expenses of its establishment, organization, and ongoing
23 activities.

24 (b) The commission may accept any and all appropriate revenue
25 sources as provided in subsection (3)(m) of this section.

26 (c) The commission may levy on and collect an annual assessment
27 from each member state and impose fees on licensees of member states
28 to whom it grants a multistate license to cover the cost of the
29 operations and activities of the commission and its staff, which must
30 be in a total amount sufficient to cover its annual budget as
31 approved each year for which revenue is not provided by other
32 sources. The aggregate annual assessment amount for member states
33 shall be allocated based upon a formula that the commission shall
34 promulgate by rule.

35 (d) The commission shall not incur obligations of any kind prior
36 to securing the funds adequate to meet the same; nor shall the
37 commission pledge the credit of any of the member states, except by
38 and with the authority of the member state.

39 (e) The commission shall keep accurate accounts of all receipts
40 and disbursements. The receipts and disbursements of the commission

1 shall be subject to the financial review and accounting procedures
2 established under its bylaws. However, all receipts and disbursements
3 of funds handled by the commission shall be subject to an annual
4 financial review by a certified or licensed public accountant, and
5 the report of the financial review shall be included in and become
6 part of the annual report of the commission.

7 (8) Qualified immunity, defense, and indemnification.

8 (a) The members, officers, executive director, employees, and
9 representatives of the commission shall be immune from suit and
10 liability, both personally and in their official capacity, for any
11 claim for damage to or loss of property or personal injury or other
12 civil liability caused by or arising out of any actual or alleged
13 act, error, or omission that occurred, or that the person against
14 whom the claim is made had a reasonable basis for believing occurred
15 within the scope of commission employment, duties, or
16 responsibilities; provided that nothing in this subsection (8)(a)
17 shall be construed to protect any such person from suit or liability
18 for any damage, loss, injury, or liability caused by the intentional
19 or willful or wanton misconduct of that person. The procurement of
20 insurance of any type by the commission shall not in any way
21 compromise or limit the immunity granted hereunder.

22 (b) The commission shall defend any member, officer, executive
23 director, employee, and representative of the commission in any civil
24 action seeking to impose liability arising out of any actual or
25 alleged act, error, or omission that occurred within the scope of
26 commission employment, duties, or responsibilities, or as determined
27 by the commission that the person against whom the claim is made had
28 a reasonable basis for believing occurred within the scope of
29 commission employment, duties, or responsibilities; provided that
30 nothing herein shall be construed to prohibit that person from
31 retaining their own counsel at their own expense; and provided
32 further, that the actual or alleged act, error, or omission did not
33 result from that person's intentional or willful or wanton
34 misconduct.

35 (c) The commission shall indemnify and hold harmless any member,
36 officer, executive director, employee, and representative of the
37 commission for the amount of any settlement or judgment obtained
38 against that person arising out of any actual or alleged act, error,
39 or omission that occurred within the scope of commission employment,
40 duties, or responsibilities, or that such person had a reasonable

1 basis for believing occurred within the scope of commission
2 employment, duties, or responsibilities, provided that the actual or
3 alleged act, error, or omission did not result from the intentional
4 or willful or wanton misconduct of that person.

5 (d) Nothing herein shall be construed as a limitation on the
6 liability of any licensee for professional malpractice or misconduct,
7 which shall be governed solely by any other applicable state laws.

8 (e) Nothing in this compact shall be interpreted to waive or
9 otherwise abrogate a member state's state action immunity or state
10 action affirmative defense with respect to antitrust claims under the
11 Sherman act, Clayton act, or any other state or federal antitrust or
12 anticompetitive law or regulation.

13 (f) Nothing in this compact shall be construed to be a waiver of
14 sovereign immunity by the member states or by the commission.

15 NEW SECTION. **Sec. 12.** (1) The commission shall provide for the
16 development, maintenance, operation, and utilization of a coordinated
17 data system.

18 (2) The commission shall assign each applicant for a multistate
19 license a unique identifier, as determined by the rules of the
20 commission.

21 (3) Notwithstanding any other provision of state law to the
22 contrary, a member state shall submit a uniform data set to the data
23 system on all individuals to whom this compact is applicable as
24 required by the rules of the commission, including:

25 (a) Identifying information;

26 (b) Licensure data;

27 (c) Adverse actions against a license and information related
28 thereto;

29 (d) Nonconfidential information related to alternative program
30 participation, the beginning and ending dates of such participation,
31 and other information related to such participation not made
32 confidential under member state law;

33 (e) Any denial of application for licensure, and the reason(s)
34 for such denial;

35 (f) The presence of current significant investigative
36 information; and

37 (g) Other information that may facilitate the administration of
38 this compact or the protection of the public, as determined by the
39 rules of the commission.

