
HOUSE BILL 1014

State of Washington

69th Legislature

2025 Regular Session

By Representatives Schmidt, Walen, Timmons, Fey, Ormsby, and Hill

Prefiled 12/05/24. Read first time 01/13/25. Referred to Committee on Civil Rights & Judiciary.

1 AN ACT Relating to implementing recommendations of the 2023 child
2 support schedule work group; amending RCW 26.19.065, 26.19.071,
3 26.19.080, 26.09.170, 26.23.050, 74.20A.055, 74.20A.056, 74.20A.059,
4 and 26.19.020; reenacting and amending RCW 26.09.004; adding new
5 sections to chapter 26.09 RCW; creating new sections; providing
6 effective dates; and providing an expiration date.

7 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF WASHINGTON:

8 **Sec. 1.** RCW 26.19.065 and 2018 c 150 s 401 are each amended to
9 read as follows:

10 (1) **Limit at (~~forty-five~~) 45 percent of a parent's net income.**
11 Neither parent's child support obligation owed for all his or her
12 biological or legal children may exceed (~~forty-five~~) 45 percent of
13 net income except for good cause shown.

14 (a) Each child is entitled to a pro rata share of the income
15 available for support, but the court only applies the pro rata share
16 to the children in the case before the court.

17 (b) Before determining whether to apply the (~~forty-five~~) 45
18 percent limitation, the court must consider whether it would be
19 unjust to apply the limitation after considering the best interests
20 of the child and the circumstances of each parent. Such circumstances
21 include, but are not limited to, leaving insufficient funds in the

1 custodial parent's household to meet the basic needs of the child,
2 comparative hardship to the affected households, assets or
3 liabilities, and any involuntary limits on either parent's earning
4 capacity including incarceration, disabilities, or incapacity.

5 (c) Good cause includes, but is not limited to, possession of
6 substantial wealth, children with day care expenses, special medical
7 need, educational need, psychological need, and larger families.

8 (2) **Presumptive minimum support obligation.** (a) When a parent's
9 monthly net income is below (~~(one hundred twenty-five)~~) 180 percent
10 of the federal poverty guideline for a one-person family, a support
11 order of not less than (~~(fifty dollars)~~) \$50 per child per month
12 shall be entered unless the obligor parent establishes that it would
13 be unjust to do so in that particular case. The decision whether
14 there is a sufficient basis to deviate below the presumptive minimum
15 payment must take into consideration the best interests of the child
16 and the circumstances of each parent. Such circumstances can include
17 leaving insufficient funds in the custodial parent's household to
18 meet the basic needs of the child, comparative hardship to the
19 affected households, assets or liabilities, and earning capacity.

20 (b) The basic support obligation of the parent making the
21 transfer payment, excluding health care, day care, and special child-
22 rearing expenses, shall not reduce his or her net income below the
23 self-support reserve of (~~(one hundred twenty-five)~~) 180 percent of
24 the federal poverty level for a one-person family, except for the
25 presumptive minimum payment of (~~(fifty dollars)~~) \$50 per child per
26 month or when it would be unjust to apply the self-support reserve
27 limitation after considering the best interests of the child and the
28 circumstances of each parent. Such circumstances include, but are not
29 limited to, leaving insufficient funds in the custodial parent's
30 household to meet the basic needs of the child, comparative hardship
31 to the affected households, assets or liabilities, and earning
32 capacity. This section shall not be construed to require monthly
33 substantiation of income.

34 (c)(i) When a parent's income is greater than the self-support
35 reserve of 180 percent of the federal poverty level for a one-person
36 household, neither parent's basic child support obligation owed for
37 all of the parent's biological or legal children may reduce that
38 parent's income below the self-support reserve of 180 percent of the
39 federal poverty guideline for a one-person household except for the
40 presumptive minimum of \$50 per child per month.

1 (ii) Each child is entitled to a pro rata share of the income
2 available for support but the court only applies the pro rata share
3 to the children in the case before the court. Before determining
4 whether to apply this limitation, the court should consider whether
5 it would be unjust to apply the limitation after considering the best
6 interests of the child and the circumstances of each parent. Such
7 circumstances may include leaving insufficient funds in the custodial
8 parent's household to meet the basic needs of the child, comparative
9 hardship to the affected households, assets or liabilities, and
10 earning capacity.

11 (3) **Income above ((~~twelve thousand dollars~~)) \$50,000.** The
12 economic table is presumptive for combined monthly net incomes up to
13 and including ((~~twelve thousand dollars~~)) \$50,000. When combined
14 monthly net income exceeds ((~~twelve thousand dollars~~)) \$50,000, the
15 court may exceed the presumptive amount of support set for combined
16 monthly net incomes of ((~~twelve thousand dollars~~)) \$50,000 upon
17 written findings of fact.

18 **Sec. 2.** RCW 26.19.071 and 2020 c 227 s 2 are each amended to
19 read as follows:

20 (1) **Consideration of all income.** All income and resources of each
21 parent's household shall be disclosed and considered by the court
22 when the court determines the child support obligation of each
23 parent. Only the income of the parents of the children whose support
24 is at issue shall be calculated for purposes of calculating the basic
25 support obligation. Income and resources of any other person shall
26 not be included in calculating the basic support obligation.

27 (2) **Verification of income.** Tax returns for the preceding two
28 years and current paystubs shall be provided to verify income and
29 deductions. Other sufficient verification shall be required for
30 income and deductions which do not appear on tax returns or paystubs.

31 (3) **Income sources included in gross monthly income.** Except as
32 specifically excluded in subsection (4) of this section, monthly
33 gross income shall include income from any source, including:

- 34 (a) Salaries;
- 35 (b) Wages;
- 36 (c) Commissions;
- 37 (d) Deferred compensation;
- 38 (e) Overtime, except as excluded for income in subsection (4)(i)
- 39 of this section;

1 (f) Contract-related benefits;
2 (g) Income from second jobs, except as excluded for income in
3 subsection (4) (i) of this section;
4 (h) Dividends;
5 (i) Interest;
6 (j) Trust income;
7 (k) Severance pay;
8 (l) Annuities;
9 (m) Capital gains;
10 (n) Pension retirement benefits;
11 (o) Workers' compensation;
12 (p) Unemployment benefits;
13 (q) Maintenance actually received;
14 (r) Bonuses;
15 (s) Social security benefits;
16 (t) Disability insurance benefits; and
17 (u) Income from self-employment, rent, royalties, contracts,
18 proprietorship of a business, or joint ownership of a partnership or
19 closely held corporation.

20 (4) **Income sources excluded from gross monthly income.** The
21 following income and resources shall be disclosed but shall not be
22 included in gross income:

23 (a) Income of a new spouse or new domestic partner or income of
24 other adults in the household;
25 (b) Child support received from other relationships;
26 (c) Gifts and prizes;
27 (d) Temporary assistance for needy families;
28 (e) Supplemental security income;
29 (f) Aged, blind, or disabled assistance benefits;
30 (g) Pregnant women assistance benefits;
31 (h) Food stamps; and
32 (i) Overtime or income from second jobs beyond (~~forty~~) 40 hours
33 per week averaged over a (~~twelve~~) 12-month period worked to provide
34 for a current family's needs, to retire past relationship debts, or
35 to retire child support debt, when the court finds the income will
36 cease when the party has paid off his or her debts.

37 Receipt of income and resources from temporary assistance for
38 needy families, supplemental security income, aged, blind, or
39 disabled assistance benefits, and food stamps shall not be a reason
40 to deviate from the standard calculation.

