
SUBSTITUTE HOUSE BILL 2258

State of Washington

68th Legislature

2024 Regular Session

By House Local Government (originally sponsored by Representatives Ormsby, Riccelli, Leavitt, and Simmons)

READ FIRST TIME 01/29/24.

1 AN ACT Relating to providing funding for municipalities
2 participating in the regional 911 emergency communications system;
3 adding a new section to chapter 82.14B RCW; and providing an
4 effective date.

5 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF WASHINGTON:

6 NEW SECTION. **Sec. 1.** A new section is added to chapter 82.14B
7 RCW to read as follows:

8 (1) A county located east of the crest of the Cascade mountains
9 with a population between 530,000 and 1,500,000 receiving tax
10 revenues under this chapter that operates a regional 911 emergency
11 communications system that transfers emergency calls to a municipal
12 911 emergency communications system operator in a city with a
13 population over 50,000 for disposition and dispatch must transfer a
14 portion of the tax revenues received under this chapter to the
15 corresponding local government operating the municipal 911 emergency
16 communications system receiving the transferred calls.

17 (2) The amount to be transferred from the county operating the
18 regional 911 emergency communications system to the local government
19 operating the municipal 911 emergency communications system receiving
20 the transferred calls pursuant to subsection (1) of this section must
21 be calculated as follows:

1 (a) The amount of tax revenues received by the county for the
2 quarter pursuant to this chapter divided by the number of total 911
3 emergency calls received by the regional 911 emergency communications
4 system for the quarter;

5 (b) The amount calculated in (a) of this subsection multiplied by
6 the number of 911 emergency calls transferred from the regional 911
7 emergency communications system to the municipal 911 emergency
8 communications system operator for disposition and dispatch for the
9 quarter;

10 (c) The amount calculated in (b) of this subsection multiplied by
11 80 percent.

12 (3) The amount calculated in subsection (2)(c) of this section
13 must be transferred quarterly by the county operating the regional
14 911 emergency communications system to the local government operating
15 the municipal 911 emergency communications system.

16 (4) For the purposes of this section, "regional 911 emergency
17 communications system" means a 911 emergency communications system
18 operated by a county that is responsible for receiving incoming 911
19 emergency calls for multiple local government law enforcement and
20 fire response agencies.

21 NEW SECTION. **Sec. 2.** This act takes effect January 1, 2025.
