2 posttraumatic stress disorders affecting registered nurses; amending
3 RCW 51.08.142; adding a new section to chapter 51.32 RCW; and
4 providing an effective date.

5 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF WASHINGTON:

6 **Sec. 1.** RCW 51.08.142 and 2020 c 234 s 1 are each amended to
7 read as follows:

8 (1) Except as provided in (~~subsection~~) subsections (2) and (3)
9 of this section, the department shall adopt a rule pursuant to
10 chapter 34.05 RCW that claims based on mental conditions or mental
11 disabilities caused by stress do not fall within the definition of
12 occupational disease in RCW 51.08.140.

13 (2)(a) Except as provided in (b) and (c) of this subsection, the
14 rule adopted under subsection (1) of this section shall not apply to
15 occupational disease claims resulting from posttraumatic stress
16 disorders of firefighters as defined in RCW 41.26.030(17) (a), (b),
17 (c), and (h) and firefighters, including supervisors, employed on a
18 full-time, fully compensated basis as a firefighter of a private
19 sector employer's fire department that includes over fifty such
20 firefighters, and law enforcement officers as defined in RCW

1 41.26.030(19) (b), (c), and (e), and public safety telecommunicators
2 who receive calls for assistance and dispatch emergency services.

3 (b) For firefighters as defined in RCW 41.26.030(17) (a), (b),
4 (c), and (h) and firefighters, including supervisors, employed on a
5 full-time, fully compensated basis as a firefighter of a private
6 sector employer's fire department that includes over fifty such
7 firefighters, and law enforcement officers as defined in RCW
8 41.26.030(19) (b), (c), and (e) hired after June 7, 2018, and public
9 safety telecommunicators hired after June 11, 2020, (a) of this
10 subsection only applies if the firefighter or law enforcement officer
11 or public safety telecommunicators, as a condition of employment, has
12 submitted to a psychological examination administered by a
13 psychiatrist licensed in the state of Washington under chapter 18.71
14 RCW or a psychologist licensed in the state of Washington under
15 chapter 18.83 RCW that ruled out the presence of posttraumatic stress
16 disorder from preemployment exposures. If the employer does not
17 provide the psychological examination, (a) of this subsection
18 applies.

19 (c) Posttraumatic stress disorder for purposes of (~~this~~
20 ~~subsection~~) subsections (2) and (3) of this section is not
21 considered an occupational disease if the disorder is directly
22 attributed to disciplinary action, work evaluation, job transfer,
23 layoff, demotion, termination, or similar action taken in good faith
24 by an employer.

25 (d) "Public safety telecommunicators" means individuals who
26 receive and respond to telephone or other electronic requests for
27 emergency assistance, such as law enforcement, fire, and medical
28 services, and dispatch appropriate emergency responders.

29 (3)(a) Except as provided in this subsection, the rule adopted
30 under subsection (1) of this section shall not apply to occupational
31 disease claims resulting from posttraumatic stress disorders of
32 direct care registered nurses as defined in section 2 of this act.

33 (b) The limitation in subsection (2)(c) of this section also
34 applies to this subsection (3).

35 NEW SECTION. Sec. 2. A new section is added to chapter 51.32
36 RCW to read as follows:

37 (1) In the case of direct care registered nurses covered under
38 this title who are employed on a fully compensated basis, there

1 exists a prima facie presumption that posttraumatic stress disorder
2 is an occupational disease under RCW 51.08.140.

3 (2) The presumption may be rebutted by clear and convincing
4 evidence.

5 (3) The presumption extends to a claimant following termination
6 of employment for a period of three calendar months for each year the
7 claimant was a direct care registered nurse employed on a fully
8 compensated basis, but may not extend more than 60 months following
9 the last date of employment.

10 (4) (a) When a determination involving the presumption established
11 under this section is appealed to the board of industrial insurance
12 appeals and the final decision allows the claim for benefits, the
13 board of industrial insurance appeals shall order that all reasonable
14 costs of the appeal, including attorneys' fees and witness fees, be
15 paid to the claimant or his or her beneficiary by the opposing party.

16 (b) When determination involving the presumption established
17 under this section is appealed to any court and the final decision
18 allows the claim for benefits, the court shall order that all
19 reasonable costs of the appeal, including attorneys' fees and witness
20 fees, be paid to the claimant or his or her beneficiary by the
21 opposing party.

22 (c) When reasonable costs of the appeal must be paid by the
23 department under this section in a state fund case, the costs shall
24 be paid from the accident fund and charged to the costs of the claim.

25 (5) For purposes of this section, "direct care registered nurse"
26 means an individual licensed as a nurse under chapter 18.79 RCW who
27 provides direct care to patients.

28 NEW SECTION. **Sec. 3.** This act takes effect January 1, 2024.
