Read first time 01/21/25. Referred to Committee on State Government & Tribal Relations.

1 AN ACT Relating to increasing representation and voter
2 participation in local elections; amending RCW 29A.60.221,
3 29A.52.112, 29A.52.220, 29A.24.010, 36.32.040, 36.32.050, 35A.12.040,
4 28A.343.320, 29A.04.410, 29A.12.080, and 29A.36.121; reenacting and
5 amending RCW 29A.36.170; adding a new section to chapter 29A.52 RCW;
6 adding a new section to chapter 29A.04 RCW; adding a new section to
7 chapter 52.14 RCW; adding a new section to chapter 53.12 RCW;
8 creating new sections; repealing RCW 29A.04.127; and providing an
9 expiration date.

10 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF WASHINGTON:

11 NEW SECTION. **Sec. 1.** The legislature finds that jurisdictions
12 throughout the state have been discussing adopting ranked choice
13 voting to elect their officials, with some jurisdictions exploring
14 the concept through resolutions and proposed charter amendments,
15 plaintiffs in Yakima county requesting it as a remedy under the
16 Washington voting rights act in July 2020, and Seattle voters having
17 already chosen it in November 2022. Without legislative guidance,
18 however, local governments and courts considering ranked choice
19 voting must independently develop their own unique methodology to
20 implement it.

1 The legislature wishes to ensure that state law provides
2 consistent and clear rules governing the use of ranked choice voting
3 in Washington. The legislature therefore intends for this act to
4 provide baseline definitions and legal requirements for ranked choice
5 voting elections throughout the state.

6 The legislature further intends to create a work group to aid the
7 secretary of state in developing effective rules and implementation
8 materials for local governments that enact ranked choice voting
9 through popular vote, by action of their governing body, or as a
10 remedy under the Washington voting rights act. The work group will
11 also develop high quality voter education standards and support
12 materials to aid in the implementation of ranked choice voting
13 throughout the state.

14 NEW SECTION. **Sec. 2.** A new section is added to chapter 29A.52
15 RCW to read as follows:

16 (1) Except as provided in subsections (2) and (3) of this
17 section, a county, city, town, school district, fire district, or
18 port district may conduct its elections using ranked choice voting. A
19 county, city, town, school district, fire district, or port district
20 that adopts ranked choice voting may, but need not, use ranked choice
21 voting for all offices in an election.

22 (2) A city, town, school district, fire district, or port
23 district that has voters in more than one county may conduct an
24 election using ranked choice voting only if:

25 (a) Another city, town, or district that lies entirely within at
26 least two of the counties in which the city, town, or district has
27 voters uses ranked choice voting; or

28 (b) A court orders the use of ranked choice voting as provided in
29 this section as a remedy under RCW 29A.92.110.

30 (3) Ranked choice voting may not be used in an election for an
31 office for which two or fewer candidates are competing.

32 (4) An election using ranked choice voting must meet the
33 following requirements:

34 (a) The county auditor shall design the ballot to allow a voter
35 to rank the candidates for a particular office in order of
36 preference, including one write-in candidate;

37 (b) The county auditor must allow a voter to rank at least five
38 candidates per office. The secretary of state may adopt rules that
39 determine the maximum number of candidates per office that a voter is

1 allowed to rank on a ballot in order to accommodate technical
2 limitations from voting systems and ensure compatibility with all
3 ballot formats;

4 (c) A voter does not need to rank the maximum number of
5 candidates. The county auditor shall count a ballot regardless of how
6 many candidates the voter has ranked. The county auditor shall not
7 count votes for rankings made by a voter that are greater than the
8 maximum number of rankings allowed for each office;

9 (d) If a voter skips one or more numbers in ranking candidates,
10 or ranks an invalid write-in candidate, the county auditor shall
11 count any votes after the skipped number for the voter's next-highest
12 ranked candidates as if the voter had not skipped the number;

13 (e) If a voter provides the same number ranking to more than one
14 candidate, the county auditor may not count that vote ranking for any
15 candidate and may not count a vote for any subsequent number ranking
16 for that office;

