

Chapter 71.24 RCW
COMMUNITY BEHAVIORAL HEALTH SERVICES ACT
(Formerly: Community mental health services act)

Sections

- 71.24.011 Short title.
- 71.24.015 Legislative intent—Community behavioral health system.
- 71.24.016 Intent—Management of services—Work group on long-term involuntary inpatient care integration.
- 71.24.025 Definitions.
- 71.24.030 Grants, purchasing of services, for community behavioral health programs.
- 71.24.035 Director's powers and duties as state behavioral health authority.
- 71.24.037 Licensed or certified behavioral health agencies—Minimum standards—Inspections.
- 71.24.038 Investigations and inspections—Violations—Penalties.
- 71.24.045 Behavioral health administrative services organization powers and duties.
- 71.24.061 Children's mental health provider networks—Children's mental health evidence-based practice institute—Partnership access line pilot programs—Report to legislature.
- 71.24.062 Psychiatry consultation line—Implementation.
- 71.24.063 Partnership access lines—Psychiatric consultation lines—Data collection.
- 71.24.064 Partnership access lines—Psychiatric consultation lines—Funding—Performance measures.
- 71.24.066 Partnership access line pilot programs—Determination to be made permanent—Long-term funding.
- 71.24.067 Partnership access lines—Psychiatric consultation lines—Review.
- 71.24.068 Telebehavioral health access account.
- 71.24.100 County-run behavioral health administrative services organizations—Joint operating agreements—Requirements.
- 71.24.112 Health engagement hubs pilot program.
- 71.24.113 Grant program—Employment and education opportunities for persons recovering from a substance use disorder.
- 71.24.115 Recovery navigator programs.
- 71.24.125 Grant program—Treatment services—Regional access standards.
- 71.24.135 Expanded recovery support services program—Regional expanded recovery plans.
- 71.24.145 Homeless outreach stabilization transition program—Psychiatric outreach—Contingency management resources—Substance misuse prevention effort—Grants.
- 71.24.155 Grants to behavioral health administrative services, managed care organizations, and Indian health care providers—Accounting.
- 71.24.160 Proof as to uses made of state funds—Use of maintenance of effort funds.
- 71.24.200 Expenditures of county funds subject to county fiscal laws.

- 71.24.215 Sliding-scale fee schedules for clients receiving behavioral health services.
- 71.24.220 State grants may be withheld for noncompliance with chapter or related rules.
- 71.24.240 Eligibility for funding—Community behavioral health program plans to be approved by director prior to submittal to federal agency.
- 71.24.250 Behavioral health administrative services organizations—Receipt of gifts and grants.
- 71.24.260 Waiver of postgraduate educational requirements—Mental health professionals.
- 71.24.300 Behavioral health administrative services organizations—Advisory boards—Inclusion of tribes—Roles and responsibilities.
- 71.24.335 Reimbursement for behavioral health services provided through telemedicine or store and forward technology—Coverage requirements—Audio-only telemedicine.
- 71.24.370 Behavioral health services contracts—Limitation on state liability.
- 71.24.380 Purchase of behavioral health services—Contracting—Requirements.
- 71.24.381 Contracting for crisis services and medically necessary physical and behavioral health services.
- 71.24.383 Managed care organization contracting—Requirements.
- 71.24.385 Behavioral health administrative services and managed care organizations—Mental health and substance use disorder treatment programs—Development and design requirements.
- 71.24.400 Streamlining delivery system—Finding.
- 71.24.405 Streamlining delivery system.
- 71.24.415 Streamlining delivery system—Authority duties to achieve outcomes.
- 71.24.420 Expenditure of funds for operation of service delivery system—Appropriation levels—Outcome and performance measures—Report.
- 71.24.430 Coordination of services for behavioral health clients—Collaborative service delivery.
- 71.24.432 Coordination with regional crisis response systems—Regional protocols—Recommendations.
- 71.24.435 Behavioral health system—Improvement strategy.
- 71.24.450 Offenders with mental illnesses—Findings and intent.
- 71.24.455 Offenders with mental illnesses—Contracts for specialized access and services.
- 71.24.460 Offenders with mental illnesses—Report to legislature.
- 71.24.470 Reentry community services program—Contract for case management—Use of appropriated funds.
- 71.24.480 Reentry community services program—Limitation on liability due to treatment—Reporting requirements.
- 71.24.490 Evaluation and treatment services—Capacity needs—Behavioral health administrative services and managed care organizations.
- 71.24.500 Written guidance and trainings—Managed care—Incarcerated and involuntarily hospitalized persons.
- 71.24.510 Integrated comprehensive screening and assessment process—Implementation.