1 (5) **Determination of net income.** The following expenses shall be
2 disclosed and deducted from gross monthly income to calculate net
3 monthly income:

4 (a) Federal and state income taxes;

5 (b) Federal insurance contributions act deductions;

6 (c) Mandatory pension plan payments;

7 (d) Mandatory union or professional dues;

8 (e) Other mandatory state deductions, such as mandatory state
9 insurance premiums actually paid, including for the paid family and
10 medical leave program and long-term services and supports trust
11 program;

12 (f) State industrial insurance premiums;

13 ((f)) (g) Court-ordered maintenance to the extent actually
14 paid;

15 ((g)) (h) Up to ((five thousand dollars)) \$5,000 per year in
16 voluntary retirement contributions actually made if the contributions
17 show a pattern of contributions during the one-year period preceding
18 the action establishing the child support order unless there is a
19 determination that the contributions were made for the purpose of
20 reducing child support; and

21 ((h)) (i) Normal business expenses and self-employment taxes
22 for self-employed persons. Justification shall be required for any
23 business expense deduction about which there is disagreement.

24 Items deducted from gross income under this subsection shall not
25 be a reason to deviate from the standard calculation.

26 (6) **Imputation of income.** The court shall impute income to a
27 parent when the parent is voluntarily unemployed or voluntarily
28 underemployed. The court shall determine whether the parent is
29 voluntarily underemployed or voluntarily unemployed based upon that
30 parent's assets, residence, employment and earnings history, job
31 skills, educational attainment, literacy, health, age, criminal
32 record, dependency court obligations, and other employment barriers,
33 record of seeking work, the local job market, the availability of
34 employers willing to hire the parent, the prevailing earnings level
35 in the local community, or any other relevant factors. A court shall
36 not impute income to a parent who is gainfully employed on a full-
37 time basis, unless the court finds that the parent is voluntarily
38 underemployed and finds that the parent is purposely underemployed to
39 reduce the parent's child support obligation. Income shall not be
40 imputed for an unemployable parent. Income shall not be imputed to a

1 parent to the extent the parent is unemployed or significantly
2 underemployed due to the parent's efforts to comply with court-
3 ordered reunification efforts under chapter 13.34 RCW or under a
4 voluntary placement agreement with an agency supervising the child.

5 (a) Except as provided in (b) of this subsection, in the absence
6 of records of a parent's actual earnings, the court shall impute a
7 parent's income in the following order of priority:

8 (i) Full-time earnings at the current rate of pay;

9 (ii) Full-time earnings at the historical rate of pay based on
10 reliable information, such as employment security department data;

11 (iii) Full-time earnings at a past rate of pay where information
12 is incomplete or sporadic;

13 (iv) Earnings of (~~thirty-two~~) 32 hours per week at minimum wage
14 in the jurisdiction where the parent resides if the parent is on or
15 recently coming off temporary assistance for needy families or
16 recently coming off aged, blind, or disabled assistance benefits,
17 pregnant women assistance benefits, essential needs and housing
18 support, supplemental security income, or disability, has recently
19 been released from incarceration, or is a recent high school
20 graduate. Imputation of earnings at (~~thirty-two~~) 32 hours per week
21 under this subsection is a rebuttable presumption;

22 (v) Full-time earnings at minimum wage in the jurisdiction where
23 the parent resides if the parent has a recent history of minimum wage
24 earnings, has never been employed and has no earnings history, or has
25 no significant earnings history;

26 (vi) Median net monthly income of year-round full-time workers as
27 derived from the United States bureau of census, current population
28 reports, or such replacement report as published by the bureau of
29 census.

30 (b) When a parent is currently enrolled in high school full-time,
31 the court shall consider the totality of the circumstances of both
32 parents when determining whether each parent is voluntarily
33 unemployed or voluntarily underemployed. If a parent who is currently
34 enrolled in high school is determined to be voluntarily unemployed or
35 voluntarily underemployed, the court shall impute income at earnings
36 of (~~twenty~~) 20 hours per week at minimum wage in the jurisdiction
37 where that parent resides. Imputation of earnings at (~~twenty~~) 20
38 hours per week under this subsection is a rebuttable presumption.

1 **Sec. 3.** RCW 26.19.080 and 2009 c 84 s 5 are each amended to read
2 as follows:

3 (1) The basic child support obligation derived from the economic
4 table shall be allocated between the parents based on each parent's
5 share of the combined monthly net income.

6 (2) Health care costs are not included in the economic table.
7 Monthly health care costs shall be shared by the parents in the same
8 proportion as the basic child support obligation. Health care costs
9 shall include, but not be limited to, medical, dental, orthodontia,
10 vision, chiropractic, mental health treatment, prescription
11 medications, and other similar costs for care and treatment.

12 (3) Day care and special child rearing expenses, such as tuition
13 and long-distance transportation costs to and from the parents for
14 visitation purposes, are not included in the economic table. These
15 expenses shall be shared by the parents in the same proportion as the
16 basic child support obligation. If an obligor pays court or
17 administratively ordered day care or special child rearing expenses
18 that are not actually incurred, the obligee must reimburse the
19 obligor for the overpayment if the overpayment amounts to at least
20 (~~twenty~~) 20 percent of the obligor's annual day care or special
21 child rearing expenses. The obligor may institute an action in the
22 superior court or file an application for an adjudicative hearing
23 with the department of social and health services for reimbursement
24 of day care and special child rearing expense overpayments that
25 amount to (~~twenty~~) 20 percent or more of the obligor's annual day
26 care and special child rearing expenses. Any ordered overpayment
27 reimbursement shall be applied first as an offset to child support
28 arrearages of the obligor. If the obligor does not have child support
29 arrearages, the reimbursement may be in the form of a direct
30 reimbursement by the obligee or a credit against the obligor's future
31 support payments. If the reimbursement is in the form of a credit
32 against the obligor's future child support payments, the credit shall
33 be spread equally over a (~~twelve~~) 12-month period. Absent agreement
34 of the obligee, nothing in this section entitles an obligor to pay
35 more than his or her proportionate share of day care or other special
36 child rearing expenses in advance and then deduct the overpayment
37 from future support transfer payments.

38 (4) Mandatory educational expenses and optional educational
39 expenses are not included in the economic table. These expenses must

1 be shared by the parents in the same proportion as the basic child
2 support obligation.

3 (5) The court may exercise its discretion to determine the
4 necessity for and the reasonableness of all amounts ordered in excess
5 of the basic child support obligation.

6 **Sec. 4.** RCW 26.09.004 and 2009 c 502 s 1 are each reenacted and
7 amended to read as follows:

8 The definitions in this section apply throughout this chapter.

9 (1) "Department" means the department of social and health
10 services.

11 (2) "Incapacitation" or "incapacitated" means the inability to
12 pay child support due to participation in court-ordered treatment for
13 a behavioral health disorder issued under chapter 71.05 RCW.

14 (3) "Military duties potentially impacting parenting functions"
15 means those obligations imposed, voluntarily or involuntarily, on a
16 parent serving in the armed forces that may interfere with that
17 parent's abilities to perform his or her parenting functions under a
18 temporary or permanent parenting plan. Military duties potentially
19 impacting parenting functions include, but are not limited to:

20 (a) "Deployment," which means the temporary transfer of a service
21 member serving in an active-duty status to another location in
22 support of a military operation, to include any tour of duty
23 classified by the member's branch of the armed forces as "remote" or
24 "unaccompanied";

25 (b) "Activation" or "mobilization," which means the call-up of a
26 national guard or reserve service member to extended active-duty
27 status. For purposes of this definition, "mobilization" does not
28 include national guard or reserve annual training, inactive duty
29 days, or drill weekends; or

30 (c) "Temporary duty," which means the transfer of a service
31 member from one military base or the service member's home to a
32 different location, usually another base, for a limited period of
33 time to accomplish training or to assist in the performance of a
34 noncombat mission.