17 (f) The election must be one of two types of ranked choice voting
18 elections. If the election is a single-winner contest, including an
19 election in which multiple positions with the same name, district
20 number, or title are dealt with as separate offices, the winner of
21 each contest must be determined using the instant runoff voting
22 method, as defined in this section and further provided in secretary
23 of state rules. If the election is a multiwinner contest in which the
24 positions are not dealt with as separate offices, the winners must be
25 determined using the single transferable vote method, as defined in
26 this section and further provided in secretary of state rules;

27 (g) If the requisite number of officers have not been elected, or
28 selected to continue to further rounds of vote tabulation, by reason
29 of two or more persons having an equal and highest number of votes
30 for the same office, the official empowered by state law to issue the
31 original certificate of election shall resolve the tie as provided in
32 RCW 29A.60.221.

33 (5) A county, city, town, or district that conducts a general
34 election for a single-winner contest using ranked choice voting must
35 hold a primary to winnow candidates for the election to a final list
36 of five candidates. The primary is not conducted using ranked choice
37 voting. Voters in the primary may vote for one candidate, and the top
38 five candidates will be certified as qualified to appear on the
39 general election ballot. A county, city, town, or district that

1 conducts a general election for a multiwinner contest using ranked
2 choice voting may not hold a primary.

3 (6) A county, city, town, or district that adopts ranked choice
4 voting must consult with its county auditor to determine the date
5 when ranked choice voting will be implemented, which must be within
6 two years following its adoption, unless a specific implementation
7 date is provided in a court order directing a jurisdiction to use
8 ranked choice voting as a remedy under RCW 29A.92.110.

9 (7) The county auditor whose county encompasses a county, city,
10 town, or district that adopts ranked choice voting is responsible for
11 the implementation of the system. If a city, town, or district has
12 voters in two or more counties, each county auditor in which the
13 city, town, or district has voters is responsible for its
14 implementation.

15 (8) The secretary of state, before May 1, 2026, and in
16 consultation with the ranked choice voting work group created in
17 section 15 of this act, shall adopt rules to administer this section.
18 The secretary's rules must address, at minimum:

19 (a) Procedures for administering an election that includes voters
20 in more than one county as provided in subsection (2) of this
21 section; and

22 (b) Procedures for tabulating votes under the instant runoff
23 voting method and single transferable vote method as provided in
24 subsection (4) of this section.

25 (9) The secretary of state shall develop educational materials
26 for the public and provide training for county auditors to implement
27 ranked choice voting in accordance with the work group
28 recommendations described in section 15 of this act.

29 (10) As used in this section:

30 (a) "Ranked choice voting" means a method of counting votes in
31 which votes are tabulated based on a voter's ranking of candidates in
32 order of preference as provided in this section.

33 (b) "Instant runoff voting method" means a method of counting
34 votes in which ballots are counted in rounds and the candidate
35 receiving the fewest number of votes is eliminated, continuing until
36 one candidate receives a majority of all votes counted in that round
37 and is declared the winner.

38 (c) "Single transferable vote method" means a method of counting
39 votes in which:

1 (i) A winning threshold is calculated based on the number of
2 votes cast and the number of seats to be filled, plus one;

3 (ii) Ballots are counted in rounds, and at the end of each round
4 any candidate who receives enough votes to pass the winning threshold
5 is declared elected. Any votes received by that candidate in excess
6 of the threshold to win are transferred to other candidates. After
7 all such votes have been transferred so that no candidate has votes
8 exceeding the winning threshold, the candidate with the least number
9 of votes is eliminated, and their votes are transferred to other
10 candidates in the next round; and

11 (iii) The counting process stops when the number of elected
12 candidates equals the number of seats to be filled, or the number of
13 candidates remaining equals the number of seats not yet filled by an
14 elected candidate.

15 (11) This section does not apply to any jurisdiction that, on the
16 effective date of this section, uses ranked choice voting for one or
17 more offices.