1 (4) The records and information provided to a member state
2 pursuant to this compact or through the data system, when certified
3 by the commission or an agent thereof, shall constitute the
4 authenticated business records of the commission, and shall be
5 entitled to any associated hearsay exception in any relevant
6 judicial, quasi judicial or administrative proceedings in a member
7 state.

8 (5) Current significant investigative information pertaining to a
9 licensee in any member state will only be available to other member
10 states. It is the responsibility of the member states to report any
11 adverse action against a licensee and to monitor the database to
12 determine whether adverse action has been taken against a licensee.
13 Adverse action information pertaining to a licensee in any member
14 state will be available to any other member state.

15 (6) Member states contributing information to the data system may
16 designate information that may not be shared with the public without
17 the express permission of the contributing state.

18 (7) Any information submitted to the data system that is
19 subsequently expunged pursuant to federal law or the laws of the
20 member state contributing the information shall be removed from the
21 data system.

22 NEW SECTION. **Sec. 13.** (1) The commission shall promulgate
23 reasonable rules in order to effectively and efficiently implement
24 and administer the purposes and provisions of the compact. A rule
25 shall be invalid and have no force or effect only if a court of
26 competent jurisdiction holds that the rule is invalid because the
27 commission exercised its rule-making authority in a manner that is
28 beyond the scope and purposes of the compact, or the powers granted
29 hereunder, or based upon another applicable standard of review.

30 (2) The rules of the commission shall have the force of law in
31 each member state, provided however that where the rules of the
32 commission conflict with the laws of the member state that establish
33 the member state's laws, regulations, and applicable standards that
34 govern the practice of social work as held by a court of competent
35 jurisdiction, the rules of the commission shall be ineffective in
36 that state to the extent of the conflict.

37 (3) The commission shall exercise its rule-making powers pursuant
38 to the criteria set forth in this section and the rules adopted

1 thereunder. Rules shall become binding on the day following adoption
2 or the date specified in the rule or amendment, whichever is later.

3 (4) If a majority of the legislatures of the member states
4 rejects a rule or portion of a rule, by enactment of a statute or
5 resolution in the same manner used to adopt the compact within four
6 years of the date of adoption of the rule, then such rule shall have
7 no further force and effect in any member state.

8 (5) Rules shall be adopted at a regular or special meeting of the
9 commission.

10 (6) Prior to adoption of a proposed rule, the commission shall
11 hold a public hearing and allow persons to provide oral and written
12 comments, data, facts, opinions, and arguments.

13 (7) Prior to adoption of a proposed rule by the commission, and
14 at least 30 days in advance of the meeting at which the commission
15 will hold a public hearing on the proposed rule, the commission shall
16 provide a notice of proposed rule making:

17 (a) On the website of the commission or other publicly accessible
18 platform;

19 (b) To persons who have requested notice of the commission's
20 notices of proposed rule making; and

21 (c) In such other way(s) as the commission may by rule specify.

22 (8) The notice of proposed rule making shall include:

23 (a) The time, date, and location of the public hearing at which
24 the commission will hear public comments on the proposed rule and, if
25 different, the time, date, and location of the meeting where the
26 commission will consider and vote on the proposed rule;

27 (b) If the hearing is held via telecommunication, video
28 conference, or other electronic means, the commission shall include
29 the mechanism for access to the hearing in the notice of proposed
30 rule making;

31 (c) The text of the proposed rule and the reason therefor;

32 (d) A request for comments on the proposed rule from any
33 interested person; and

34 (e) The manner in which interested persons may submit written
35 comments.

36 (9) All hearings will be recorded. A copy of the recording and
37 all written comments and documents received by the commission in
38 response to the proposed rule shall be available to the public.

1 (10) Nothing in this section shall be construed as requiring a
2 separate hearing on each rule. Rules may be grouped for the
3 convenience of the commission at hearings required by this section.

4 (11) The commission shall, by majority vote of all members, take
5 final action on the proposed rule based on the rule-making record and
6 the full text of the rule.

7 (a) The commission may adopt changes to the proposed rule
8 provided the changes do not enlarge the original purpose of the
9 proposed rule.

10 (b) The commission shall provide an explanation of the reasons
11 for substantive changes made to the proposed rule as well as reasons
12 for substantive changes not made that were recommended by commenters.

