SENATE COMMITTEE ON LOCAL GOVERNMENT

Staff: Karen Epps (786-7424)

Background: A park and recreation district (district) is a type of special purpose district created to provide leisure time activities, facilities, and recreational facilities as a public service to the residents of the area within its boundaries. Its area may include incorporated and unincorporated property. The term recreational facilities means parks, playgrounds, gymnasiums, swimming pools, field houses, bathing beaches, stadiums, golf courses, automobile racetracks and drag strips, coliseums for the display of spectator sports, public campgrounds, boat ramps and launching sites, public hunting and fishing areas, arboretums, bicycle and bridle paths, senior citizen centers, community centers, and other recreational facilities.

The process of creating a district requires submitting a petition to the county signed by 15 percent of the registered voters within the area proposed to encompass the district. The

board of county commissioners specifies the boundaries of the proposed district and, together with any funding obligations, presents the matter to the voters in the form of a ballot proposition for approval.

A district is governed by a board of five elected commissioners with four-year staggered terms. The district may fund its operations by means of excess levies and regular property tax levies. Disposal of property must be by unanimous vote of the district commissioners.

Summary of Bill: The definition of recreational facilities is amended to include community centers which could include public libraries within less than 45 percent of the usable space.

Appropriation: None.

Fiscal Note: Not requested.

Creates Committee/Commission/Task Force that includes Legislative members: No.

Effective Date: Ninety days after adjournment of session in which bill is passed.