18 **Sec. 3.** RCW 29A.60.221 and 2004 c 271 s 176 are each amended to
19 read as follows:

20 (1) If the requisite number of any federal, state, county, city,
21 or district offices have not been nominated in a primary by reason of
22 two or more persons having an equal and requisite number of votes for
23 being placed on the general election ballot, the official empowered
24 by state law to certify candidates for the general election ballot
25 shall give notice to the several persons so having the equal and
26 requisite number of votes to attend at the appropriate office at the
27 time designated by that official, who shall then and there proceed
28 publicly to decide by lot which of those persons will be declared
29 nominated and placed on the general election ballot.

30 (2) If the requisite number of any federal, state, county, city,
31 district, or precinct officers have not been elected by reason of two
32 or more persons having an equal and highest number of votes for one
33 and the same office, the official empowered by state law to issue the
34 original certificate of election shall give notice to the several
35 persons so having the highest and equal number of votes to attend at
36 the appropriate office at the time to be appointed by that official,
37 who shall then and there proceed publicly to decide by lot which of
38 those persons will be declared duly elected, and the official shall

1 make out and deliver to the person thus duly declared elected a
2 certificate of election.

3 (3) For a tie occurring at any point in the counting process of
4 an election conducted using ranked choice voting as provided in
5 section 2 of this act, the official empowered by state law to certify
6 candidates for the general election ballot shall resolve the tie
7 using the lot method described in this section. If the tie occurs
8 before the final round of counting, the tie must be resolved as
9 expeditiously as possible.

10 NEW SECTION. **Sec. 4.** A new section is added to chapter 29A.04
11 RCW to read as follows:

12 "Primary" or "primary election" means a procedure for winnowing
13 candidates for public office to a final list of two as part of a
14 special or general election, or to a final list of five in a county,
15 city, town, or district election that uses ranked choice voting as
16 provided in section 2 of this act. Each voter has the right to cast a
17 vote for any candidate for each office without any limitation based
18 on party preference or affiliation, of either the voter or the
19 candidate.

20 **Sec. 5.** RCW 29A.36.170 and 2013 c 143 s 1 and 2013 c 11 s 45 are
21 each reenacted and amended to read as follows:

22 For any office for which a primary was held, only the names of
23 the top two candidates will appear on the general election ballot,
24 unless the election will be conducted using ranked choice voting as
25 provided in section 2 of this act, in which case only the names of
26 the top five candidates will appear on the general election ballot;
27 the name of the candidate who received the greatest number of votes
28 will appear first and the candidate who received the next greatest
29 number of votes will appear second. No candidate's name may be
30 printed on the subsequent general election ballot unless he or she
31 receives at least one percent of the total votes cast for that office
32 at the preceding primary, if a primary was conducted. On the ballot
33 at the general election for an office for which no primary was held,
34 the names of the candidates shall be listed in the order determined
35 pursuant to RCW 29A.36.131.

36 **Sec. 6.** RCW 29A.52.112 and 2014 c 7 s 1 are each amended to read
37 as follows:

1 (1) A primary is a first stage in the public process by which
2 voters elect candidates to public office.

3 (2) Whenever candidates for a partisan office are to be elected,
4 the general election must be preceded by a primary conducted under
5 this chapter, unless the general election is a multiwinner contest
6 using ranked choice voting as provided in section 2 of this act.

7 (3) Based upon votes cast at the primary, the top two candidates,
8 or the top five candidates in a primary for a single-winner general
9 election conducted using ranked choice voting as provided in section
10 2 of this act, will be certified as qualified to appear on the
11 general election ballot(~~(, unless only one candidate qualifies as~~
12 ~~provided in RCW 29A.36.170))~~).

13 ~~((3))~~ (4) No primary may be held for any single county partisan
14 office to fill an unexpired term if, after the last day allowed for
15 candidates to withdraw, only one candidate has filed for the
16 position.