13 (c) The commission shall determine a reasonable effective date
14 for the rule. Except for an emergency as provided in subsection (12)
15 of this section, the effective date of the rule shall be no sooner
16 than 30 days after issuing the notice that it adopted or amended the
17 rule.

18 (12) Upon determination that an emergency exists, the commission
19 may consider and adopt an emergency rule with 48 hours' notice, with
20 opportunity to comment, provided that the usual rule-making
21 procedures provided in the compact and in this section shall be
22 retroactively applied to the rule as soon as reasonably possible, in
23 no event later than 90 days after the effective date of the rule. For
24 the purposes of this provision, an emergency rule is one that must be
25 adopted immediately in order to:

26 (a) Meet an imminent threat to public health, safety, or welfare;

27 (b) Prevent a loss of commission or member state funds;

28 (c) Meet a deadline for the promulgation of a rule that is
29 established by federal law or rule; or

30 (d) Protect public health and safety.

31 (13) The commission or an authorized committee of the commission
32 may direct revisions to a previously adopted rule for purposes of
33 correcting typographical errors, errors in format, errors in
34 consistency, or grammatical errors. Public notice of any revisions
35 shall be posted on the website of the commission. The revision shall
36 be subject to challenge by any person for a period of 30 days after
37 posting. The revision may be challenged only on grounds that the
38 revision results in a material change to a rule. A challenge shall be
39 made in writing and delivered to the commission prior to the end of
40 the notice period. If no challenge is made, the revision will take

1 effect without further action. If the revision is challenged, the
2 revision may not take effect without the approval of the commission.

3 (14) No member state's rule-making requirements shall apply under
4 this compact.

5 NEW SECTION. **Sec. 14.** (1) Oversight.

6 (a) The executive and judicial branches of state government in
7 each member state shall enforce this compact and take all actions
8 necessary and appropriate to implement the compact.

9 (b) Except as otherwise provided in this compact, venue is proper
10 and judicial proceedings by or against the commission shall be
11 brought solely and exclusively in a court of competent jurisdiction
12 where the principal office of the commission is located. The
13 commission may waive venue and jurisdictional defenses to the extent
14 it adopts or consents to participate in alternative dispute
15 resolution proceedings. Nothing herein shall affect or limit the
16 selection or propriety of venue in any action against a licensee for
17 professional malpractice, misconduct, or any such similar matter.

18 (c) The commission shall be entitled to receive service of
19 process in any proceeding regarding the enforcement or interpretation
20 of the compact and shall have standing to intervene in such a
21 proceeding for all purposes. Failure to provide the commission
22 service of process shall render a judgment or order void as to the
23 commission, this compact, or promulgated rules.

24 (2) Default, technical assistance, and termination.

25 (a) If the commission determines that a member state has
26 defaulted in the performance of its obligations or responsibilities
27 under this compact or the promulgated rules, the commission shall
28 provide written notice to the defaulting state. The notice of default
29 shall describe the default, the proposed means of curing the default,
30 and any other action that the commission may take, and shall offer
31 training and specific technical assistance regarding the default.

32 (b) The commission shall provide a copy of the notice of default
33 to the other member states.

34 (3) If a state in default fails to cure the default, the
35 defaulting state may be terminated from the compact upon an
36 affirmative vote of a majority of the delegates of the member states,
37 and all rights, privileges, and benefits conferred on that state by
38 this compact may be terminated on the effective date of termination.

1 A cure of the default does not relieve the offending state of
2 obligations or liabilities incurred during the period of default.

3 (4) Termination of membership in the compact shall be imposed
4 only after all other means of securing compliance have been
5 exhausted. Notice of intent to suspend or terminate shall be given by
6 the commission to the governor, the majority and minority leaders of
7 the defaulting state's legislature, the defaulting state's state
8 licensing authority, and each of the member states' state licensing
9 authority.

10 (5) A state that has been terminated is responsible for all
11 assessments, obligations, and liabilities incurred through the
12 effective date of termination, including obligations that extend
13 beyond the effective date of termination.

14 (6) Upon the termination of a state's membership from this
15 compact, that state shall immediately provide notice to all licensees
16 within that state of such termination. The terminated state shall
17 continue to recognize all licenses granted pursuant to this compact
18 for a minimum of six months after the date of said notice of
19 termination.

20 (7) The commission shall not bear any costs related to a state
21 that is found to be in default or that has been terminated from the
22 compact, unless agreed upon in writing between the commission and the
23 defaulting state.

24 (8) The defaulting state may appeal the action of the commission
25 by petitioning the United States district court for the District of
26 Columbia or the federal district where the commission has its
27 principal offices. The prevailing party shall be awarded all costs of
28 such litigation, including reasonable attorneys' fees.