35 ~~((2))~~ (4) "Parenting functions" means those aspects of the
36 parent-child relationship in which the parent makes decisions and
37 performs functions necessary for the care and growth of the child.
38 Parenting functions include:

1 (a) Maintaining a loving, stable, consistent, and nurturing
2 relationship with the child;

3 (b) Attending to the daily needs of the child, such as feeding,
4 clothing, physical care and grooming, supervision, health care, and
5 day care, and engaging in other activities which are appropriate to
6 the developmental level of the child and that are within the social
7 and economic circumstances of the particular family;

8 (c) Attending to adequate education for the child, including
9 remedial or other education essential to the best interests of the
10 child;

11 (d) Assisting the child in developing and maintaining appropriate
12 interpersonal relationships;

13 (e) Exercising appropriate judgment regarding the child's
14 welfare, consistent with the child's developmental level and the
15 family's social and economic circumstances; and

16 (f) Providing for the financial support of the child.

17 (~~(3)~~) (5) "Permanent parenting plan" means a plan for parenting
18 the child, including allocation of parenting functions, which plan is
19 incorporated in any final decree or decree of modification in an
20 action for dissolution of marriage or domestic partnership,
21 declaration of invalidity, or legal separation.

22 (~~(4)~~) (6) "Temporary parenting plan" means a plan for parenting
23 of the child pending final resolution of any action for dissolution
24 of marriage or domestic partnership, declaration of invalidity, or
25 legal separation which is incorporated in a temporary order.

26 NEW SECTION. **Sec. 5.** A new section is added to chapter 26.09
27 RCW to read as follows:

28 (1) When a child support order contains language providing for
29 abatement based on incapacitation of the person required to pay child
30 support, there is a rebuttable presumption that an incapacitated
31 person is unable to pay the child support obligation. The presumption
32 may be rebutted by evidence demonstrating that the person required to
33 pay support has possession of, or access to, income or assets
34 available to provide support while incapacitated. Unless the
35 presumption is rebutted, the provisions of subsection (3) of this
36 section apply.

37 (2)(a) If the child support order does not contain language
38 providing for abatement based on incapacitation of the person
39 required to pay support, the department, the person required to pay

1 support, the payee under the order, or the person entitled to receive
2 support may commence an action in the appropriate forum to:

3 (i) Modify or amend the support order to contain abatement
4 language; and

5 (ii) Abate the person's child support obligation due to current
6 incapacitation for a maximum of six months.

7 (b) In a proceeding brought under this subsection, there is a
8 rebuttable presumption that an incapacitated person is unable to pay
9 the child support obligation. The department, the payee under the
10 order, or the person entitled to receive support, may rebut the
11 presumption by demonstrating that the person required to pay support
12 has possession of, or access to, income or assets available to
13 provide support while incapacitated.

14 (c) Unless the presumption is rebutted, the provisions of
15 subsection (3) of this section apply.

16 (3) If the court or administrative forum determines that
17 abatement of support is appropriate:

18 (a) The child support obligation under the order in front of the
19 court will be abated to \$50 per month per child while the person
20 required to pay support is undergoing court-ordered behavioral health
21 treatment.

22 (b) Abatement of the support obligation to \$50 per month per
23 child will remain in place until the earlier of: The last day of the
24 month in which the person is discharged from court-ordered behavioral
25 health treatment; or the last day of the sixth month after the
26 effective date of the abatement.

27 (c) After abatement of support is terminated, the support
28 obligation of the person required to pay support under the order is
29 automatically reinstated at 100 percent of the support amount
30 provided in the underlying order.

31 (4) The effective date of abatement of a child support obligation
32 based on incapacitation to \$50 per month per child is the date on
33 which the court order for treatment for a behavioral health disorder
34 is entered. However:

35 (a) The person required to pay support is not entitled to a
36 refund of any support collections or payments that were received by
37 the department prior to the date on which the department is notified
38 of the incapacitation; and

39 (b) The department, the payee under the order, or the person
40 entitled to receive support is not required to refund any support

1 collections or payments that were received by the department prior to
2 the date on which the department is notified of incapacitation.

3 (5) Abatement of a child support obligation based on
4 incapacitation of the person required to pay support does not
5 constitute modification or adjustment of the order.

6 (6) Abatement of a child support obligation based on
7 incapacitation of the person required to pay support shall only be
8 approved one time in a person's lifetime, regardless of whether the
9 abatement lasted the full six months.

10 NEW SECTION. **Sec. 6.** A new section is added to chapter 26.09
11 RCW to read as follows:

12 (1) When a child support order contains language regarding
13 abatement to \$50 per month per child based on incapacitation of the
14 person required to pay support, and the department is notified that
15 the person is currently undergoing court-ordered behavioral health
16 treatment, the department must:

17 (a) Review the support order for abatement once the department
18 receives notice from the person required to pay support or someone
19 acting on the person's behalf that the person may qualify for
20 abatement of support;

21 (b) Review its records and other available information to
22 determine if the person required to pay support has possession of, or
23 access to, income or assets available to provide support while
24 incapacitated; and

25 (c) Decide whether abatement of the person's support obligation
26 is appropriate.

27 (2) If the department decides that abatement of the person's
28 support obligation is appropriate, the department must notify the
29 person required to pay support, and the payee under the order or the
30 person entitled to receive support, that the person's support
31 obligation has been abated and that the abatement will continue while
32 the person is undergoing court-ordered behavioral health treatment
33 for a maximum of six months. The department, the person required to
34 pay support, and the payee under the order or the person entitled to
35 receive support, have the right to an administrative hearing under
36 chapter 34.05 RCW regarding the determination.

37 (3) If the department decides that abatement of the person's
38 support obligation is not appropriate, the department must notify the
39 person required to pay support and the payee under the order or the

1 person entitled to receive support, that the department does not
2 believe that abatement of the support obligation should occur. The
3 department, the person required to pay support, and the payee under
4 the order or the person entitled to receive support, have the right
5 to an administrative hearing under chapter 34.05 RCW regarding the
6 determination.

7 NEW SECTION. **Sec. 7.** A new section is added to chapter 26.09
8 RCW to read as follows:

9 When a court or administrative order does not contain language
10 regarding abatement based on incapacitation of the person required to
11 pay support and the department receives notice that the person is
12 currently undergoing court-ordered behavioral health treatment, the
13 department must refer the case to the appropriate forum for a
14 determination of whether the order should be modified or amended to:

15 (1) Contain abatement language as provided in section 5 of this
16 act; and

17 (2) Abate the person's child support obligation due to current
18 incapacitation in accordance with section 5 of this act.

19 **Sec. 8.** RCW 26.09.170 and 2020 c 227 s 13 are each amended to
20 read as follows:

21 (1) Except as otherwise provided in RCW 26.09.070(7), the
22 provisions of any decree respecting maintenance or support may be
23 modified: (a) Only as to installments accruing subsequent to the
24 petition for modification or motion for adjustment except motions to
25 compel court-ordered adjustments, which shall be effective as of the
26 first date specified in the decree for implementing the adjustment;
27 and, (b) except as otherwise provided in this section, only upon a
28 showing of a substantial change of circumstances. The provisions as
29 to property disposition may not be revoked or modified, unless the
30 court finds the existence of conditions that justify the reopening of
31 a judgment under the laws of this state.

32 (2) Unless otherwise agreed in writing or expressly provided in
33 the decree the obligation to pay future maintenance is terminated
34 upon the death of either party or the remarriage of the party
35 receiving maintenance or registration of a new domestic partnership
36 of the party receiving maintenance.

