**Purpose—Construction—1965 ex.s. c 121:** "With the advent of greatly increased interstate vehicular travel and the migration of motorists between the states, the legislature recognizes the necessity of enacting driver licensing laws which are reasonably uniform with the laws of other states and are at the same time based upon sound, realistic principles, stated in clear explicit language. To achieve these ends the legislature does hereby adopt this 1965 amendatory act relating to driver licensing modeled after the Uniform Vehicle Code subject to such variances as are deemed better suited to the people of this state. It is intended that this 1965 amendatory act be liberally construed to effectuate the purpose of improving the safety of our highways through driver licensing procedures within the framework of

the traditional freedoms to which every motorist is entitled." [1965  
ex.s. c 121 s 1.]
