14 on the same parcel;

15 (h) A parcel may not be subdivided for the purposes of avoiding
16 the limits on development regulations described in this subsection;

39 section and the projected development over the next 20-year planning
40 period utilizing the data collected and reported in (a) of this

1 subsection within the overall underlying density outside of urban
2 growth areas;

3 (c) Track and report to the department annually the number of
4 detached accessory dwelling units being utilized as a short-term
5 rental;

6 (d) Future amendments to the county's comprehensive land use plan