37 (3) Unless otherwise agreed in writing or expressly provided in
38 the decree, provisions for the support of a child are terminated by

1 emancipation of the child or by the death of the person required to
2 pay support for the child.

3 (4) Unless expressly provided by an order of the superior court
4 or a court of comparable jurisdiction, provisions for the support of
5 a child are terminated upon the marriage or registration of a
6 domestic partnership to each other of parties to a paternity or
7 parentage order, or upon the remarriage or registration of a domestic
8 partnership to each other of parties to a decree of dissolution. The
9 remaining provisions of the order, including provisions establishing
10 parentage, remain in effect.

11 (5) (a) A party to an order of child support may petition for a
12 modification based upon a showing of substantially changed
13 circumstances at any time.

14 (b) The voluntary unemployment or voluntary underemployment of
15 the person required to pay support, by itself, is not a substantial
16 change of circumstances.

17 (6) An order of child support may be modified at any time to add
18 language regarding abatement to ~~((ten-dollars))~~ \$10 per month per
19 order due to the incarceration of the person required to pay support,
20 as provided in RCW 26.09.320, or abatement to \$50 per month per child
21 due to incapacitation of the person required to pay support, as
22 provided in section 5 of this act.

23 (a) The department of social and health services, the person
24 entitled to receive support or the payee under the order, or the
25 person required to pay support may petition for a prospective
26 modification of a child support order if ~~((the))~~: (i) The person
27 required to pay support is currently confined in a jail, prison, or
28 correctional facility for at least six months or is serving a
29 sentence greater than six months in a jail, prison, or correctional
30 facility, and the support order does not contain language regarding
31 abatement due to incarceration; or (ii) the person required to pay
32 support is currently undergoing court-ordered behavioral health
33 treatment and the support order does not contain language regarding
34 abatement due to incapacitation.

35 (b) The petition may only be filed if the person required to pay
36 support is currently incarcerated or incapacitated.

37 (c) As part of the petition for modification, the petitioner may
38 also request that the support obligation be abated to ~~((ten-dollars))~~
39 \$10 per month per order due to incarceration, as provided in RCW

1 26.09.320, or abated to \$50 per month per child due to
2 incapacitation, as provided in section 5 of this act.

3 (7) An order of child support may be modified without showing a
4 substantial change of circumstances if the requested modification is
5 to ~~((modify))~~: (a) Modify an existing order when the person required
6 to pay support has been released from incarceration, as provided in
7 RCW 26.09.320(3)(d); or (b) modify an existing order when the person
8 required to pay support has been discharged from court-ordered
9 behavioral health treatment, as provided in section 5 of this act.

10 (8) An order of child support may be modified one year or more
11 after it has been entered without a showing of substantially changed
12 circumstances:

13 (a) If the order in practice works a severe economic hardship on
14 either party or the child;

15 (b) If a child is still in high school, upon a finding that there
16 is a need to extend support beyond the eighteenth birthday to
17 complete high school; or

18 (c) To add an automatic adjustment of support provision
19 consistent with RCW 26.09.100.

20 (9)(a) If ~~((twenty-four))~~ 24 months have passed from the date of
21 the entry of the order or the last adjustment or modification,
22 whichever is later, the order may be adjusted without a showing of
23 substantially changed circumstances based upon:

24 (i) Changes in the income of the person required to pay support,
25 or of the payee under the order or the person entitled to receive
26 support who is a parent of the child or children covered by the
27 order; or

28 (ii) Changes in the economic table or standards in chapter 26.19
29 RCW.

30 (b) Either party may initiate the adjustment by filing a motion
31 and child support worksheets.

32 (c) If the court adjusts or modifies a child support obligation
33 pursuant to this subsection by more than ~~((thirty))~~ 30 percent and
34 the change would cause significant hardship, the court may implement
35 the change in two equal increments, one at the time of the entry of
36 the order and the second six months from the entry of the order.
37 Twenty-four months must pass following the second change before a
38 motion for another adjustment under this subsection may be filed.

39 (10)(a) The department of social and health services may file an
40 action to modify or adjust an order of child support if public

1 assistance money is being paid to or for the benefit of the child and
2 the department has determined that the child support order is at
3 least (~~(fifteen)~~) 15 percent above or below the appropriate child
4 support amount set forth in the standard calculation as defined in
5 RCW 26.19.011.

6 (b) The department of social and health services may file an
7 action to modify or adjust an order of child support in a
8 nonassistance case if:

9 (i) The department has determined that the child support order is
10 at least (~~(fifteen)~~) 15 percent above or below the appropriate child
11 support amount set forth in the standard calculation as defined in
12 RCW 26.19.011;

13 (ii) The department has determined the case meets the
14 department's review criteria; and

15 (iii) A party to the order or another state or jurisdiction has
16 requested a review.

17 (c) If incarceration of the person required to pay support is the
18 basis for the difference between the existing child support order
19 amount and the proposed amount of support determined as a result of a
20 review, the department may file an action to modify or adjust an
21 order of child support even if:

22 (i) There is no other change of circumstances; and

23 (ii) The change in support does not meet the (~~(fifteen)~~) 15
24 percent threshold.

25 (d) The determination of whether the child support order is at
26 least (~~(fifteen)~~) 15 percent above or below the appropriate child
27 support amount must be based on the current income of the parties.

28 (11) The department of social and health services may file an
29 action to modify or adjust an order of child support under
30 subsections (5) through (9) of this section if:

31 (a) Public assistance money is being paid to or for the benefit
32 of the child;

33 (b) A party to the order in a nonassistance case has requested a
34 review; or

35 (c) Another state or jurisdiction has requested a modification of
36 the order.

37 (12) If testimony other than affidavit is required in any
38 proceeding under this section, a court of this state shall permit a
39 party or witness to be deposed or to testify under penalty of perjury

1 by telephone, audiovisual means, or other electronic means, unless
2 good cause is shown.

3 **Sec. 9.** RCW 26.23.050 and 2022 c 243 s 4 are each amended to
4 read as follows:

5 (1) If the division of child support is providing support
6 enforcement services under RCW 26.23.045, or if a party is applying
7 for support enforcement services by signing the application form on
8 the bottom of the support order, the superior court shall include in
9 all court orders that establish or modify a support obligation:

10 (a) A provision that orders and directs the person required to
11 pay support to make all support payments to the Washington state
12 support registry;

13 (b) A statement that withholding action may be taken against
14 wages, earnings, assets, or benefits, and liens enforced against real
15 and personal property under the child support statutes of this or any
16 other state, without further notice to the person required to pay
17 support at any time after entry of the court order, unless:

18 (i) One of the parties demonstrates, and the court finds, that
19 there is good cause not to require immediate income withholding and
20 that withholding should be delayed until a payment is past due; or

21 (ii) The parties reach a written agreement that is approved by
22 the court that provides for an alternate arrangement;

23 (c) A statement that the payee under the order or the person
24 entitled to receive support might be required to submit an accounting
25 of how the support, including any cash medical support, is being
26 spent to benefit the child;

27 (d) A statement that a party to the support order who is required
28 to provide health care coverage for the child or children covered by
29 the order must notify the division of child support and the other
30 party to the support order when the coverage terminates;

31 (e) A statement that any privilege of the person required to pay
32 support to obtain and maintain a license, as defined in RCW
33 74.20A.320, may not be renewed, or may be suspended if the person is
34 not in compliance with a support order as provided in RCW 74.20A.320;
35 (~~and~~)

36 (f) A statement that the support obligation under the order may
37 be abated as provided in RCW 26.09.320 if the person required to pay
38 support is confined in a jail, prison, or correctional facility for

1 at least six months, or is serving a sentence greater than six months
2 in a jail, prison, or correctional facility; and

3 (g) A statement that the support obligation under the order may
4 be abated as provided in section 5 of this act if the person required
5 to pay support is undergoing court-ordered behavioral health
6 treatment issued under chapter 71.05 RCW.

