RCW 19.02.010 Purpose—Intent. (1) Experience under the pilot program of the business coordination act suggests that the number of state licenses required for new businesses and the renewal of existing licenses places an undue burden on business. Studies under this act also show that the state can reduce its costs by coordinating and consolidating application forms, information, and licenses. Therefore, the legislature extends the business coordination act by establishing a business license program and license center to develop and implement the following goals and objectives:

(a) The first goal of this system is to provide a convenient, accessible, and timely one-stop system for the business community to acquire and maintain the necessary state licenses to conduct business. This system must be developed and operated in the most cost-efficient

manner for the business community and state. The objectives of this goal are:

(i) To provide a service whereby information is available to the business community concerning all state licensing and regulatory requirements, and to the extent feasible, include local and federal information concerning the same regulated activities;

(ii) To provide a system which enables state agencies to efficiently store, retrieve, and exchange license information with due regard to privacy statutes; to issue and renew business licenses where such licenses are appropriate; and to provide appropriate support services for this objective;

(iii) To provide at designated locations one consolidated application form to be completed by any given applicant; and

(iv) To provide a statewide system of common business identification.

(b) The second goal of this system is to aid business and the growth of business in Washington state by instituting a business license system that reduces the paperwork burden on business, and promote the elimination of obsolete and duplicative licensing requirements by consolidating existing licenses and applications.

(2) It is the intent of the legislature that the authority for determining if a requested license is issued remains with the agency legally authorized to issue the license.

(3) It is the further intent of the legislature that those licenses which no longer serve a useful purpose in regulating certain business activities should be eliminated. [2013 c 144 s 15; 1982 c 182 s 1; 1977 ex.s. c 319 s 1.]

It is the legislature's intent that all licenses obtained or renewed through the master license service as of March 1, 2011, will continue to be obtained or renewed through the master license service after the master license service program is transferred to the department of revenue effective July 1, 2011." [2011 c 298 s 1.]

Agency transfer—2011 c 298: "(1) All powers, duties, and functions of the department of licensing pertaining to the administration of chapters 19.02, 19.80, and 59.30 RCW are transferred to the department of revenue. (6) If apportionments of budgeted funds are required because of the transfers directed by this section, the director of financial management must certify the apportionments to the agencies affected, the state auditor, and the state treasurer. There is located within the department a business licensing service.

(2) The duties of the business licensing service include:

(a) Developing and administering a computerized one-stop business licensing system capable of storing, retrieving, and exchanging license information with due regard to privacy statutes, as well as issuing and renewing business licenses in an efficient manner;

(b) Providing a license information service detailing requirements to establish or engage in business in this state;

(f) Incorporating licenses into the business licensing system.

Both the regulatory agency legally authorized to issue the license and the department must agree that the license will be issued through the *master license system in order for the license to be incorporated.

(3) The department may adopt under chapter 34.05 RCW such rules as may be necessary to effectuate the purposes of this chapter. [2013 c 144 s 17; 2013 c 111 s 3; 2011 c 298 s 5; 1999 c 240 s 5; 1993 c 142 s 4; 1982 c 182 s 3; 1979 c 158 s 76; 1977 ex.s. c 319 s 3.]

This information must include, at a minimum, a listing of the statutes and administrative rules requiring the licenses and pertaining to the regulatory programs that are directly related to the licensure. For example, for pesticide dealers' licenses, the information must include the statutes and rules requiring licensing as well as those pertaining to the subject of registering or distributing pesticides.

(2) The business licensing service must provide information governed by this section to any person requesting it. Materials used by the business licensing service to describe its services must indicate that this information is available upon request. [2013 c 144 s 18; 1982 c 182 s 4.]

RCW 19.02.070 Issuance of licenses—Scope—Business license application and fees—Action by regulatory agency, when—Agencies provided information. (1) Any person requiring licenses that have been incorporated into the system must submit a business license application to the department requesting the issuance of the licenses. The business license application form must contain in consolidated form information necessary for the issuance of the licenses.

(2) The applicant must include with the application the sum of all fees and deposits required for the requested individual license endorsements as well as the handling fee established by the department under the authority of RCW 19.02.075.

(3) Irrespective of any authority delegated to the department to implement the provisions of this chapter, the authority for approving issuance and renewal of any requested license that requires a prelicensing or renewal investigation, inspection, testing, or other judgmental review by the regulatory agency otherwise legally authorized to issue the license must remain with that agency. The business licensing service has the authority to issue those licenses for which proper fee payment and a completed application form have been received and for which no prelicensing or renewal approval action is required by the regulatory agency.