17 ~~((4))~~ (5) For partisan office, if a candidate has expressed a
18 party preference on the declaration of candidacy, then that
19 preference will be shown after the name of the candidate on the
20 primary and general election ballots as set forth in rules of the
21 secretary of state. A candidate may choose to express no party
22 preference. Any party preferences are shown for the information of
23 voters only and may in no way limit the options available to voters.

24 **Sec. 7.** RCW 29A.52.220 and 2013 c 195 s 1 are each amended to
25 read as follows:

26 (1) No primary may be held for any single position in any
27 nonpartisan office if, after the last day allowed for candidates to
28 withdraw, there are no more than two candidates filed for the
29 position. The county auditor shall as soon as possible notify all the
30 candidates so affected that the office for which they filed will not
31 appear on the primary ballot.

32 (2) No primary may be held for an office in a county, city, town,
33 or district that is conducting a multiwinner general election using
34 ranked choice voting as provided in section 2 of this act.

35 (3) No primary may be held for the office of commissioner of a
36 park and recreation district or for the office of cemetery district
37 commissioner.

1 (~~(3)~~) (4) Names of candidates for offices that do not appear on
2 the primary ballot shall be printed upon the general election ballot
3 in the manner specified by RCW 29A.36.131.

4 **Sec. 8.** RCW 29A.24.010 and 2003 c 111 s 601 are each amended to
5 read as follows:

6 (1) Not less than thirty days before the first day for filing
7 declarations of candidacy under RCW 29A.24.050 for legislative,
8 judicial, county, city, town, or district office, where more than one
9 position with the same name, district number, or title will be voted
10 upon at the succeeding election, the filing officer shall designate
11 the positions to be filled by number, except as provided in
12 subsection (3) of this section.

13 (2) The positions so designated shall be dealt with as separate
14 offices for all election purposes. With the exception of the office
15 of justice of the supreme court, the position numbers shall be
16 assigned, whenever possible, to reflect the position numbers that
17 were used to designate the same positions at the last full-term
18 election for those offices.

19 (3) In an election conducted using ranked choice voting as
20 provided in section 2 of this act in which there is more than one
21 position with the same name, district number, or title, the county,
22 city, town, or district shall choose whether the filing officer will
23 designate the positions to be filled by number and deal with
24 positions as separate offices.

25 **Sec. 9.** RCW 36.32.040 and 2018 c 113 s 205 are each amended to
26 read as follows:

28 section, the qualified electors of each county commissioner district,
29 and they only, shall nominate from among their own number, candidates
30 for the office of county commissioner of such commissioner district
31 to be voted for at the following general election. Such candidates
32 shall be nominated in the same manner as candidates for other county
33 and district offices are nominated in all other respects.

34 (2) Except as provided in subsection (3) of this section, where
35 the commissioners of a county composed entirely of islands with a
36 population of less than thirty-five thousand have chosen to divide
37 the county into unequal-sized commissioner districts pursuant to the
38 exception provided in RCW 36.32.020, the qualified electors of the

1 entire county shall nominate from among their own number who reside
2 within a commissioner district, candidates for the office of county
3 commissioner of such commissioner district to be voted for at the
4 following general election. Such candidates shall be nominated in the
5 same manner as candidates for other county offices are nominated in
6 all other respects.

7 (3) A county may conduct an election for county commissioners

12 read as follows:

13 (1) Except as provided otherwise in subsection (2) of this
14 section or this chapter, county commissioners shall be elected by the
15 qualified voters of the county and the person receiving the highest
16 number of votes for the office of commissioner for the district in
17 which he or she resides shall be declared duly elected from that
18 district.

19 (2) Beginning in 2022, in any noncharter county with a population
20 of four hundred thousand or more, county commissioners must be
21 nominated and elected by the qualified electors of the commissioner
22 district in which he or she resides. The person receiving the highest
23 number of votes at a general election for the office of commissioner
24 for the district in which he or she resides must be declared duly
25 elected from that district.

26 (3) A county may conduct an election for county commissioners
27 using ranked choice voting as provided in section 2 of this act.

28 (a) A county that deals with commissioner positions as separate
29 offices and adopts ranked choice voting using the instant runoff
30 voting method as provided in section 2 of this act shall hold a
31 primary to winnow the list of candidates in the district to five.

