

RCW 70.230.100 Ambulatory surgical facilities—Surveys. (1) The department shall make or cause to be made a survey of all ambulatory surgical facilities according to the following frequency:

(a) Except as provided in (b) of this subsection, an ambulatory surgical facility must be surveyed by the department no more than once every eighteen months.

(b) An ambulatory surgical facility must be surveyed by the department no more than once every thirty-six months if the ambulatory surgical facility:

(i) Has had, within eighteen months of a department survey, a survey in connection with its certification by the centers for medicare and medicaid services or accreditation by an accreditation organization approved by the department under RCW 70.230.020(5);

(ii) Has maintained certification by the centers for medicare and medicaid services or accreditation by an accreditation organization approved by the department under RCW 70.230.020(5) since the survey in connection with its certification or accreditation pursuant to (b)(i) of this subsection; and

(iii) As soon as practicable after a survey in connection with its certification or accreditation pursuant to (b)(i) of this subsection, provides the department with documentary evidence that the ambulatory surgical facility is certified or accredited and that the survey has occurred, including the date that the survey occurred.

(2) Every survey of an ambulatory surgical facility may include an inspection of every part of the surgical facility. The department may make an examination of all phases of the ambulatory surgical facility operation necessary to determine compliance with all applicable statutes, rules, and regulations. In the event that the department is unable to make a survey or cause a survey to be made during the three years of the term of the license, the license of the ambulatory surgical facility shall remain in effect until the state conducts a survey or a substitute survey is performed if the ambulatory surgical facility is in compliance with all other licensing requirements.

(3) Ambulatory surgical facilities shall make the written reports of surveys conducted pursuant to medicare certification procedures or by an approved accrediting organization available to department surveyors during any department surveys or upon request. [2016 c 146 s 4; 2007 c 273 s 11.]