- 71.24.520 Substance use disorder program authority.
- 71.24.522 Substance use disorder—Training for parents of adolescents and transition age youth.
- 71.24.525 Agreements authorized under the interlocal cooperation act.
- 71.24.530 Local funding and donative funding requirements—Facilities, plans, programs.
- 71.24.535 Duties of authority.
- 71.24.540 Drug courts.
- 71.24.545 Comprehensive program for treatment—Regional facilities.
- 71.24.546 Substance use recovery services plan—Substance use recovery services advisory committee—Rules—Report.
- 71.24.550 City, town, or county without facility—Contribution of liquor taxes prerequisite to use of another's facility.
- 71.24.555 Liquor taxes and profits—City and county eligibility conditioned.
- 71.24.560 Opioid treatment programs—Pregnant individuals—Information and education.
- 71.24.565 Acceptance for approved treatment—Rules.
- 71.24.570 Emergency service patrol—Establishment—Rules.
- 71.24.575 Criminal laws limitations.
- 71.24.580 Criminal justice treatment account.
- 71.24.585 Opioid and substance use disorder treatment—State response.
- 71.24.587 Opioid use disorder treatment—Possession or use of lawfully prescribed medication—Declaration by state.
- 71.24.589 Law enforcement assisted diversion—Grant program.
- 71.24.590 Opioid treatment—Program licensing or certification by department, department duties—Use of medications by program—Definition.
- 71.24.593 Opioid use disorder treatment—Care of individuals and their newborns—Authority recommendations required.
- 71.24.594 Opioid overdose reversal medications—Education—Distribution—Labeling—Liability.
- 71.24.595 Statewide treatment and operating standards for opioid treatment programs—Evaluation and report.
- 71.24.597 Opioid overdose reversal medication—Coordinated purchasing and distribution.
- 71.24.598 Drug overdose response team.
- 71.24.599 Opioid use disorder—City and county jails—Funding.
- 71.24.600 Inability to contribute to cost of services no bar to admission—Authority may limit admissions for nonmedicaid clients.
- 71.24.605 Fetal alcohol screening and assessment services.
- 71.24.610 Interagency agreement on prenatal substance exposure programs.
- 71.24.612 Prenatal substance exposure—Recommendations.
- 71.24.614 Prenatal substance exposure—Contracting.
- 71.24.615 Chemical dependency treatment expenditures—Prioritization.
- 71.24.618 Withdrawal management services—Substance use disorder treatment services—Prior authorization—Utilization review—Medical necessity review.
- 71.24.619 Standard set of criteria—Authority review.

- 71.24.621 Withdrawal management services—Requirements for limiting medication usage.
- 71.24.625 Uniform application of chapter—Training for designated crisis responders.
- 71.24.630 Integrated, comprehensive screening and assessment process for substance use and mental disorders.
- 71.24.635 Cannabis consumption—Health care provider guidance—Promotion of reduction and cessation programs for populations at risk of serious complications—Request for proposal—Report.
- 71.24.640 Standards for certification or licensure of evaluation and treatment facilities.
- 71.24.645 Standards for certification or licensure of crisis stabilization units.
- 71.24.648 Standards for certification or licensure of intensive behavioral health treatment facilities.
- 71.24.649 Standards for certification or licensure of mental health peer-run respite centers.
- 71.24.650 Standards for certification or licensure of a clubhouse.
- 71.24.657 Recovery residences—Funding—Voucher program—Outreach—Training.
- 71.24.660 Recovery residences—Referrals by licensed or certified service providers.
- 71.24.665 Psychiatric treatment, evaluation, and bed utilization for American Indians and Alaska Natives—Report by authority.
- 71.24.670 Substance use disorder treatment facilities and entities—Record sharing.
- 71.24.700 Long-term inpatient care and mental health placements—Contracting with community hospitals and evaluation and treatment facilities.
- 71.24.710 Reentry services—Work group.
- 71.24.715 Reentry services—Waiver application.
- 71.24.720 Less restrictive alternative treatment—Transition teams.
- 71.24.845 Transfer of clients between behavioral health administrative services organizations—Uniform transfer agreement.
- 71.24.847 Transfer of clients—Policy and statistic reporting.
- 71.24.850 Regional service areas—Report—Managed care integration.
- 71.24.852 Intensive behavioral health treatment facilities—Resident rights and access to ombuds services—Recommendations to governor and legislature.
- 71.24.855 Finding—Intent—State hospitals.
- 71.24.861 Behavioral health system coordination committee.
- 71.24.870 Behavioral health services—Adoption of rules—Audit.
- 71.24.872 Regulatory parity between primary care and behavioral health care settings—Initial documentation requirements for patients—Administrative burdensomeness.
- 71.24.880 Interlocal leadership structure—Transition to fully integrated managed care within a regional service area.
- 71.24.885 Medicaid rate increases—Review authority—Reporting.
- 71.24.887 Training support grants for community mental health providers—Behavioral health workforce pilot program.

- 71.24.890 National 988 system—Designated 988 contact hubs—
Technology and platform development—Agency
collaboration.
- 71.24.892 National 988 system—Crisis response improvement strategy
committee—Membership—Steering committee—Reports.
- 71.24.894 National 988 system—Department reporting—Audit.
- 71.24.896 National 988 system—Duties owed to public—Independent
contractors.
- 71.24.898 National 988 system—Technical and operational plan.
- 71.24.899 National 988 system—Informational materials—Social media
campaign.
- 71.24.903 Mobile rapid response crisis team endorsement.
- 71.24.905 Co-response services.
- 71.24.906 National 988 system—Needs assessment—Recommendations—
Report.
- 71.24.907 National 988 system—Limitation of liability.
- 71.24.908 Data integration platform to support diversion efforts—
Development and implementation—Exempt from public
disclosure.
- 71.24.909 Washington state institute for public policy study on
recovery navigator programs and law enforcement
assisted diversion programs.
- 71.24.910 Balance billing violations—Discipline.
- 71.24.911 Statewide behavioral health treatment and recovery support
services mapping tool.
- 71.24.912 Work group—Systems, policies, and processes related to
intake, screening, and assessment for substance use
disorders.
- 71.24.913 Substance use disorders—Comprehensive assessments,
reports.
- 71.24.915 Crisis continuum of care forum.
- 71.24.916 23-hour crisis relief centers—Licensing and certification
—Rules—Standards.
- 71.24.920 Certified peer specialists—Courses of instruction—
Duties.
- 71.24.922 Certified peer specialists—Supervision caseload
reduction.
- 71.24.924 Certified peer specialists—Billing.

Comprehensive community health centers: Chapter 70.10 RCW.

Funding: RCW 43.79.201 and 79.02.410.
