11 learners. Policies for the expenditure of funds constituting the
12 working connections child care program must be consistent with the

20 (4)(a) Beginning July 1, 2021, and subject to the availability of
21 amounts appropriated for this specific purpose, the department may
22 not require an applicant or consumer to meet work requirements as a
23 condition of receiving working connections child care benefits when
24 the applicant or consumer is a full-time student of a community,
25 technical, or tribal college and is enrolled in:

26 (i) A vocational education program that leads to a degree or
27 certificate in a specific occupation;

28 (ii) An associate degree program; or

30 (b) An applicant or consumer is a full-time student for the
31 purposes of this subsection if he or she meets the college's
32 definition of a full-time student.

33 (c) Nothing in this subsection is intended to change how
34 applicants or consumers are prioritized when applicants or consumers
35 are placed on a waitlist for working connections child care benefits.

6 otherwise meets eligibility requirements, when the applicant or
7 consumer has a household income that does not exceed 85 percent of
8 the state median income at the time of application.

9 (b) The department must adopt a copayment model for benefits
10 granted under this subsection to consumers with household incomes

12 income at the time of application, which must align with any
13 copayment identified or adopted under RCW 43.216.1368.
