Read first time 01/10/24. Referred to Committee on Housing.

1 AN ACT Relating to creating a Washington state department of
2 housing; creating new sections; and providing an expiration date.

3 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF WASHINGTON:

4 NEW SECTION. **Sec. 1.** The legislature finds that affordable
5 housing and homelessness have reached an unprecedented crisis level
6 in Washington state. These issues are not isolated to any one part of
7 our state, rather they are challenges being faced by every community
8 across the state.

9 The legislature finds that in response to these challenges, the
10 state has expanded the scope and authority of the department of
11 commerce, which has diligently worked to introduce and grow programs
12 to increase housing supply, incentivize and manage development,
13 provide rental assistance, support housing providers, and shelter
14 residents. The state recognizes and thanks the department for their
15 efforts and commitment to Washington's residents.

16 As the crisis continues, the legislature finds a need for a more
17 holistic approach to housing and homelessness issues and better
18 alignment of state policies across agencies and in partnership with
19 local jurisdictions and community-based programs.

20 Therefore, the legislature intends to establish a new state
21 department of housing that will focus solely on housing and

1 homelessness issues and bring together state programs that currently
2 span multiple agencies and partners. The legislature also intends to
3 engage a professional consultant to help facilitate the transition of
4 programs and identify gaps that may be filled by the new department.
5 The legislature further intends to launch the department by July 2025
6 to reflect the urgency of the crisis and the state's continued role
7 as a leader in the nation.

8 NEW SECTION. **Sec. 2.** (1) The office of financial management
9 must contract with an external consultant to study and help
10 facilitate the transition of state housing programs to a new state

14 (b) The organizational structure for the new department,

17 of the reasons why a specific housing function or program is not
18 recommended for inclusion, if any;

19 (c) Any gaps in existing rental, transitional housing, senior
20 housing, homelessness, homeownership, and manufactured housing
21 programs provided by the state including, but not limited to:

34 mitigation sites if the number of homeless people increase within
35 their jurisdiction based on the annual homeless census conducted
36 under RCW 43.185C.030; and

37 (vii) How the state may subsidize housing choice vouchers issued
38 under 42 U.S.C. Sec. 1437(f) when fair market rents calculated by the

1 United States department of housing and urban development do not keep
2 pace with rent;

3 (d) Estimated costs for the reorganization, including information
4 technology and capital, and potential funding sources;

5 (e) A clear process for managing the reorganization; and

6 (f) Measurable benchmarks by which the effectiveness of the new
7 department would be assessed.