7 As used in this subsection and subsection (3) of this section,
8 "good cause not to require immediate income withholding" means a
9 written determination of why implementing immediate wage withholding
10 would not be in the child's best interests and, in modification
11 cases, proof of timely payment of previously ordered support.

12 (2) In all other cases not under subsection (1) of this section,
13 the court may order the person required to pay support to make
14 payments directly to the person entitled to receive the payments, to
15 the Washington state support registry, or may order that payments be
16 made in accordance with an alternate arrangement agreed upon by the
17 parties.

18 (a) The superior court shall include in all orders under this
19 subsection that establish or modify a support obligation:

20 (i) A statement that withholding action may be taken against
21 wages, earnings, assets, or benefits, and liens enforced against real
22 and personal property under the child support statutes of this or any
23 other state, without further notice to the person required to pay
24 support at any time after entry of the court order, unless:

25 (A) One of the parties demonstrates, and the court finds, that
26 there is good cause not to require immediate income withholding and
27 that withholding should be delayed until a payment is past due; or

28 (B) The parties reach a written agreement that is approved by the
29 court that provides for an alternate arrangement;

30 (ii) A statement that the payee under the order or the person
31 entitled to receive support may be required to submit an accounting
32 of how the support is being spent to benefit the child;

33 (iii) A statement that any party to the order required to provide
34 health care coverage for the child or children covered by the order
35 must notify the division of child support and the other party to the
36 order when the coverage terminates; and

37 (iv) A statement that a party to the order seeking to enforce the
38 other party's obligation to provide health care coverage may:

39 (A) File a motion in the underlying superior court action; or

1 (B) If there is not already an underlying superior court action,
2 initiate an action in the superior court.

3 As used in this subsection, "good cause not to require immediate
4 income withholding" is any reason that the court finds appropriate.

5 (b) The superior court may order immediate or delayed income
6 withholding as follows:

7 (i) Immediate income withholding may be ordered if the person
8 required to pay support has earnings. If immediate income withholding
9 is ordered under this subsection, all support payments shall be paid
10 to the Washington state support registry. The superior court shall
11 issue a mandatory wage assignment order as set forth in chapter 26.18
12 RCW when the support order is signed by the court. The payee under
13 the order or the person entitled to receive the transfer payment is
14 responsible for serving the employer with the order and for its
15 enforcement as set forth in chapter 26.18 RCW.

16 (ii) If immediate income withholding is not ordered, the court
17 shall require that income withholding be delayed until a payment is
18 past due. The support order shall contain a statement that
19 withholding action may be taken against wages, earnings, assets, or
20 benefits, and liens enforced against real and personal property under
21 the child support statutes of this or any other state, without
22 further notice to the person required to pay support, after a payment
23 is past due.

24 (c) If a mandatory income withholding order under chapter 26.18
25 RCW is issued under this subsection and the division of child support
26 provides support enforcement services under RCW 26.23.045, the
27 existing wage withholding assignment is prospectively superseded upon
28 the division of child support's subsequent service of an income
29 withholding order.

30 (3) The office of administrative hearings and the department of
31 social and health services shall require that all support obligations
32 established as administrative orders include a provision which orders
33 and directs that the person required to pay support shall make all
34 support payments to the Washington state support registry. All
35 administrative orders shall also state that any privilege of the
36 person required to pay support to obtain and maintain a license, as
37 defined in RCW 74.20A.320, may not be renewed, or may be suspended if
38 the person is not in compliance with a support order as provided in
39 RCW 74.20A.320. All administrative orders shall also state that
40 withholding action may be taken against wages, earnings, assets, or

1 benefits, and liens enforced against real and personal property under
2 the child support statutes of this or any other state without further
3 notice to the person required to pay support at any time after entry
4 of the order, unless:

5 (a) One of the parties demonstrates, and the presiding officer
6 finds, that there is good cause not to require immediate income
7 withholding; or

8 (b) The parties reach a written agreement that is approved by the
9 presiding officer that provides for an alternate agreement.

10 (4) If the support order does not include the provision ordering
11 and directing that all payments be made to the Washington state
12 support registry and a statement that withholding action may be taken
13 against wages, earnings, assets, or benefits if a support payment is
14 past due or at any time after the entry of the order, or that
15 licensing privileges of the person required to pay support may not be
16 renewed, or may be suspended, the division of child support may serve
17 a notice on the person stating such requirements and authorizations.
18 Service may be by personal service or any form of mail requiring a
19 return receipt.

20 (5) Every support order shall state:

21 (a) The address where the support payment is to be sent;

22 (b) That withholding action may be taken against wages, earnings,
23 assets, or benefits, and liens enforced against real and personal
24 property under the child support statutes of this or any other state,
25 without further notice to the person required to pay support at any
26 time after entry of a support order, unless:

27 (i) One of the parties demonstrates, and the court finds, that
28 there is good cause not to require immediate income withholding; or

29 (ii) The parties reach a written agreement that is approved by
30 the court that provides for an alternate arrangement;

31 (c) The income of the parties, if known, or that their income is
32 unknown and the income upon which the support award is based;

33 (d) The support award as a sum certain amount;

34 (e) The specific day or date on which the support payment is due;

35 (f) The names and ages of the dependent children;

36 (g) A provision requiring both the person required to pay
37 support, and the payee under the order or the person entitled to
38 receive support who is a parent of the child or children covered by
39 the order, to keep the Washington state support registry informed of

1 whether he or she has access to health care coverage at reasonable
2 cost and, if so, the health care coverage information;

3 (h) That either or both the person required to pay support, and
4 the payee under the order or the person entitled to receive support
5 who is a parent of the child or children covered by the order, shall
6 be obligated to provide medical support for a child or children
7 covered by the order through health care coverage if:

8 (i) The person obligated to provide medical support provides
9 accessible coverage for the child or children through private or
10 public health care coverage; or

11 (ii) Coverage that can be extended to cover the child or children
12 is or becomes available to the person obligated to provide medical
13 support through employment or is union-related; or

14 (iii) In the absence of such coverage, through an additional sum
15 certain amount, as that obligated person's monthly payment toward the
16 premium as provided under RCW 26.09.105;

17 (i) That a person obligated to provide medical support who is
18 providing health care coverage must notify both the division of child
19 support and the other party to the order when coverage terminates;

20 (j) That if proof of health care coverage or proof that the
21 coverage is unavailable is not provided within (~~twenty~~) 20 days,
22 the person seeking enforcement or the department may seek direct
23 enforcement of the coverage through the employer or union of the
24 person required to provide medical support without further notice to
25 the person as provided under chapter 26.18 RCW;

26 (k) The reasons for not ordering health care coverage if the
27 order fails to require such coverage;

28 (l) That any privilege of the person required to pay support to
29 obtain and maintain a license, as defined in RCW 74.20A.320, may not
30 be renewed, or may be suspended if the person is not in compliance
31 with a support order as provided in RCW 74.20A.320;

32 (m) That each party to the support order must:

33 (i) Promptly file with the court and update as necessary the
34 confidential information form required by subsection (7) of this
35 section; and

36 (ii) Provide the state case registry and update as necessary the
37 information required by subsection (7) of this section; and

38 (n) That parties to administrative support orders shall provide
39 to the state case registry and update as necessary their residential
40 addresses and the address of the employer of the person required to

1 pay support. The division of child support may adopt rules that
2 govern the collection of parties' current residence and mailing
3 addresses, telephone numbers, dates of birth, social security
4 numbers, the names of the children, social security numbers of the
5 children, dates of birth of the children, driver's license numbers,
6 and the names, addresses, and telephone numbers of the parties'
7 employers to enforce an administrative support order. The division of
8 child support shall not release this information if the division of
9 child support determines that there is reason to believe that release
10 of the information may result in physical or emotional harm to the
11 party or to the child, or a restraining order or protective order is
12 in effect to protect one party from the other party.

