AS AMENDED BY THE HOUSE

Passed Legislature - 2024 Regular Session

**State of Washington**                      **68th Legislature**                      **2024 Regular Session**

**By** Senate State Government & Elections (originally sponsored by Senators Valdez, Keiser, Conway, Hasegawa, and Nobles)

READ FIRST TIME 01/31/24.

1            AN ACT Relating to prompt payment in public works; creating new  
2 sections; and declaring an emergency.

3 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF WASHINGTON:

4            NEW SECTION.    **Sec. 1.**    (1) The legislature finds that prompt pay  
5 requirements address the acceptable amount of time that payments must  
6 be made to contractors and subcontractors, and under what  
7 circumstances exceptions can be made. Washington state has prompt pay  
8 statutes that apply to public works commissioned by the state or  
9 local public entities such as counties, cities, towns, port  
10 districts, school districts, and other public entities in the state.  
11 These statutes intend to promote efficient implementation of public  
12 works projects by, among other things, requiring timely payment to  
13 assist contractors and subcontractors in operating their businesses  
14 and meet working capital and cash flow needs, while enabling public  
15 entities to address such things as disagreements over amounts owed,  
16 unsatisfactory performance, and noncompliance with the terms of the  
17 contract.

18            (2) The legislature intends to review how well prompt pay  
19 provisions are working for small businesses, particularly women and  
20 minority-owned businesses, potential improvements that could be

1 considered, and the potential impacts on the industry any  
2 recommendations might have.

3 NEW SECTION. **Sec. 2.** (1)(a) The capital projects advisory  
4 review board created in chapter 39.10 RCW shall review the extent to  
5 which prompt pay statutes meet the needs of small businesses, as  
6 defined in RCW 39.26.010, particularly women and minority-owned  
7 businesses as certified under chapter 39.19 RCW or as officially  
8 recognized as such by a local public entity. These statutes include  
9 RCW 39.04.250, 39.76.011, and 39.76.020.

10 (b) The capital projects advisory review board must present  
11 findings and any recommendations the board develops to the  
12 appropriate committees of the legislature on or before November 1,  
13 2024.

14 (2) In carrying out the review and considering possible  
15 recommendations under subsection (1) of this section, the board shall  
16 engage with a broad range of stakeholders.

17 NEW SECTION. **Sec. 3.** In considering possible recommendations  
18 under section 2(1)(b) of this act, at a minimum the capital projects  
19 advisory review board shall consider:

20 (1) Requiring the state and local entities to pay the prime  
21 contractor within 30 days for work satisfactorily completed or  
22 materials delivered by a subcontractor of any tier that is a small  
23 business certified with the office of minority and women's business  
24 enterprises under chapter 39.19 RCW, or is recognized as a women or  
25 minority-owned business enterprise in a state of Washington port,  
26 county, or municipal small business or women or minority-owned  
27 business enterprise program;

28 (2) Requiring that, within 10 days of receipt of payment, the  
29 prime contractor and each higher tier subcontractor must make payment  
30 to its subcontractor until the subcontractor that is a certified  
31 small business or recognized women or minority-owned business has  
32 received payment.

33 NEW SECTION. **Sec. 4.** This act is necessary for the immediate  
34 preservation of the public peace, health, or safety, or support of

1 the state government and its existing public institutions, and takes  
2 effect immediately.