(4) Upon receipt of the application and proper fee payment for any license for which issuance is subject to regulatory agency action under subsection (3) of this section, the department must immediately notify the regulatory agency with authority to approve issuance or renewal of the license requested by the applicant. Each regulatory agency must advise the department within a reasonable time after receiving the notice: (a) That the agency approves the issuance of the requested license and will advise the applicant of any specific conditions required for issuing the license; (b) that the agency denies the issuance of the license and gives the applicant reasons for the denial; or (c) that the application is pending.

(5) The department must issue a business license endorsed for all the approved licenses to the applicant and advise the applicant of the status of other requested licenses. It is the responsibility of the applicant to contest the decision regarding conditions imposed or licenses denied through the normal process established by statute or by the regulatory agency with the authority for approving issuance of the license.

(6) Regulatory agencies must be provided information from the business license application for their licensing and regulatory functions. [2013 c 144 s 19; 2011 c 298 s 7; 1990 c 264 s 1; 1982 c 182 s 6; 1979 c 158 s 79; 1977 ex.s. c 319 s 7.]

RCW 19.02.075 Business license application handling and renewal fees—Department review of the business license account balance.

(1)(a) Except as provided in (b) of this subsection, the department must collect a handling fee on each business license application and each renewal application filing. The department must set the amount of the handling fees by rule, as authorized by RCW 19.02.030. The handling fees may not exceed \$90 for each business license application filed by any person to open or reopen a business, \$10 for each business license renewal application filing, and \$19 for each business license application filed for any other purpose. Handling fees collected under this section must be deposited in the business license account created under RCW 19.02.210.

(b) No handling fee is collected on a business license application filed by an existing business for the following purposes:

(i) To open an additional location; or
(ii) To obtain a local government's nonresident business license endorsement.

(2) The department may increase all handling fees within the limits provided in this section for the purposes of defraying the department's costs associated with the administration of this chapter, including making improvements in the business licensing service program, such as improvements in technology and customer services, expanded access, and infrastructure.

(3) Annually, by the last day of September, beginning September 30, 2024, the department must review the business license account balance. If the balance in the account at the end of the previous fiscal year exceeds an amount equal to the average of three months of monthly expenditures from the business license account during the previous fiscal year, or the department projects that the balance in the business license account at the end of the current fiscal year will exceed an amount equal to the average of three months of monthly expenditures from the business license account during the previous fiscal year, the department must reduce one or more of the handling fees authorized in subsection (1) of this section. Handling fees must be reduced under this subsection (3) to the extent the department determines necessary to result in a balance in the business license account at the end of the fiscal year following the current fiscal year, as projected by the department, of no more than an amount equal to the average of three months of monthly expenditures from the business license account during the previous fiscal year. This subsection (3) does not require the department to reduce handling fees more than once in any fiscal year.

(4) In increasing or decreasing any fee under this section, the department may round the adjusted fee to the nearest whole dollar that does not exceed the dollar limits in subsection (1) of this section. [2024 c 270 s 1; 2020 c 164 s 1; 2013 c 144 s 20; 2011 c 298 s 8; 1995 c 403 s 1007; 1992 c 107 s 2; 1990 c 264 s 2.]

Effective date—2020 c 164: "This act takes effect July 1, 2020."

Effective dates—1992 c 107: See note following RCW 19.02.020.

Effective date—1990 c 264: See note following RCW 19.02.070.

RCW 19.02.080 Licensing fees—Disposition of. All fees collected under the system must be deposited with the state treasurer. Upon issuance or renewal of the business license or supplemental licenses, the department must distribute the fees, except for fees covered under RCW 19.02.210 and for fees covered under RCW 19.80.075, to the appropriate accounts under the applicable statutes for those agencies' licenses. [2013 c 144 s 21; 1992 c 107 s 3; 1982 c 182 s 7.]

RCW 19.02.085 Licensing fees—Business license delinquency fee—Rate—Disposition. (1) To encourage timely renewal by applicants, a business license delinquency fee is imposed on licensees who fail to renew by the business license expiration date. The business license delinquency fee must be the lesser of \$150 or 50 percent of a base comprised of the licensee's renewal fee minus corporate licensing taxes, corporation annual report fee, and any interest fees or penalties charged for late taxes or corporate renewals. The business license delinquency fee must be added to the renewal fee and paid by the licensee before a business license is renewed. The delinquency fee must be deposited in the business license account.

(2) The department must waive or cancel the business license delinquency fee imposed in subsection (1) of this section only if:

(a) The department determines that the licensee failed to renew a license by the business license expiration date due to an undisputable error or failure by the department; or

(b) The licensee requests the waiver and has timely renewed all business licenses and paid the applicable business license fees for a period of 24 months immediately preceding the period covered by the renewal application for which the waiver is being requested.