32 (b) A county that chooses not to deal with commissioner positions
33 as separate offices and instead adopts ranked choice voting in a
34 multiwinner contest using the single transferable vote method as
35 provided in section 2 of this act may not hold a primary for those
36 positions.

37 **Sec. 11.** RCW 35A.12.040 and 2015 c 53 s 52 are each amended to

14 large, unless provision is made by charter or ordinance for election
15 by wards. The mayor and councilmembers shall qualify by taking an
16 oath or affirmation of office and as may be provided by law, charter,
17 or ordinance.

18 (2) If a city or town uses ranked choice voting as provided in
19 section 2 of this act, the city or town shall choose whether the
20 council positions to be filled will be designated by number and dealt
21 with as separate offices.

22 **Sec. 12.** RCW 28A.343.320 and 2015 c 53 s 11 are each amended to
23 read as follows:

38 with the positions of school directors as separate offices for
39 elections purposes.

26 that choose to enact ranked choice voting as provided in section 2 of
27 this act. These materials must be informed by known best practices
28 for ranked choice voting, such as best practices for ballot design,
29 voter education, and election results reporting. Examples of support
30 materials that may be developed by the work group include: Sample
31 ballots; formats and timelines for reporting election results; and
32 poll worker trainings. When developing such materials, the work group
33 may consult similar materials developed by other jurisdictions that
34 have previously implemented ranked choice voting.

35 (5) The work group shall also develop voter education materials
36 for local governments that choose to enact ranked choice voting as
37 provided in section 2 of this act. Examples of support materials that

13 committees of the legislature by June 1, 2026, detailing its
14 activities and recommendations.

15 (8) This section expires December 1, 2026.

16 **Sec. 16.** RCW 29A.04.410 and 2020 c 337 s 1 are each amended to
17 read as follows:

18 (1) Every county, city, town, and district, and the state is
19 liable for its proportionate share of the costs when such elections
20 are held in conjunction with other elections held under RCW
21 29A.04.321 and 29A.04.330, except as provided in subsection (2) of
22 this section.

23 (2) The costs of implementing a ranked choice voting election, as
24 provided in section 2 of this act, borne by a county must be
25 apportioned under this section to the jurisdiction using ranked
26 choice voting. Implementation costs that must be apportioned under
27 this subsection include the costs associated with:

28 (a) Obtaining, upgrading, or developing any tabulation system
29 components necessary for ranked choice voting, including hardware and
30 software;

31 (b) The use or maintenance of any tabulation system components
32 necessary for ranked choice voting;

33 (c) Hiring, training, and maintaining employees or other
34 personnel needed to conduct ranked choice voting elections; and

35 (d) Voter education and outreach associated with ranked choice
36 voting.

37 (3) Whenever any county, city, town, or district, or the state
38 holds any primary or election, general or special, on an isolated

1 date, all costs of such elections must be borne by the county, city,
2 town, or district concerned, or the state as appropriate.

3 (4) The purpose of this section is to clearly establish that the
4 county is not responsible for any costs involved in the holding of
5 any city, town, district, state, or federal election.

6 (5) In recovering such election expenses, including a reasonable
7 proration of administrative costs, the county auditor shall certify
8 the cost to the county treasurer with a copy to the clerk or auditor
9 of the city, town, or district concerned, or the secretary of state
10 as appropriate. Upon receipt of such certification relating to a
11 city, town, or district, the county treasurer shall make the transfer
12 from any available and appropriate city, town, or district funds to
13 the county current expense fund or to the county election reserve
14 fund if such a fund is established. Each city, town, or district must
15 be promptly notified by the county treasurer whenever such transfer
16 has been completed. However, in those districts wherein a treasurer,
17 other than the county treasurer, has been appointed such transfer
18 procedure does not apply, but the district shall promptly issue its
19 warrant for payment of election costs. State and federal offices are
20 to be considered one entity for purposes of election cost proration
21 and reimbursement.