13 (6) After the person required to pay support has been ordered or
14 notified to make payments to the Washington state support registry
15 under this section, that person shall be fully responsible for making
16 all payments to the Washington state support registry and shall be
17 subject to payroll deduction or other income-withholding action. The
18 person required to pay support shall not be entitled to credit
19 against a support obligation for any payments made to a person or
20 agency other than to the Washington state support registry except as
21 provided under RCW 74.20.101. A civil action may be brought by the
22 person required to pay support to recover payments made to persons or
23 agencies who have received and retained support moneys paid contrary
24 to the provisions of this section.

25 (7) All petitioners and parties to all court actions under
26 chapters 26.09, 26.12, 26.18, 26.21A, 26.23, 26.26A, 26.26B, and
27 26.27 RCW and minor guardianships under chapter 11.130 RCW shall
28 complete to the best of their knowledge a verified and signed
29 confidential information form or equivalent that provides the
30 parties' current residence and mailing addresses, telephone numbers,
31 dates of birth, social security numbers, driver's license numbers,
32 and the names, addresses, and telephone numbers of the parties'
33 employers, to ensure that the parties' information is added to the
34 judicial information system's person database. The clerk of the court
35 shall not accept petitions, except in parentage actions initiated by
36 the state, orders of child support, decrees of dissolution, or
37 parentage orders for filing in such actions unless accompanied by the
38 confidential information form or equivalent, or unless the
39 confidential information form or equivalent is already on file with
40 the court clerk. In lieu of or in addition to requiring the parties

1 to complete a separate confidential information form, the clerk may
2 collect the information in electronic form. The clerk of the court
3 shall transmit the confidential information form or its data to the
4 division of child support with a copy of the order of child support
5 or parentage order, and may provide copies of the confidential
6 information form or its data and any related findings, decrees,
7 parenting plans, orders, or other documents to the state
8 administrative agency that administers Title IV-A, IV-D, IV-E, or XIX
9 of the federal social security act. In state initiated parentage
10 actions, the parties adjudicated the parents of the child or children
11 shall complete the confidential information form or equivalent or the
12 state's attorney of record may complete that form to the best of the
13 attorney's knowledge.

14 (8) The department has rule-making authority to enact rules
15 consistent with 42 U.S.C. Sec. 652(f) and 42 U.S.C. Sec. 666(a)(19)
16 as amended by section 7307 of the deficit reduction act of 2005.
17 Additionally, the department has rule-making authority to implement
18 regulations required under 45 C.F.R. Parts 302, 303, 304, 305, and
19 308.

20 **Sec. 10.** RCW 74.20A.055 and 2020 c 227 s 10 are each amended to
21 read as follows:

22 (1) The secretary may, if there is no order that establishes a
23 person's support obligation or specifically relieves the person
24 required to pay support of a support obligation or pursuant to an
25 establishment of parentage under chapter 26.26A or 26.26B RCW, serve
26 on the person or persons required to pay support and the person
27 entitled to receive support a notice and finding of financial
28 responsibility requiring those persons to appear and show cause in an
29 adjudicative proceeding why the finding of responsibility and/or the
30 amount thereof is incorrect, should not be finally ordered, but
31 should be rescinded or modified. This notice and finding shall relate
32 to the support debt accrued and/or accruing under this chapter and/or
33 RCW 26.16.205, including periodic payments to be made in the future.
34 The hearing shall be held pursuant to this section, chapter 34.05
35 RCW, the Administrative Procedure Act, and the rules of the
36 department. A person who has physical custody of a child has the same
37 rights under this section as a parent with whom the child resides.

38 (2) The notice and finding of financial responsibility shall be
39 served in the same manner prescribed for the service of a summons in

1 a civil action or may be served on the person required to pay support
2 by certified mail, return receipt requested. The receipt shall be
3 prima facie evidence of service. The notice shall be served upon the
4 person required to pay support within (~~sixty~~) 60 days from the date
5 the state assumes responsibility for the support of the dependent
6 child or children on whose behalf support is sought. If the notice is
7 not served within (~~sixty~~) 60 days from such date, the department
8 shall lose the right to reimbursement of payments made after the
9 (~~sixty~~) 60-day period and before the date of notification:
10 PROVIDED, That if the department exercises reasonable efforts to
11 locate the person required to pay support and is unable to do so the
12 entire (~~sixty~~) 60-day period is tolled until such time as the
13 person can be located. The notice may be served upon the person
14 entitled to receive support who is the nonassistance applicant or
15 public assistance recipient by first-class mail to the last known
16 address. If the person entitled to receive support is not the
17 nonassistance applicant or public assistance recipient, service shall
18 be in the same manner as for the person required to pay support.

19 (3) The notice and finding of financial responsibility shall set
20 forth the amount the department has determined the person required to
21 pay support owes, the support debt accrued and/or accruing, and
22 periodic payments to be made in the future. The notice and finding
23 shall also include:

24 (a) A statement of the name of the person entitled to receive
25 support and the name of the child or children for whom support is
26 sought;

27 (b) A statement of the amount of periodic future support payments
28 as to which financial responsibility is alleged;

29 (c) A statement that the person required to pay support or the
30 person entitled to receive support may object to all or any part of
31 the notice and finding, and file an application for an adjudicative
32 proceeding to show cause why the terms set forth in the notice should
33 not be ordered;

34 (d) A statement that, if neither the person required to pay
35 support nor the person entitled to receive support files in a timely
36 fashion an application for an adjudicative proceeding, the support
37 debt and payments stated in the notice and finding, including
38 periodic support payments in the future, shall be assessed and
39 determined and ordered by the department and that this debt and
40 amounts due under the notice shall be subject to collection action;

1 (e) A statement that the property of the person required to pay
2 support, without further advance notice or hearing, will be subject
3 to lien and foreclosure, distraint, seizure and sale, order to
4 withhold and deliver, notice of payroll deduction or other collection
5 action to satisfy the debt and enforce the support obligation
6 established under the notice;

7 (f) A statement that the person required to pay support, and the
8 payee under the order or the person entitled to receive support who
9 is a parent of the child or children covered by the order, are
10 responsible for either:

11 (i) Providing health care coverage for the child if accessible
12 coverage that can cover the child:

13 (A) Is available through health insurance or public health care
14 coverage; or

15 (B) Is or becomes available to the obligated person through that
16 person's employment or union; or

17 (ii) Paying a monthly payment toward the premium if no such
18 coverage is available, as provided under RCW 26.09.105; ~~((and))~~

19 (g) A statement that the support obligation under the order may
20 be abated to ten dollars per month per order as provided in RCW
21 26.09.320 if the person required to pay support is confined in a
22 jail, prison, or correctional facility for at least six months, or is
23 serving a sentence greater than six months in a jail, prison, or
24 correctional facility; and

25 (h) A statement that the support obligation under the order may
26 be abated to \$50 per month per child as provided in section 5 of this
27 act if the person required to pay support is undergoing court-ordered
28 behavioral health treatment issued under chapter 71.05 RCW.

29 (4) A person required to pay support or a person entitled to
30 receive support who objects to the notice and finding of financial
31 responsibility may file an application for an adjudicative proceeding
32 within ~~((twenty))~~ 20 days of the date of service of the notice or
33 thereafter as provided under this subsection.

