37 to ensure dealers are complying with the requirements to hold a state
38 license.

39 (d) In addition to the inspection required under (c) of this
40 subsection, Washington state patrol may conduct reasonable periodic

1 unannounced inspections of a state license holder's place of business
2 during the dealer's regular posted business hours to ensure that the

22 (3)(a) ((A licensing authority)) Washington state patrol shall,
23 within 30 days after the filing of an application of any person for a
24 dealer's license, determine whether to grant the license. However, if
25 the applicant does not have a valid permanent Washington driver's
26 license or Washington state identification card, or has not been a
27 resident of the state for the previous consecutive 90 days, ((the
28 licensing authority)) Washington state patrol shall have up to 60
29 days to determine whether to issue a license provided that at least
30 one person listed on the dealer's federal firearms license as a
31 responsible person has a valid permanent Washington driver's license,
32 Washington state identification card, or has been a resident of this
33 state for the previous consecutive 90 days.

12 firearms or ammunition and to undergo a state and federal background
13 check annually thereafter. An employee must be at least 21 years of
14 age, eligible to possess a firearm, and must not have been convicted
15 of a crime that would make the person ineligible for a concealed
16 pistol license, before being permitted to sell a firearm. Every
17 employee shall comply with requirements concerning purchase
18 applications and restrictions on delivery of firearms that are
19 applicable to dealers.

20 ~~((6))~~ (i) If a dealer knows or suspects that an employee of the

37 (c) A dealer who submits a timely and sufficient renewal
38 application may continue to engage in the business of dealing in
39 firearms pursuant to state law until Washington state patrol has

1 subsection, an annual certification is sufficient if it includes on
2 its face information necessary to show that the applicant is eligible
3 for state license renewal.

4 (d) Washington state patrol shall act upon an annual
5 certification made pursuant to this subsection no later than 60 days
6 after the date the application is received.

7 ~~((7))~~ (5)(a) Except as otherwise provided in (b) of this
8 subsection, the business shall be carried on only in the building
9 designated in the license and during the dealer's posted business

13 than the building designated in the license, if the temporary
14 location is within Washington state and is the location of a gun show
15 sponsored by a national, state, or local organization, or an

25 (15) of this section while conducting business at a temporary
26 location shall be revoked, and the dealer shall be permanently
27 ineligible for a dealer's license.

28 ~~((8))~~ (6) The license or a copy thereof, certified by the
29 issuing authority, shall be displayed on the premises in the area

11 (b) It is not a violation of this subsection if any security
12 feature or system becomes temporarily inoperable through no fault of
13 the dealer.
14 (~~(10)~~) (8)(a) Dealers shall secure each firearm during business
15 hours, except when the firearm is being shown to a customer,
16 repaired, or otherwise worked on, in a manner that prevents a
17 customer or other member of the public from accessing or using the
18 firearm, which may include keeping the firearm in a locked container
19 or in a locked display case.
20 (b) Other than during business hours, all firearms shall be
21 secured (i) on the dealer's business premises in a locked fireproof
22 safe or vault, (ii) in a room or building that meets all requirements

4 a frame rate no less than 15 frames per second, and must either (A)
5 record continuously or (B) be activated by motion and remain active
6 for at least 15 seconds after motion ceases to be detected;

7 (v) The media or device on which recordings are stored shall be
8 secured in a manner to protect the recording from tampering,
9 unauthorized access or use, or theft;

10 (vi) Recordings shall be maintained for a minimum of 90 days for
11 all recordings of areas where firearms are displayed and points of

33 compliance with this section.

34 (c) The dealer shall post a sign in a conspicuous place at each
35 entrance to the premises that states in block letters not less than
36 one inch in height: "THESE PREMISES ARE UNDER VIDEO AND AUDIO
37 SURVEILLANCE. YOUR IMAGE AND CONVERSATIONS MAY BE RECORDED."

38 (d) This section does not preclude any local authority or local
39 governing body from adopting or enforcing local laws or policies
