(1) Any state agency or political subdivision that maintains records of debts owed to the state or political subdivision, or that the state is authorized to enforce or collect, may submit data processing tapes containing debt information to the lottery in a format specified by the lottery. State agencies or political subdivisions submitting debt information tapes shall provide updates on a regular basis at intervals not to exceed one month and shall be solely responsible for the accuracy of the information contained therein.

The lottery shall contact the state agency or political subdivision that provided the information to verify the debt. The prize shall be paid to the claimant if the debt is not verified by the submitting state agency or political subdivision within two working days. If the debt is verified, the prize shall be disbursed pursuant to subsection (3) of this section.

(3) Prior to disbursement, any lottery prize exceeding six hundred dollars shall be set off against any debts owed by the prize winner to a state agency or political subdivision, or that the state is authorized to enforce or collect. [1986 c 83 s 2.]