29 (9) Dispute resolution.

30 (a) Upon request by a member state, the commission shall attempt
31 to resolve disputes related to the compact that arise among member
32 states and between member and nonmember states.

33 (b) The commission shall promulgate a rule providing for both
34 mediation and binding dispute resolution for disputes as appropriate.

35 (10) Enforcement.

36 (a) By majority vote as provided by rule, the commission may
37 initiate legal action against a member state in default in the United
38 States district court for the District of Columbia or the federal
39 district where the commission has its principal offices to enforce
40 compliance with the provisions of the compact and its promulgated

1 rules. The relief sought may include both injunctive relief and
2 damages. In the event judicial enforcement is necessary, the
3 prevailing party shall be awarded all costs of such litigation,
4 including reasonable attorneys' fees. The remedies herein shall not
5 be the exclusive remedies of the commission. The commission may
6 pursue any other remedies available under federal or the defaulting
7 member state's law.

8 (b) A member state may initiate legal action against the
9 commission in the United States district court for the District of
10 Columbia or the federal district where the commission has its
11 principal offices to enforce compliance with the provisions of the
12 compact and its promulgated rules. The relief sought may include both
13 injunctive relief and damages. In the event judicial enforcement is
14 necessary, the prevailing party shall be awarded all costs of such
15 litigation, including reasonable attorneys' fees.

16 (c) No person other than a member state shall enforce this
17 compact against the commission.

18 NEW SECTION. **Sec. 15.** (1) The compact shall come into effect on
19 the date on which the compact statute is enacted into law in the
20 seventh member state.

21 (a) On or after the effective date of the compact, the commission
22 shall convene and review the enactment of each of the first seven
23 member states ("charter member states") to determine if the statute
24 enacted by each such charter member state is materially different
25 than the model compact statute.

26 (i) A charter member state whose enactment is found to be
27 materially different from the model compact statute shall be entitled
28 to the default process set forth in section 14 of this act.

29 (ii) If any member state is later found to be in default, or is
30 terminated or withdraws from the compact, the commission shall remain
31 in existence and the compact shall remain in effect even if the
32 number of member states should be less than seven.

33 (b) Member states enacting the compact subsequent to the seven
34 initial charter member states shall be subject to the process set
35 forth in section 11(3)(u) of this act to determine if their
36 enactments are materially different from the model compact statute
37 and whether they qualify for participation in the compact.

38 (c) All actions taken for the benefit of the commission or in
39 furtherance of the purposes of the administration of the compact

1 prior to the effective date of the compact or the commission coming
2 into existence shall be considered to be actions of the commission
3 unless specifically repudiated by the commission.

4 (d) Any state that joins the compact subsequent to the
5 commission's initial adoption of the rules and bylaws shall be
6 subject to the rules and bylaws as they exist on the date on which
7 the compact becomes law in that state. Any rule that has been
8 previously adopted by the commission shall have the full force and
9 effect of law on the day the compact becomes law in that state.

10 (2) Any member state may withdraw from this compact by enacting a
11 statute repealing the same.

12 (a) A member state's withdrawal shall not take effect until 180
13 days after enactment of the repealing statute.

14 (b) Withdrawal shall not affect the continuing requirement of the
15 withdrawing state's licensing authority to comply with the
16 investigative and adverse action reporting requirements of this
17 compact prior to the effective date of withdrawal.

18 (c) Upon the enactment of a statute withdrawing from this
19 compact, a state shall immediately provide notice of such withdrawal
20 to all licensees within that state. Notwithstanding any subsequent
21 statutory enactment to the contrary, such withdrawing state shall
22 continue to recognize all licenses granted pursuant to this compact
23 for a minimum of 180 days after the date of such notice of
24 withdrawal.

25 (3) Nothing contained in this compact shall be construed to
26 invalidate or prevent any licensure agreement or other cooperative
27 arrangement between a member state and a nonmember state that does
28 not conflict with the provisions of this compact.

29 (4) This compact may be amended by the member states. No
30 amendment to this compact shall become effective and binding upon any
31 member state until it is enacted into the laws of all member states.

12 determines that a constitutional requirement of a member state is a
13 material departure from the compact. Otherwise, if this compact shall
14 be held to be contrary to the Constitution of any member state, the
15 compact shall remain in full force and effect as to the remaining
16 member states and in full force and effect as to the member state
17 affected as to all severable matters.

18 NEW SECTION. **Sec. 17.** (1) A licensee providing services in a
19 remote state under a multistate authorization to practice shall

32 constitute a new chapter in Title 18 RCW.
