

RCW 42.30.077 Agendas of regular meetings—Online availability.

(1) Public agencies with governing bodies must make the agenda of each regular meeting of the governing body available online no later than 24 hours in advance of the published start time of the meeting. An agency subject to provisions of this section may share a website with, or have its website hosted by, another public agency to post meeting agendas, minutes, budgets, contact information, and other records, including any resolution or ordinance adopted by the agency establishing where and how the public agency will meet in the event of an emergency. Nothing in this section prohibits subsequent modifications to agendas nor invalidates any otherwise legal action taken at a meeting where the agenda was not posted in accordance with this section. Nothing in this section modifies notice requirements or shall be construed as establishing that a public body or agency's online posting of an agenda as required by this section is sufficient notice to satisfy public notice requirements established under other laws. Failure to post an agenda in accordance with this section shall not provide a basis for awarding attorney fees under RCW 42.30.120 or commencing an action for mandamus or injunction under RCW 42.30.130.

(2) A special purpose district, city, or town subject to the provisions of this section is not required to post an agenda online if the district, city, or town:

(a) Has an aggregate valuation of the property subject to taxation by the district, city, or town of less than \$400,000,000, as placed on the last completed and balanced tax rolls of the county preceding the date of the most recent tax levy;

(b) Has a population within its jurisdiction of under 3,000 persons; and

(c) Provides confirmation to the state auditor at the time it files its annual reports under RCW 43.09.230 that the cost of posting notices on a website of its own, a shared website, or on the website of the county in which the largest portion of the district's, city's, or town's population resides, would exceed one-tenth of one percent of the district's, city's, or town's budget. Intent—Finding—2014 c 61: "The legislature intends to promote transparency in government and strengthen the Washington's open public meetings act. The legislature finds that it is in the best interest of citizens for public agencies with governing bodies to post meeting agendas on websites before meetings. Full public review and inspection of meeting agendas will promote a greater exchange of information so the public can provide meaningful input related to government decisions." [2014 c 61 s 1.]
