(1) To employ such investigative, administrative, and clerical staff as necessary for the enforcement of this chapter. The secretary must, whenever practical, make primary assignments on a long-term basis to foster the development and maintenance of staff expertise. To ensure continuity and best practices, the secretary will regularly evaluate staff assignments and workload distribution;

(2) Upon the request of a board or commission, to appoint pro tem members to participate as members of a panel of the board or commission in connection with proceedings specifically identified in the request. Individuals so appointed must meet the same minimum qualifications as regular members of the board or commission.