(c) For purposes of this subsection, an error or failure is undisputable if the department is satisfied, beyond any doubt, that the error or failure occurred. [2023 c 258 s 1; 2020 c 139 s 3; 2013 c 144 s 22; 1992 c 107 s 5; 1989 c 170 s 1; 1982 c 182 s 9.]

Effective dates—1992 c 107: See note following RCW 19.02.020.

RCW 19.02.090 Business license—Expiration date—Prorated fees—Conditions of renewal. (1) The department must assign an expiration date for each business license. All renewable licenses endorsed on that business license must expire on that date. License fees must be prorated to accommodate the staggering of expiration dates.

(2) All renewable licenses endorsed on a business license must be renewed by the department under conditions originally imposed unless a regulatory agency advises the department of conditions or denials to be imposed before the endorsement is renewed. [2013 c 144 s 23; 1982 c 182 s 8.]

RCW 19.02.100 Business license—Issuance or renewal—Denial. (1) The department may refuse to issue or renew a business license to any person if:

(a) The person does not have a valid tax registration, if required by a regulatory agency;

(b) The person is a corporation delinquent in fees or penalties owing to the secretary of state or is not validly registered under Title 23B RCW, chapter 18.100 RCW, Title 24 RCW, or any other statute now or hereafter adopted which gives corporate or business licensing responsibilities to the secretary of state if the person is required to be so registered and the regulatory agency having the authority to approve the issuance or renewal of the license requires, as a

condition of such approval, that the person be so registered or not delinquent in fees or penalties owing to the secretary of state; or

(c) The person has not submitted the sum of all fees and deposits required for the requested individual license endorsements, any outstanding business license delinquency fee, or other fees and penalties to be collected through the system.

(2) Nothing in this section prevents registration by the state of a business for taxation purposes, or an employer for the purpose of paying an employee of that employer industrial insurance or unemployment insurance benefits. [2013 c 144 s 24; 2011 c 298 s 9; 1997 c 58 s 865; 1991 c 72 s 8; 1982 c 182 s 10.]

RCW 19.02.115 Licensing information—Authorized disclosure—Penalty. (1) The definitions in this subsection apply throughout this section unless the context clearly requires otherwise.

(a) "Disclose" means to make known to any person in any manner licensing information.

(b) "Licensing information" means any information created or obtained by the department in the administration of this chapter and chapters 19.80 and 59.30 RCW, which information relates to any person who: (i) Has applied for or has been issued a license or trade name; or (ii) has been issued an assessment or delinquency fee. Licensing information includes initial and renewal business license applications, and business licenses.

(c) "Person" has the same meaning as in RCW 82.04.030 and also includes the state and the state's departments and institutions.

(d) "State agency" means every Washington state office, department, division, bureau, board, commission, or other state agency.

(2) Licensing information is confidential and privileged, and except as authorized by this section, neither the department nor any other person may disclose any licensing information. Nothing in this chapter requires any person possessing licensing information made confidential and privileged by this section to delete information from such information so as to permit its disclosure.

(3) This section does not prohibit the department of revenue, or any other person receiving licensing information from the department under this subsection, from:

(a) Disclosing licensing information in a civil or criminal judicial proceeding or an administrative proceeding:

(i) In which the person about whom such licensing information is sought and the department, another state agency, or a local government are adverse parties in the proceeding; or

(ii) Involving a dispute arising out of the department's administration of chapter 19.80 or 59.30 RCW, or this chapter if the licensing information relates to a party in the proceeding;

(b) Disclosing, subject to such requirements and conditions as the director prescribes by rules adopted pursuant to chapter 34.05 RCW, such licensing information regarding a license applicant or license holder to such license applicant or license holder or to such person or persons as that license applicant or license holder may designate in a request for, or consent to, such disclosure, or to any other person, at the license applicant's or license holder's request, to the extent necessary to comply with a request for information or assistance made by the license applicant or license holder to such other person. However, licensing information not received from the license applicant or holder must not be so disclosed if the director determines that such disclosure would compromise any investigation or litigation by any federal, state, or local government agency in connection with the civil or criminal liability of the license applicant, license holder, or another person, or that such disclosure would identify a confidential informant, or that such disclosure is contrary to any agreement entered into by the department that provides for the reciprocal exchange of information with other government agencies, which agreement requires confidentiality with respect to such information unless such information is required to be disclosed to the license applicant or license holder by the order of any court;

(c) Publishing statistics so classified as to prevent the identification of particular licensing information;