34 (a) If the person required to pay support or the person entitled
35 to receive support files the application within ~~((twenty))~~ 20 days,
36 the office of administrative hearings shall schedule an adjudicative
37 proceeding to hear the party's or parties' objection and determine
38 the support obligation for the entire period covered by the notice
39 and finding of financial responsibility. The filing of the

1 application stays collection action pending the entry of a final
2 administrative order;

3 (b) If both the person required to pay support and the person
4 entitled to receive support fail to file an application within
5 (~~twenty~~) 20 days, the notice and finding shall become a final
6 administrative order. The amounts for current and future support and
7 the support debt stated in the notice are final and subject to
8 collection, except as provided under (c) and (d) of this subsection;

9 (c) If the person required to pay support or the person entitled
10 to receive support files the application more than (~~twenty~~) 20 days
11 after, but within one year of the date of service, the office of
12 administrative hearings shall schedule an adjudicative proceeding to
13 hear the party's or parties' objection and determine the support
14 obligation for the entire period covered by the notice and finding of
15 financial responsibility. The filing of the application does not stay
16 further collection action, pending the entry of a final
17 administrative order, and does not affect any prior collection
18 action;

19 (d) If the person required to pay support or the person entitled
20 to receive support files the application more than one year after the
21 date of service, the office of administrative hearings shall schedule
22 an adjudicative proceeding at which the party who requested the late
23 hearing must show good cause for failure to file a timely
24 application. The filing of the application does not stay future
25 collection action and does not affect prior collection action:

26 (i) If the presiding officer finds that good cause exists, the
27 presiding officer shall proceed to hear the party's objection to the
28 notice and determine the support obligation;

29 (ii) If the presiding officer finds that good cause does not
30 exist, the presiding officer shall treat the application as a
31 petition for prospective modification of the amount for current and
32 future support established under the notice and finding. In the
33 modification proceeding, the presiding officer shall set current and
34 future support under chapter 26.19 RCW. The petitioning party need
35 show neither good cause nor a substantial change of circumstances to
36 justify modification of current and future support;

37 (e) If the support obligation was based upon imputed median net
38 income, the grant standard, or the family need standard, the division
39 of child support may file an application for adjudicative proceeding
40 more than (~~twenty~~) 20 days after the date of service of the notice.

1 The office of administrative hearings shall schedule an adjudicative
2 proceeding and provide notice of the hearing to the person required
3 to pay support and the person entitled to receive support. The
4 presiding officer shall determine the support obligation for the
5 entire period covered by the notice, based upon credible evidence
6 presented by the division of child support, the person required to
7 pay support, or the person entitled to receive support, or may
8 determine that the support obligation set forth in the notice is
9 correct. The division of child support demonstrates good cause by
10 showing that the support obligation was based upon imputed median net
11 income, the grant standard, or the family need standard. The filing
12 of the application by the division of child support does not stay
13 further collection action, pending the entry of a final
14 administrative order, and does not affect any prior collection
15 action;

16 (f) The department shall retain and/or shall not refund support
17 money collected more than (~~twenty~~) 20 days after the date of
18 service of the notice. Money withheld as the result of collection
19 action shall be delivered to the department. The department shall
20 distribute such money, as provided in published rules.

21 (5) If an application for an adjudicative proceeding is filed,
22 the presiding or reviewing officer shall determine the past liability
23 and responsibility, if any, of the person required to pay support and
24 shall also determine the amount of periodic payments to be made in
25 the future, which amount is not limited by the amount of any public
26 assistance payment made to or for the benefit of the child. If
27 deviating from the child support schedule in making these
28 determinations, the presiding or reviewing officer shall apply the
29 standards contained in the child support schedule and enter written
30 findings of fact supporting the deviation.

31 (6) If either the person required to pay support or the person
32 entitled to receive support fails to attend or participate in the
33 hearing or other stage of an adjudicative proceeding, upon a showing
34 of valid service, the presiding officer shall enter an order of
35 default against each party who did not appear and may enter an
36 administrative order declaring the support debt and payment
37 provisions stated in the notice and finding of financial
38 responsibility to be assessed and determined and subject to
39 collection action. The parties who appear may enter an agreed
40 settlement or consent order, which may be different than the terms of

1 the department's notice. Any party who appears may choose to proceed
2 to the hearing, after the conclusion of which the presiding officer
3 or reviewing officer may enter an order that is different than the
4 terms stated in the notice, if the obligation is supported by
5 credible evidence presented by any party at the hearing.

6 (7) The final administrative order establishing liability and/or
7 future periodic support payments shall be superseded upon entry of a
8 superior court order for support to the extent the superior court
9 order is inconsistent with the administrative order.

10 (8) Debts determined pursuant to this section, accrued and not
11 paid, are subject to collection action under this chapter without
12 further necessity of action by a presiding or reviewing officer.

13 (9) The department has rule-making authority to enact rules
14 consistent with 42 U.S.C. Sec. 652(f) and 42 U.S.C. Sec. 666(a)(19)
15 as amended by section 7307 of the deficit reduction act of 2005.
16 Additionally, the department has rule-making authority to implement
17 regulations required under 45 C.F.R. Parts 302, 303, 304, 305, and
18 308.

19 **Sec. 11.** RCW 74.20A.056 and 2020 c 227 s 11 are each amended to
20 read as follows:

21 (1)(a) If an acknowledged parent has signed an acknowledgment of
22 parentage that has been filed with the state registrar of vital
23 statistics:

24 (i) The division of child support may serve a notice and finding
25 of financial responsibility under RCW 74.20A.055 based on the
26 acknowledgment. The division of child support shall attach a copy of
27 the acknowledgment or certification of the birth record information
28 advising of the existence of a filed acknowledgment of parentage to
29 the notice;

30 (ii) The notice shall include a statement that the acknowledged
31 parent or any other signatory may commence a proceeding in court to
32 rescind or challenge the acknowledgment or denial of parentage under
33 RCW 26.26A.235 and 26.26A.240;

34 (iii) A statement that the person required to pay support, and
35 the payee under the order or the person entitled to receive support
36 who is a parent of the child or children covered by the order, are
37 responsible for providing health care coverage for the child if
38 accessible coverage that can be extended to cover the child is or

1 becomes available to the obligated person through employment or is
2 union-related as provided under RCW 26.09.105;

3 (iv) The party commencing the action to rescind or challenge the
4 acknowledgment or denial must serve notice on the division of child
5 support and the office of the prosecuting attorney in the county in
6 which the proceeding is commenced. Commencement of a proceeding to
7 rescind or challenge the acknowledgment or denial stays the
8 establishment of the notice and finding of financial responsibility,
9 if the notice has not yet become a final order; (~~and~~)

10 (v) A statement that the support obligation under the order may
11 be abated to (~~ten dollars~~) \$10 per month per order as provided in
12 RCW 26.09.320 if the person required to pay support is confined in a
13 jail, prison, or correctional facility for at least six months, or is
14 serving a sentence greater than six months in a jail, prison, or
15 correctional facility; and

16 (vi) A statement that the support obligation under the order may
17 be abated to \$50 per month per child as provided in section 5 of this
18 act if the person required to pay support is undergoing court-ordered
19 behavioral health treatment issued under chapter 71.05 RCW.

20 (b) If neither party to the notice files an application for an
21 adjudicative proceeding or the signatories to the acknowledgment or
22 denial do not commence a proceeding to rescind or challenge the
23 acknowledgment of parentage, the amount of support stated in the
24 notice and finding of financial responsibility becomes final, subject
25 only to a subsequent determination under RCW 26.26A.400 through
26 26.26A.515 that the parent-child relationship does not exist. The
27 division of child support does not refund nor return any amounts
28 collected under a notice that becomes final under this section or RCW
29 74.20A.055, even if a court later determines that the acknowledgment
30 is void.

31 (c) An acknowledged parent or other party to the notice who
32 objects to the amount of support requested in the notice may file an
33 application for an adjudicative proceeding up to (~~twenty~~) 20 days
34 after the date the notice was served. An application for an
35 adjudicative proceeding may be filed within one year of service of
36 the notice and finding of parental responsibility without the
37 necessity for a showing of good cause or upon a showing of good cause
38 thereafter. An adjudicative proceeding under this section shall be
39 pursuant to RCW 74.20A.055. The only issues shall be the amount of

1 the accrued debt and the amount of the current and future support
2 obligation.

3 (i) If the application for an adjudicative proceeding is filed
4 within (~~(twenty)~~) 20 days of service of the notice, collection action
5 shall be stayed pending a final decision by the department.

6 (ii) If the application for an adjudicative proceeding is not
7 filed within (~~(twenty)~~) 20 days of the service of the notice, any
8 amounts collected under the notice shall be neither refunded nor
9 returned if the person required to pay support under the notice is
10 later found not to be required to pay support.

11 (d) If neither the acknowledged parent nor the person entitled to
12 receive support requests an adjudicative proceeding, or if no timely
13 action is brought to rescind or challenge the acknowledgment or
14 denial after service of the notice, the notice of financial
15 responsibility becomes final for all intents and purposes and may be
16 overturned only by a subsequent superior court order entered under
17 RCW 26.26A.400 through 26.26A.515.

18 (2) Acknowledgments of parentage are subject to requirements of
19 chapters 26.26A, 26.26B, and 70.58A RCW.

20 (3) The department and the department of health may adopt rules
21 to implement the requirements under this section.

22 (4) The department has rule-making authority to enact rules
23 consistent with 42 U.S.C. Sec. 652(f) and 42 U.S.C. Sec. 666(a)(19)
24 as amended by section 7307 of the deficit reduction act of 2005.
25 Additionally, the department has rule-making authority to implement
26 regulations required under 45 C.F.R. Parts 302, 303, 304, 305, and
27 308.

28 **Sec. 12.** RCW 74.20A.059 and 2020 c 227 s 12 are each amended to
29 read as follows:

30 (1) The department, the payee under the order or the person
31 entitled to receive support, or the person required to pay support
32 may petition for a prospective modification of a final administrative
33 order if:

34 (a) The administrative order has not been superseded by a
35 superior court order; and

36 (b) There has been a substantial change of circumstances, except
37 as provided under RCW 74.20A.055(4)(d) or subsection (2) of this
38 section.

1 (2) The department, the person entitled to receive support, the
2 payee under the order, or ~~((the))~~: (a) The person required to pay
3 support may petition for a prospective modification of a final
4 administrative order if the person required to pay support is
5 currently confined in a jail, prison, or correctional facility for at
6 least six months or is serving a sentence greater than six months in
7 a jail, prison, or correctional facility, and the support order does
8 not contain language regarding abatement due to incarceration; or (b)
9 the person required to pay support is currently undergoing court-
10 ordered behavioral health treatment issued under chapter 71.05 RCW
11 and the support order does not contain language regarding abatement
12 due to incapacitation.

13 ~~((a))~~ (i) The petition may be filed at any time after the
14 administrative support order became a final order, as long as the
15 person required to pay support is currently incarcerated or
16 undergoing court-ordered behavioral health treatment.

17 ~~((b))~~ (ii) As part of the petition for modification, the
18 petitioner may also request that the support obligation be abated to
19 ~~((ten dollars))~~ \$10 per month per order due to incarceration, as
20 provided in RCW 26.09.320, or abated to \$50 per month per child due
21 to incapacitation, as provided in section 5 of this act.

22 (3) An order of child support may be modified at any time without
23 a showing of substantially changed circumstances if incarceration of
24 the person required to pay support is the basis for the inconsistency
25 between the existing child support order amount and the amount of
26 support determined as a result of a review.

27 (4) An order of child support may be modified one year or more
28 after it has been entered without showing a substantial change of
29 circumstances:

30 (a) If the order in practice works a severe economic hardship on
31 either party or the child; or

32 (b) If a child is a full-time student and reasonably expected to
33 complete secondary school or the equivalent level of vocational or
34 technical training before the child becomes ~~((nineteen))~~ 19 years of
35 age upon a finding that there is a need to extend support beyond the
36 eighteenth birthday.

37 (5) An order may be modified without showing a substantial change
38 of circumstances if the requested modification is to:

39 (a) Require medical support under RCW 26.09.105 for a child
40 covered by the order;

1 (b) Modify an existing order for health care coverage; or

2 (c) Modify an existing order when the person required to pay
3 support has been released from incarceration, as provided in RCW
4 26.09.320(3)(d), or when the person has been discharged from court-
5 ordered behavioral health treatment issued under chapter 71.05 RCW,
6 as provided in section 5 of this act.

7 (6) Support orders may be adjusted once every (~~twenty-four~~) 24
8 months based upon changes in the income of the parties to the order
9 without a showing of substantially changed circumstances. This
10 provision does not mean that the income of a person entitled to
11 receive support who is not a parent of the child or children covered
12 by the order must be disclosed or be included in the calculations
13 under chapter 26.19 RCW when determining the support obligation.

14 (7)(a) All administrative orders entered on, before, or after
15 September 1, 1991, may be modified based upon changes in the child
16 support schedule established in chapter 26.19 RCW without a
17 substantial change of circumstances. The petition may be filed based
18 on changes in the child support schedule after (~~twelve~~) 12 months
19 has expired from the entry of the administrative order or the most
20 recent modification order setting child support, whichever is later.
21 However, if a party is granted relief under this provision, (~~twenty-~~
22 ~~four~~) 24 months must pass before another petition for modification
23 may be filed pursuant to subsection (6) of this section.

24 (b) If, pursuant to subsection (6) of this section or (a) of this
25 subsection, the order modifies a child support obligation by more
26 than (~~thirty~~) 30 percent and the change would cause significant
27 hardship, the change may be implemented in two equal increments, one
28 at the time of the entry of the order and the second six months from
29 the entry of the order. Twenty-four months must pass following the
30 second change before a petition for modification under subsection (6)
31 of this section may be filed.

32 (8) An increase in the wage or salary of the person entitled to
33 receive the support transfer payments is not a substantial change in
34 circumstances for purposes of modification under subsection (1)(b) of
35 this section. The voluntary unemployment or voluntary underemployment
36 of the person required to pay support, by itself, is not a
37 substantial change of circumstances. The income of the person
38 entitled to receive support is only disclosed or considered if that
39 person is a parent of the child or children covered by the order.

1 (9) The department shall file the petition and a supporting
2 affidavit with the office of administrative hearings when the
3 department petitions for modification.

4 (10) The person required to pay support or the payee under the
5 order or the person entitled to receive support shall follow the
6 procedures in this chapter for filing an application for an
7 adjudicative proceeding to petition for modification.

8 (11) Upon the filing of a proper petition or application, the
9 office of administrative hearings shall issue an order directing each
10 party to appear and show cause why the order should not be modified.

11 (12) If the presiding or reviewing officer finds a modification
12 is appropriate, the officer shall modify the order and set current
13 and future support under chapter 26.19 RCW.

14 NEW SECTION. **Sec. 13.** (1) By January 1, 2026, the
15 administrative office of the courts shall revise the child support
16 worksheets and instructions to clarify language regarding how parties
17 should round up income amounts consistent with the recommendations of
18 the 2023 child support schedule work group.

19 (2) This section expires August 1, 2026.

20 **Sec. 14.** RCW 26.19.020 and 2018 c 150 s 301 are each amended to
